

FAVOR TICKET NAME

Nebraska Republicans Nominate Mickey for Governor.

ALL BUT THREE NOW IN OFFICE

Hinging Speech of Temporary Chairman Brown—Platform Indorses President Roosevelt's Cuban Policy.

Governor—John H. Mickey, of Oenoda, Lieutenant-Governor—E. G. McGillion, of Omaha. Secretary of State—George W. Marsh, of Falls City.

LINCOLN, Neb., June 18.—The Republican State Convention tonight nominated a full ticket. The nominees, except Governor, Lieutenant-Governor and Treasurer, are the present state officers, and the elections were made by acclamation.

The opposition is now talking of re-organization. It is not clear what Towne has in mind. Peter has escaped; Stewart has returned; Henry Watterson is already and always well organized; Tammany Hall has more or less broken up in England and his successor has resigned; Hill? He is a Democrat; Chairman Jones is a trust placator; Allen is an editor; Grover Cleveland has gone fishing and Ernest lives in a barn. Now what is there left to reorganize?

"I believe it to be the sublime duty of Nebraska this year to vote out of political existence every candidate and every party and every platform that breathes sympathy for the fighting foes of the Nation's flag. Let us stand at the back of McKinley's successor, the worthy, the aggressive, the energetic, the spoken and the courageous President, Theodore Roosevelt. The great work begun by his predecessor must be completed. The country demands it. The present financial and industrial systems must be established policies, but they must be preserved and made permanent. Cuba must be encouraged and protected, and if she is willing to accept the Philippine Islands as ours. They must remain ours, and their people be given those blessings of education and liberty that fall from the folds of the American flag. Labor is employed as never before in this country. It is kept employed. The Nation's commerce exceeds by millions all former records; it must be expanded still more, even if it requires the building of better roads, the building of a better one. The interests of labor and capital must have the equal protection of law. Such are the principles of the Republican party, and such is the work at hand for it to do."

The platform indorses the Administration of President Roosevelt, and especially his reciprocity policy with Cuba; commends his stand on every platform that breathes sympathy for the fighting foes of the Nation's flag. A special plank defends the Army from unjust criticisms.

TENNESSEE REPUBLICANS

State Convention Puts a Ticket in the Field.

NASHVILLE, Tenn., June 18.—The state Republican convention today nominated the following ticket: Governor—H. T. Campbell, of Carter. Railroad Commissioner—J. J. Elliot, of Shelby.

Supreme Justices—T. A. Wright, of Boone; J. S. Parks, of Bradley; E. C. Caldwell, of Bedford; B. W. Starves, of Lawrence; C. H. Trimble, of Shelby. Judges of the Court of Appeals—George T. McCall, of McMinn; G. S. Ramsey, of Coffee; C. H. Hicks, of Clinton.

LA GUAYRA NOT SHELLED

Government Forts Bombarded a Village Called Malagueta.

COLON, June 18.—The French steamer Labrador has arrived here from La Guayra and Porto Cabello, Venezuela. Passengers on the Labrador deny emphatically that La Guayra has been shelled. The government forts of La Guayra, however, shelled the village called Malagueta to the west and within two miles of La Guayra, Sunday, June 8. The five insurgents who were located at Malagueta immediately hoisted a white flag, and took to flight on the night of the shelling. The entire matter has received undue importance. The panic at La Guayra and Caracas was only momentary and normal conditions again obtain at both places. It is recognized in certain quarters, however, that the situation of the Venezuelan Government is still critical. Three Venezuelan gunboats are now blockading the Orinoco River. They are cutting off the communication of the Venezuelans who hold Ciudad Bolivar, on the Orinoco and their operations hinder the navigation of the river. The Labrador left La Guayra June 32. There were then one Dutch and two German warships at that port.

Capture of Venezuelan Seaport.

WILLEMSTAD, island of Curacao, Friday, June 13.—News reached here today that five hours fighting, June 11, 1902, Venezuelan revolutionists, commanded by Generals Riera, Penabaz and Sieralita, captured La Yela de Coro, a seaport town on the Gulf of Coro. The government forces 27 men were killed and 125 men were captured. Coro, the capital of the State of Falcon, where Vice-President Ayala is in command of the government troops, is besieged by the revolutionists, and when these advices left Coro was expected to surrender at any moment.

Salvadorans Are Excited.

NEW ORLEANS, June 18.—The latest news from the Republic of Salvador, via Guatemala, indicates a state of frenzy aroused by the recent decision of the Washington Court of Arbitration in the

Bureau case. The President of the little Republic and most of the members of the National Assembly have signed a proclamation in which the public declaration of the decision of the court was a scandal and a crime; that the judges were bribed; that the Salvadoran representatives were treated in a scandalous fashion, and that Dr. Zaldarriaga, one of the Salvadoran representatives, was recreant to his trust, and is now in Europe to escape the result of his actions.

INNOCENT NEGRO LYNCHED

Governor of North Carolina Offers \$30,000 Reward for Lynchers.

RALEIGH, N. C., June 18.—Governor Aycock today offered rewards aggregating \$30,000 for the arrest and conviction of unknown persons who, on the night of June 11, took the negro Gillespie from the jail at Salisbury and lynched him. There were about 75 men in the party, and the Governor offers a reward of \$400 for each of the persons who, on the night of June 11, took the negro Gillespie from the jail at Salisbury and lynched him. NO LEADER FOR THE MOB.

Had There Been One a Lynching Might Have Occurred.

VINCENNES, Ind., June 18.—Great excitement was occasioned early this morning by the report that a mob was on its way to the jail to secure possession of William Edison, who has been in custody on the charge of assaulting 3-year-old Irma Pfeil June 1. For several days there has been talk of lynching among the mob, and it is only because of the efforts of cooler heads that the feeling against Edison has been kept in subjection. Yesterday those who were the most outspoken quoted the words of an old peace officer who has only been through the efforts of cooler heads that the feeling against Edison has been kept in subjection. INDIANAPOLIS, June 18.—The Sheriff has wired Governor Dyer from Vincennes asking for troops to protect William Edison from a mob which now surrounds the jail at that place.

OKLAHOMA CITY, O. T., June 18.—W. T. McMichael, who yesterday shot and killed E. W. Johnson, and who was himself shot, died today of his wounds. E. W. MOROS' ULTIMATUM.

Americans Not Yet Done With Mindanao Dattos.

MANILA, June 18.—Colonel Frank D. Baldwin, of the Twenty-fifth Infantry, who is stationed on the island of Mindanao, has written a letter to the Sultan of Bacolor, in which he sets forth the ultimatum of the American authorities. Colonel Baldwin said, among other things, that the Americans did not intend to interfere with the religion, plurality of wives or property of the Moros. The following reply has been received from the Sultan by Colonel Baldwin: "We ask you to retire to Malabang; we do not want you in the Lake Linao district, unless you will join our religion and adopt our customs. In case you do not desire, all the Dattos will make war on you, because here there is but one religion, that of Stamboul."

Manila Testifies for Gardner.

MANILA, June 18.—Major Cornelius Gardner, commander of the expeditionary force, Malvar, who surrendered in Batangas Province last April, testified today before the board which is investigating the charges brought by Major Gardner concerning conditions in the provinces of Luzon. General Malvar said that Tayabas Province had been one of the best disciplined insurgent strongholds under his control, and that each municipality in the province has received his aid. He declared that he could have called 100 riflemen and 600 bolomen in Tayabas Province, and this without counting upon the men he could have raised in the other provinces, and that the people in the towns of Tayabas obeyed the orders issued by the American authorities as well as his own. He sent supplies to the insurgents, he said, and then after the lapse of a few days would notify the Americans that such supplies had gone out. This Malvar ordered the witnesses to do, in order that they might not be suspected by the Americans of disloyalty. In conclusion, the witness said that the insurrection in Tayabas and Batangas provinces had been broken up as a result of the methods adopted by General J. Franklin Bell in conducting the campaign there.

A NEW YORK MYSTERY.

Man Believed to Be From Charleston Dies of Morphine Poisoning.

NEW YORK, June 18.—A man partially identified as Mark J. Speyer, of Charleston, S. C., who was found unconscious on the sidewalk on Twenty-third street, near Seventh avenue, is dead at the New York Hospital from morphine poisoning. A young woman known under several names, who is said to have been employed at the Charleston Exposition and later became traveling salesman for an Atlanta, Ga., mine, was found weeping over the unconscious man when he lay on the sidewalk. She accompanied him to the hospital and remained at his side until he died. Then she is said to have returned to her home in Seventeenth street, which has been occupied by the couple, packed their belongings and disappeared. From fragments of letters it is known that she appeared at her former home, was identified at the hospital as Mrs. Sarris, but his supposed true name was learned when a man giving his name as Parquette visited the institution early today. He said a telegram had been received at the Hotel Bartholdi addressed to Mark J. Speyer, and it was with a view to delivering this that he had set out to find the address when he recognized the dead. Speyer, it was learned, registered at the hotel on June 4 from Charleston. He quit the hotel on Sunday. The woman, who gave her name at the hospital as Mrs. Sarris, told the physician that her husband was subject to heart disease, but a coroner's physician who performed a autopsy could find no traces of organic trouble. He said death had been due to opium or morphine, but there was no evidence that he had been addicted to the use of the drug.

HELENA TAKES ANOTHER FALL OUT OF PORTLAND PLAYERS.

HELENA, Mont., June 18.—In the first 10-inning game of the season on the local grounds Helena defeated Portland this afternoon by a score of 6 to 5. It was an exciting finish, the bleachers and grandstand being on a mass and shooting with delight when, with Schmeer on second and two out, Schaffer laced out King to left field that brought in the winning run. It was Helena's game from the start, and it was by mistake errors on the part of Peoples that Portland scored at all in the ninth. Wiggs pitched masterly ball, allowing Vignex's sluggers only five hits. On the other hand, Helena connected safely 11 times, five of them being two-baggers, and had the game well in hand at all stages until at the last inning, when Peoples made a wild throw and a fumble.

Salisbury pitched a pretty game and kept the hits fairly well scattered, and saved for one or two errors behind him would have kept Helena's score down.

At the end of the eighth inning, Helena had a man thrown out at the home plate in its half, while Portland went out one, two, three in the tenth. Then came Schmeer's single, McGilligan's sacrifice and Schaffer's single.

Engel pitched the 10th inning, and a heavy wind storm assisted Helena in scoring the winning run, a pop-up in-field by Fred Schmeer, not being literally blown from Weed's hands and Schmeer scored on a long fly by Shaffer, which would have been taken in by Muller had it not been for the wind. CHANGES IN THE LEAGUE.

A New Pitcher Arrives at Spokane—Russell to Be Released.

SPOKANE, June 18.—It is announced today that Pitcher Russell of the Spokane league baseball team is slated for release. The new pitcher, G. W. Gatch, has arrived from Cincinnati, and may pitch tomorrow. The Spokane managers have also wired to Denver to secure Pitcher Gordon, and to Seattle to secure Gus Cloy for the outfield. With these changes it is thought Spokane will have as strong a pitching force as any team in the league.

SEATTLE DROPS ANOTHER.

Butte Sluggers Stand by Their Name.

BUTTE, June 18.—Butte today slaughtered Seattle and won the second game of the series. The Mariners had no trouble in crossing the plate 14 times. Ward missed a fly in the eighth, otherwise the Buttes would have played an errorless game and Seattle would have been given only three runs instead of four. The game was found early and battled all over the lot. Roach, for Butte, was a mystery for the visitors during the nine long innings.

DERBY TRIAL SPECIAL.

Belles Commoner, an Outsider, Wins.

CHICAGO, June 18.—J. R. Resper's Belles Commoner, an outsider in the betting in the American Derby, which will be run here Saturday, won the Derby trial special today at Harlem. The colt ran a marvelous race, covering the mile and eight-eighths in 1:53 2-5, and won in a gallop by three lengths. John A. Drake's Wyeth, in a desperate drive, beat out Lucien Appleby by a nose. Frank, who was fourth, was beaten by lengths. Crusader, second choice in the American Derby, quit after he had run a mile.

The race came near causing the death of Jockey Winkfield, who had the mount on S. C. Childers' McCoskey, which, coupled with Lucien Appleby, was held favorite at 1 to 2. At the half-mile pole McCoskey fell, throwing Winkfield against the rail. Winkfield's right leg was injured badly, and his collar-bone was broken. McCoskey slid about 20 feet, but was seemingly unharmed, except for a cut on his nose. He limped slightly on arising, but the limp disappeared in a few strides. The accident will prevent McCoskey starting in the American Derby, and Winkfield will be unable to ride any more this season. Results: Four and a half furlongs—Dick Welles won, Pluck second, American third; time, 1:23 4-5.
Six furlongs—Bard Burns won, L'Etrange second, Lady Idris third; time, 1:34 2-5.
The Derby Trial Special, mile and an

eight-Belles Commoner, 112 (Knight), 7 to 1, won; Wyeth, 113 (Lyon), 12 to 1, second; Lucien Appleby, 115 (Coburn), 20 to 1, third; time, 1:53 2-5. Frowl, Glenwater and Crusader also ran.

Mile and a quarter over five hurdles, handi-cap—Corlieu won, Dissenter second, Colby third; time, 2:26 2-5.
