AMUSEMENTS TONIGHT.

THE BAKER THEATER (corner Third and Yamhill streets)—Ralph Stuart and Company in "The Silver King." Matinee at 2:15, evening at 8:20.

NEW YORK TOO FAST FOR HIM.—An old Portlander, who has been traveling in the East for several weeks, has returned and, like all other Oregonians, says he is glad to be home again. He has concluded that New York City is too rapid and "too utterly too" in every way for him. He was returning from a suburban resort to the city one day and saw a bad tough temptible hound had snuggled up to one lady so close that she left the train, and he then crowded up against another lady and acted very rudely. She pulled out one of her hat pins and jabbed it clean through his leg above the knee. He gave an agonized yell and got out of the car as quickly as possible, and just fell off the platform after reaching the city. Portlander took the street car to go to his hotel. An old man who sat near him signalled to the conductor and got off the car on the wrong side. A vast trench had been blasted out in the center of the street, in which a subway is to be constructed. This trench is 30 feet in depth, and the old man stepped from the edge down into it. He was picked up and thrown into a "bucket" in which rock is hoisted out, the engine went "chu, chu, chu," and he was brought to the surface on a run; an ambulance drove up, he was thrown in and taken away to a hospital and the car proceeded. The Oregonian was perfectly satisfied with his experience of his in New York, and does not hanker for any more of it.

WORK OF MEN'S RESORT BOYS' BRIGADE.—A gratifying season's work has been closed for the Men's Resort Boys' Brigade, and interest has been so great that the boys are looking forward to the opening of the Fall and Winter season. Captain Alexander Elak has inspired since enthusiasm. The closing exercises were witnessed by Mr. and Mrs. William MacMaster, Miller Murdoch and E. W. Parker, of the committee on management, and a number of other notable persons. Men interested in the Third-Street Mission. Music was supplied by Miss Wheeler, John Wharburton and Oels Bartlett, and the boys sang notably to the programme. Fourteen prizes were given. Willie Penon received the first one, an engraved silver medal, for regular attendance and good behavior. Carpenter tools and balls and bats. Every boy in the Brigade received a copy of Henry Drummond's "First."

W. C. T. U. ANNIVERSARY.—On Tuesday, June 8, the W. C. T. U. will observe the annual anniversary in commemoration of the late Jennie Cassiday, formerly National and world's flower mission leader. The W. C. T. U. sports meeting will be held at the county headquarters, 107 1/2 Third street. A prayer service will be held at 10:30, followed by delegations of workers going out to distribute tokens of good will and sympathy among the sick. At 9:30 all who are interested and willing to lend a hand will assemble to make bouquets. Anyone having any contribution to make will please send or take it up to the headquarters by 3:30 A. M. Flowers, fruit or delicacies of any kind for the sick will be accepted. Churches especially are urged to save their floral decorations Sunday and to turn them over to the use of the W. C. T. U.

DEAD BODY IDENTIFIED.—The body of the man found floating at the Oceanic dock was identified yesterday as that of August Oelmer, of the East Side. Identification was made by William Oelmer, of 708 Mississippi avenue, a brother of the deceased. At the inquest a verdict of death by drowning was returned. The deceased was a native of Germany, 40 years old and carpenter by occupation. He came to Portland to work for the Oelmer and followed his trade. Wednesday, May 25, at 4 A. M. he left his home and said that if he did not return he would go to Oregon City to attend to the business of his work. As he did not return after the lapse of a week his wife and his brother began inquiries and learned of the discovery of an unknown body in the river. Yesterday morning William Oelmer called at the morgue and identified the body.

LOCKEY HALL OPEN.—Mrs. I. A. Carline announces the opening of Lockey Hall, at Second and Commercial streets. She has refitted the large reception room as a very attractive Dutch room, and has also added a prettily furnished Turkish room. Refreshments will be served over into a large writing and smoking room for gentlemen. A nice span of horses and carriage will meet all trains. T. P. A. visitors will find first-class accommodations over Sunday and should not miss a chicken dinner at the Hall.

B. S. A. CLOSING EXERCISES.—The closing examinations of the Bishop Scott Academy will be held on Sunday and Monday, June 7 and 8, at 10 A. M. and 7:30 P. M. The commencement exercises will be held Thursday at 10 A. M. in the academy chapel. Rev. Mr. Hammond, of Oregon City, will deliver the address. A baccalaureate sermon will be preached by Rev. Dr. A. A. Morrison, of Trinity Church, Sunday night in the chapel to the graduates of St. Helen's Hall and Bishop Scott Academy.

BEAR STRICTLY IN MIND that the excursion of the season will be run by Mount Hood Division, No. 91, Order of Railway Conductors, to Salem, on Sunday, June 8. A fine programme at Fair Grounds and all public building will be open during the day. Trains leave Portland at 8 A. M. and 9 A. M.

SPRAWBERRY PICKERS wanted at Hood River. Growers pay cent and half pound. Good pickers make \$2 to \$4 per day. Steamer leaves daily at 7 A. M. from foot Alder street. For further information apply to White Collar Line, Alder-Street dock. Both phones, Main 21.

ONE MORE GOLD-MEDAL.—A. P. THY, of the Oregon Pan-American Commission, yesterday received the gold medal awarded by the exposition judges to the Oregon State Board of Horticulture for its report for 1921. This report received the highest award for such work over the continent of all other states, which is very creditable to Oregon. It is a book of 400 pages, profusely illustrated, and is principally the work of H. E. Doench, and includes articles written by professors in the Agricultural College and others. The report is in great demand at the East, and frequent requests are received for copies. It is used as a text-book in the forestry and horticultural departments of Cornell, Michigan and Minnesota Universities. An Oregon was awarded 121 gold, silver and bronze medals and 303 diplomas at the Pan-American Exposition, it would appear that nearly every exhibit from Oregon captured a prize.

POTATO-GROWER vs. STRIKER.—A farmer who was trying to get some one to take a load of potatoes off his hands yesterday at 11 a. m. was gaped by his brother, a mechanic in the city, who is on a strike. "Why didn't you sell your potatoes a month ago," the striker asked, "when you were offered \$1 for them?" "Never you mind," retorted the farmer, "in a week or two from now you will be asking yourself why, when you were getting good wages, all you were worth, and had a steady job, you were such a

REVERE FROM ASTORIA ENCAMPMENT.—A. J. Elythe, publisher of the Hood River Herald, who has been attending the Grand Army encampment at Astoria, returned here yesterday, accompanied by his wife, Mrs. Elythe, says the members of the G. A. R. were delighted with the treatment they received at the hands of the people of Astoria, and their session there was most enjoyable they have ever held. They felt highly honored by the action of the Secretary of War in granting them permission to visit and inspect Fort Stevens, at the mouth of the Columbia, which, as in the case with all such fortifications, is not allowed to the public. They were given a free ride there on the railroad, and were shown all over the fort through the magazines, and were shown the manner in which the great guns there are worked, which was very interesting to the old soldiers. Mr. and Mrs. Elythe will leave for home today. The remainder of the delegates will arrive here today.

UNIVERSITY CLUB AT BANQUET.—The regular monthly banquet of the University Club was held last evening, covers being laid for some 40 members. The Boyer Quartet was present, and after the dinner, songs were in order. Captain Sam White, of Baker City, was among the guests, and when called upon for a speech, cheerfully complied. Governor-elect George E. Chamberlain and Mayor-elect George H. Williams are both members of the club.
