Married Man and a Young Woman Die Together.

COUPLE WELL KNOWN IN IDAHO

Physician and Daughter of a Moscow Minister Go to Another Town. Attend Church, and Then Commit Suicide.

ORO FINO, Idaho, May 12.—Dr. F. J. Leadbrooke, a prominent physician of Moscow, and Miss Winnie Booth, 18-year-old daughter of Rev. G. M. Booth, pastor of the Methodist church at Moscow, committed suicide here today. The couple arrived in this city Saturday and spent the night at the hotel. Last evening they attended the Epworth League meeting, and then retired to the hotel. They did not appear for breakfast this morning, and at noon, when the door of their room was opened, the girl was found dead on the bed. Beside her was Leadbrooke, in a dying condition. He passed away a few minutes later. The couple had taken morphine by hypodermic injection. A note was left by the couple on the table, stating they had sent letters to Moscow, and that people would arrive from that point to take charge of the bodies. Leadbrooke was a married man and was wealthy. Miss Booth was a school teacher, and was employed near Kendrick. Leadbrooke joined her at Kendrick Friday, and the following day they came to Oro Fino. Leadbrooke came to Moscow about a year ago from Minnesota and became acquainted with Miss Booth in church work. He was also the physician of the Booth family. The prominence of the couple, and the fact that no intimate relations were suspected has caused a profound sensation in Moscow, where the girl has been raised, and where Dr. Leadbrooke had practiced his profession for six months. He was formerly a clergyman, and at various times during the past winter had occupied pulpits in Moscow. He was a well-read man and a psychological student. He was an intimate friend of Rev. Booth, and about four months ago he performed an operation upon the girl for appendicitis. She was known to be in a precarious condition from the shock of the news, and Mrs. Leadbrooke, wife of the dead man, is also prostrated. They left several letters, bidding friends good-bye, and saying that as they could not live together, except in sin, they preferred to die together. One letter to the Rev. Booth from Leadbrooke contained \$300 for the funeral expense of the girl.

WANTS PEARSONS BARRED OUT

U. of O. Charges U. of W. Track Team Men With Professionalism

UNIVERSITY OF OREGON, Eugene, Or., May 12.—Manager Ray Goodrich, of the University of Oregon track team, today filed a formal protest against Joseph and Robert Pearson, who are entered from the University of Washington, for the interstate field meet, which will occur at Seattle next Friday. The protest charges Joseph and Robert Pearson, of Starbuck, Wash., and students at the University of Washington, with competing in professional foot races at Heppner, Or., on June 12 and 13, 1901, and attempting to enter said races under assumed names. The annual tournament of the Eastern Oregon and Washington Fireman's Association was held at Heppner on the aforesaid dates, and affidavits show that all of the horse races and foot races of the tournament were known to be professional, and that the Dayton team, in which both the Pearsons ran, won first prize in the consolation race, for which the team received \$80 in cash. The complaint further states that Joseph Pearson won the 100-yard and 200-yard open sprints, for which cash prizes of \$25 each were offered, and that Robert Pearson won second prize in the latter event, for which \$20 were offered. It is also alleged that Robert Pearson participated in professional foot races that occurred at Pendleton, Or., on July 4, 1901. The rules of the Amateur Athletic Union, of the United States, preclude the competition of men who enter contests where money prizes are offered. The arbitration committee will meet in Seattle probably on Thursday, to consider the case. Joe Pearson is Washington's best man. He won all three of the short sprints against Oregon last year, and is considered one of the swift runners in the Northwest. He is also a good jumper, and has done well in the vault and hammer throw. Robert Pearson is a middle distance runner, and both are members of the crack University of Washington relay team. The Oregon students are perfectly willing to abide by the decision of the arbitration committee.

WINTER IN YUKON IS OVER

Ice Has Broken, but the Season Often is Backward.

VANCOUVER, B. C., May 12.—The ice in the Yukon has broken, and winter is over. The breakup was unusually quiet this year. It occurred during a blinding snowstorm, with the thermometer at 40 above. The water rose six feet, but little damage resulted. A flood is expected unless the jam breaks in 24 hours. The river is now clear from Lower Le Barre to Big Salmon. As usual in other years when the ice comes down the river, steamers loaded with freight which has been accumulating at White Horse are following the ice down, and the first is expected to reach Dawson this week.

CITY HAS A FIGHT ON ITS HANDS.

ASTORIA Fishermen Men Propose to Disregard Ordinance. ASTORIA, Or., May 12.—There promises to be a contest in the courts in the near future over the authority of the city to regulate the driving of piling along its river front. Last season the Columbia River Packers' Association drove a woman to operate a fish trap in front of its property in the eastern portion of the city. This will be the first arrival at the wharves since last fall, and it will get a big reception. There are jams on the river which will cause brief delays. A big one blocks navigation at Five Fingers, and smaller ones are located below Selkirk, near Stewart, and at Ogilvie. It was expected that the break this year would be earlier than last, but there is little difference in the time the ice has broken. Last year it was on May 11 that the break was recorded, and in 1900 on May 4. In 1899 it was May 17, and in 1898 May 3. In other years, the season is very backward. The weather is cold, and very little shunting can be done before noon on any of the days so far this spring. The water is too cold to allow the work to be proceeded with. There is frost every night, and it is late in the morning before the warm effect of the day is experienced.

REPUBLICAN NOMINEE FOR REPRESENTATIVE FROM JOSEPHINE COUNTY.

JUDGE W. C. HALE

GRANT'S PASS, Or., May 12.—Judge W. C. Hale, the Republican nominee for Representative from Josephine County, is well known throughout the state as an able lawyer. He is one of the most popular men in Josephine County, and his election is assured. He is Circuit Judge in this district for one term, and filled the position with honor to himself and the district. He is a native son of Oregon, of mature years and good judgment. He received the nomination for Representative unanimously, and without solicitation on his part.

Complaint was made to the city authorities concerning it by members of the fishermen's union, and as a result the Council passed an ordinance making it a misdemeanor punishable by a fine of not to exceed \$300, or imprisonment, to construct or operate a fish trap in the waters of the Columbia River lying within the limits of the city. Yesterday, the webster states that Joseph Pearson won the 100-yard and 200-yard open sprints, for which cash prizes of \$25 each were offered, and that Robert Pearson won second prize in the latter event, for which \$20 were offered. It is also alleged that Robert Pearson participated in professional foot races that occurred at Pendleton, Or., on July 4, 1901.

Machinery for New Factory.

The engine, boiler and a portion of the machinery for the ash and door factory being erected in the west end of the city were brought down the river on the steamer Okla-hama last evening. The machinery will be installed at once. It is expected that the plant will be in operation in a week or so.

First Shipment of Sealskins.

VICTORIA, B. C., May 12.—The Victoria Sealing Company today sent forward to London its first shipment of sealskins of the season. There are 254 skins in the shipment, valued at about \$600. It is expected that better prices will be obtained this year on account of the shortage of the Coast catch. The C. D. Band arrived today with 341 skins. Only three more schooners are expected back at present, the other vessels of the fleet having gone to the Japanese coast and Copper Islands, and will enter Bering Sea before coming home.

Boy Drowned in Foot of Water.

TACOMA, Wash., May 12.—Patrick O'Leary, a boy 12 years old, son of James O'Leary, living in the Indian Addition near Tacoma, accompanied his father to the school section Saturday, and while his father was at the polls the boy fell into a deep ditch by the roadside and drowned in a little more than a foot of water. A movement has been started for the organization of a party of Republican voters who own claims in Lincoln County to go to the coast county June 8 for purpose of voting. The large majority of Salem people owning Lincoln County claims are Republicans, and the company being formed will consist of about 30 young men. These voters could ballot for state and Congressional officers at Salem, but they have a desire to vote the entire Republican ticket in the county of their prospective residence, and will make the trip for that purpose alone.

Nominated by Petition.

ST. HELENS, Or., May 12.—George L. Perrine, Socialist, has been nominated by petition for Representative from Columbia County. FIRE CROWD WILL GREET FURNISH. FOREST GROVE, Or., May 12.—Preparations are being made at this place to have a big turnout on the occasion of the visit of W. J. Furnish and Senator C. W. Fulton to Forest Grove Thursday night.

Clark, with slight modifications to suit local conditions. The committee to draft by-laws and formulate a plan of work to include districts of city for working purposes was appointed as follows: W. Thomas, Dr. H. C. Epley, Mrs. Mary R. Davis, W. T. Riddon and G. Stoltz. The committee is to report at an adjourned meeting of citizens to be held soon.

STILL TIME TO RAISE BID.

Two Electric Companies Struggling for Clackamas Power Site.

OREGON CITY, May 12.—It is possible that the sale of the Clackamas power site to Fred S. Morris, (the proposed power site on the Upper Clackamas River) which was made Saturday afternoon, may not be confirmed by the county court Tuesday. The date for the confirmation of the sale and the rumor is current that the Portland General Electric Company may come into court Tuesday to give a bond for the payment of whatever sum is offered, as an evidence of good faith.
