row Afternoon. The dual field meet between the Mult-nomah Amateur Athletic Club and the University of Oregon will be held tomor-row afternoon, and if the weather condi-tions are favorable some records will probably go a-smashing. From a com-parison of the personnel of the two teams the chances of victory appear evenly di-vided, but the more ardent members of the local club declare that the wearers of the red and white will turn the tables on the collegians and erase the memory of last year's defeat. In the short sprints Lewis and Redmond, of Oregon, will be-matched with the fleet-footed Gammie, who is the crack aprinter of the Multno-

Lewis and Redmond, of Oregon, will be matched with the fleet-footed Gammie, who is the crack sprinter of the Mulino-mah Club. Gammie holds the P. N. A. record for the 29-yard dash. Other men have been training for the sprints, but Captain Gammie has not yet selected his running mate. Beilinger, formerly a crack distance runner of Correll University, will represent M. A. A. C. in the 440-yard, 390-yard and mile runs. His records for these events are 0:50 4-5, 1:59 and 4:52, respect-ively. Against him Oregon will instch the heretofore invincible Payne, who holds the P. N. A. record for the 440-yard run, and Redmond, another fast middle-dis-tance runner. Perkins, Shevis and Costell will uphold Oregon's colors in the mile run. In the hurdles and field events Multnomeh ought to win a majority of the points, as E. M. Murphy and Bert Kerri-gan are undoubtedly supesion to the Eu-gene men, most of whom are hovices. However, it is certain Oregon will offer Berkerey Team's Departure. The University of California baseball team will leave over the Northern Pa-cific files morning for Victoria, B. C., where games will be played tomorrow and Saturday. After a tour through Washington, British Columbia and Mon-tana, the team will return to this city, where another game will be played with M. A. A. C.
