

The tormado, which was preceded by a terrilie downpour of hall, lasted only a few minutes. The hall storm drove the people into their houses, where they were caught when the death-dealing wind came upon them with terrific force, level-ling everything in its path. The tormado swept an area of 250 yards wide for a distance of a mile and a half. Houses collapsed as if built of cardboard, cov-ering the dead and injured with debria, which necessarily made the work of reswhich necessarily made the work of res-

People flocked to the town from all the surrounding country. Many of them had relatives in the city. The work of rescue has been carried on all day, and the functions of several of the violates took place this afternoon. The supply of cof-fins has been replenished from other towns, and a large force of laborers is still at work digging graves for many of the victims. The citizens have perfected an organization, and everything is conducted in an orderly manner, the work of caring for the dead and injured now being on a systematic basis. The storm wrought gevere have to the surrounding country, but no lives are reported lost

Governor Sayers' Appenl. AUSTIN. Tex., May 16.-Governor Say-ers foliay appealed by wife to all Mayors of Texas towns of over 5000 inhabitants,

urging them to send food and assistance to the Gollad sufferers, and also requested the railroads to transport the shipments

WATERSPOUT IN MINNESOTA. Four Deaths by Drowning and One by Lightning.

Two carloads of foreigners left the Hazleton region today. Most of them were booked for New York, whence they will sail for their native countries. Most of the foreigners will seek work in the air is oppressive, your nose burns, are we going to be asphysitted? What has tomorrow in store for us? A flow of lava, rain of stones or a catachysm from the sea? Who can tell? Will give you last thought if I must die." A St. Pierre paper of May 3 announces that an excursion arranged for the next

spout that struck near Preston last night flooded the country for miles around, and caused the death by drowning of four children, members of the family of Mich-Railway ael Wilbright, near Forestville, and the death by lightning of Alderman Gonkey, of Preston. The property loss will heavy. Reports from the western part of the county say it was one of the worst storms ever witnessed in that section. On the lavel prairies in the township of York farmers lost a great deal of stock, and mear Granger about 20 buildings were demolished. Eight feet of water swept over Preston, moving eight or 10 houses from their foundations. The Chicago, Milwaukee & St. Paul tracks were washed out for four miles out of Preston, and the depot twisted around.

Fifty Buildings Damaged.

DES MOINES In., May 19 .- A cloudburst at Waterico early Sunday morning practically ruined every house in the tract known as Dry Run. Fifty buildings were damaged and several were washed away. A number of thrilling rescues were made with boats, but no loss of life occurred, The Wapsipinicon River overran its banks, doing much damage. Traffic on the Great Western, Illinois Central and Burthe Wannuch damage. Aran doing much damage. Aran Great Western, Illinois Central and Bur-lington, Cedar Rapids & Northern was delayed all day Sunday, owing to wash-outs. Near independence an Illinois Cen-tral freight train was wrecked, with no tral freight train was wrecked.

PITTSBURG, Kan., May 19.-The worst wind storm that has visited this section for some time came up from the south-west last night, accompanied by a heavy rain. Several houses in Pittsburg were blown from their foundations, a portion of the roof of the Kansas City Southern roundhouse was blown off, and the Pittsburg Brick & Pipe Company's plant and the abandoned smelter buildings were damaged. In the farming districts much damage was done to houses and farm
