ALL RUN-DOWN IN THE SPRING

That's the condition of thousands whose systems have not thrown off the impurities accumulated during the Winter-blood humors that are now causing eruptions, feelings of weakness, loss of appetite and other troubles.

Hood's Sarsaparilla removes all these humors, cures all eruptions, clears the complexion, restores appetite, renovates, strengthens and tones the whole system.

This is the testimony of thousands annually.

"I have taken Hood's Sarsaparilla as a blood purifier, and know of no better medicine for cleansing the blood. I have taken it in the Spring, and have derived great benefit from it." -Mary Matlock, Sanger, Cal.

"My little boy was completely run down and complained of headaches; I began giving him Hood's Sarsaparilla, and in a short time be began to feel and look brighter. By the time had taken the whole bottle he was entirely well. I have also given this medicine to my other children, and it keeps their blood in good condition."-Mrs. O. Hampton, Polets, Cal.

"I had a tired, run-down and worn-out feeling. I bought half a dozen bottles of Hood's Sarsaparilla, and by the time 1 had taken them I was well, and so remain." - George Hadsell, Box 21, Milpitas, Cal.

"Every Spring my brother would have severe headaches, but before he had finished one bottle of Hood's Sarsaparilla he was entirely cured."-Preston Troutman, Whitney, Neb.

"Last Spring I had a lot of sores on my face. They looked very bad, and I began taking Hood's Sarsaparilis, and before the first bottle was half gone I began to improve. I continued with the medicine until the sores had left my face. I am now stronger and healthier than before." - John E. Moungoven, Point ever Arena, Cal.

"My husband and child and myself have been taking Hood's Sarsaparilla, not because we had any particular disease, but we were all run down and did not feel well. It has done us a great deal of good. My husband weighs more now than he ever did before. Last Spring I had the grip, and it was a long time before I got better. I finally took Hood's Sarsaparilla, and was soon improving."-Mrs. Mattle Alger, Isa-
