TELLS HOW IT HAPPENED

MANAGER VIGNEUX EXPLAINS THOSE FOURTEEN DEFEATS.

Luck and Umpires Were Against Portland Players All the Time—Good Ball Played Now.

The muchly beaten Portland baseball team arrived home yesterday morning, a bit the worse for the wear and tear of 14 straight defeats, but ready to enter the struggle again, and prepared to meet all comers. Contrary to the general opinion, Portland has played good baseball, as some of the scores will testify. In every game of the trip, the Portland men called forth the best efforts of their opponents, and had Manager Vigneux, so they say, and his cohorts, been treated fairly, they would have won several of the Montana games, and also the famous 15-inning game at Seattle.

Every member of the team says that Portland has played in the hardest kind of luck, and that the work of some of the umpires was really "fierce." There seemed to be a general disposition among the amateur umpires to give the home teams the benefit of every close decision.

There is also a general feeling of indignation among the members of the team against W. H. Lucas, president of the league.

The doubling of Vigneux' fine, and the stubbornness of Lucas in upholding the work of Umpire Mullane have turned the local balltossers against the league president, who is anything but popular with them just now.

When seen yesterday, Manager Vigneux said:

"There is no use rehearsing our trials and tribulations, for they have been many, and it would take too long to enumerate them. The team was disorganized at Butte, and at Helena we got the worst of every close decision. Fisk as an umpire, is a perfect 'false alarm.' From start to finish, everything seemed to be against us, no good luck or fortune coming our way. But they say that the fortunes of war change sometimes, and I believe, now that the hoodoo is broken, that Portland will win her share of the games. The boys have been playing gilt-edged ball, and the people here cannot appreciate the zeal with which we fought to win the Seattle series. Pitcher Witbeck's work yesterday was simply grand, the Seattle sluggers being unable to find him.

"The trouble with the Mahaffey brothers is unfortunate, but I firmly believe that I was right in giving Joe his release, and in suspending his brother. We cannot allow the discipline of our team to run down. Louis Mahaffey can come back into the game at the expiration of his suspension, if he so desires. I have my eye on a pitcher to fill Joe's position, and expect to sign him within a few days.

"The report that I contemplated quitting the league, merely because all things were not coming our way, is the hottest kind of 'hot air.' I never had any notion of quitting Portland, and the reports circulated in Montana are absolutely false and without foundation. I still think that the Portland team has it in the cards to win, and I believe that Dugdale will have to hustle, if he wins the coming series."

The first game of this week will be played on Thursday, with Salisbury in the box. On Friday, July 4, Engle and Witbeck will each do a turn on the slab, and Salisbury will reappear again on Saturday. Sunday's pitcher has not yet been selected.

NATIONAL LEAGUE.

Philadelphia Beats Brooklyn.

BROOKLYN, June 30.—The Philadelphia team beat out the Brooklyns today, owing to an error by Flood which enabled Frazer to score with the winning run. Attendance, 2700. Score:

	R.	H.	E.		R.	H.	E.
Philadelphia	2	5	0	Brooklyn	1	9	3

Batteries—Fraser and Doolin; Newton and Ahearn.

Umpire—Emslie.

Boston Beats New York.

NEW YORK, June 30.—Boston defeated New York in the first game of the present series today, shutting the home team out. Attendance, 2000. Score:

	R.	H.	E.		R.	H.	E.
Boston	8	15	1	New York	0	4	7

Batteries—Eason and Kittredge; Taylor and Bowerman.

Umpire—Cantillon.

Chicago Takes Two Games.

ST. LOUIS, June 30.—Chicago took two games from St. Louis in the double-header here today, by the same score. Both teams played loosely. Attendance, 3000. Scores:

First game—

	R.	H.	E.		R.	H.	E.
St. Louis	4	5	5	Chicago	8	12	4

Batteries—M. O'Neil and J. O'Neil; Taylor and King.

Umpires—Brown and Powers.

Second game—

	R.	H.	E.		R.	H.	E.
St. Louis	4	12	2	Chicago	8	12	5

Batteries—Murphy and Ryan; Williams and Kling.

Umpires—Brown and Powers.

AMERICAN LEAGUE.

Two Games at St. Louis.

ST. LOUIS, June 30.—The second game between St. Louis and Cleveland today was a 15-inning pitchers' battle between Reidy and Bernhardt, darkness ending the contest, neither team scoring after the eighth. The field was so very soft and slippery that the players had trouble in keeping their footing. In the first game, the St. Louis team went to pieces behind Harper, who was very wild. He was batted all over the lot, LaJoie, Hickman and Bradley touching him for successive runs in the sixth inning. Scores:

First game—

	R.	H.	E.		R.	H.	E.
Cleveland	17	13	1	St. Louis	2	5	5

Batteries—Wright and Bemis; Harper and Donahue.

Second game—

	R.	H.	E.		R.	H.	E.
St. Louis	3	6	1	Cleveland	3	11	3

Batteries—Reidy and Donahue; Bernhardt and Wood.

STANDING OF THE CLUBS.

National League.

	Won.	Lost.	P. C.
Pittsburg	42	11	.792
Chicago	34	24	.586
Brooklyn	33	28	.541

Philadelphia	27	32	.458
Cincinnati	23	31	.426
St. Louis	20	36	.357
New York	21	39	.350

American League.

	Won.	Lost.	P. C.
Chicago	33	19	.635
Boston	33	25	.569
St. Louis	27	25	.519
Philadelphia	27	26	.509
Baltimore	26	31	.456
Washington	26	32	.448
Detroit	24	30	.444
Cleveland	25	33	.431

Western League Scores.

At St. Joseph—Omaha, 5; St. Joseph, 3.

At Kansas City—Kansas City, 4; Des Moines, 3.

At Milwaukee—Milwaukee, 4; Colorado Springs, 0.

AS VIEWED BY SOUND PAPERS.

Praise and Blame for Portland's Baseball Team.

Two of the Puget Sound papers have a good opinion of the Portland baseball team. Portus Baxter, the baseball critic on the Post-Intelligence, hands the team a great swell in his Sunday review of the baseball situation. He takes all the players down the line and pronounces them to be among the best in the league. According to Baxter, "Portland has got a great ball team and no mistake. They are right there every time, and no matter how fast their opponents play they come back with just as good stuff."

The Tacoma Ledger also thinks that we have a good aggregation of balltossers and sympathizes with us in our string of defeats. The Ledger Sunday review contained the following:

The feature of the past couple of weeks in Pacific Northwest League circles has been the phenomenal run of hard luck sustained by Manager Sammy Vigneux and his webfoot aggregation. Portland has a fast team all the way through, and a good share of her defeats can be put down to "baseball luck," pure and simple. As a matter of fact, there is no team in the league, outside of the Tigers, that the average Tacoma fan would sooner see win than Portland. If the flag can't come here most of the people who follow the game would like to see Vigneux get it. Next choice to Portland in this town is Flannery.

Portland has a fast, clean-playing team, which puts up a snappy game, winning or losing. They have five more games this coming week with Dugdale's bunch, and a week from Wednesday open in Tacoma with the Tigers. Meanwhile, here's hoping they take Seattle down the line hard during the next five games.

The Seattle Times is, however, not so favorable to Portland. While its weekly article contains no particular reference to the merits or demerits of the team, pains are taken to "roast" the Portland management. It seems that that paper considers that the little difference between the Portland Club and President Lucas was uncalled for, and that Portland had no right to kick. The following criticism of President Whitemore and the Portland fans generally shows the way the Times looks at Portland's protest.

The truth of the matter is, Portland is sore simply because she can't stand to lose. She won so easily last year that the fans in that village have yet to learn how to support a losing team. Seattle has been through the mill, thank you, and, while our sympathy and tears are with the city that loses 11 or 12 straight games, nevertheless, why can't President Whitemore be a sport and take his medicine like a man? This ceaseless roar against the umpire and the league officials is the verlest rot. The remedy lies in the hands of the league directors, and if they don't like the present condition of things, suppose they call a meeting of the board and make a few sweeping and radical changes.

ST. VRAIN IS "BLACKLISTED."

Minor League That Gets Pitcher Will Have to Put Up $600.

TACOMA, June 30.—St. Vrain, the Tacoma baseball pitcher who jumped to the Chicago National Baseball Club, and who was then "farmed out" to Memphis, has been suspended by the executive board of the Association of Minor Leagues. He is now "blacklisted," and in order to play in any of the minor leagues, $600 must be forthcoming. Whether the Tacoma Club will put this up, for St. Vrain, who is signed by Chicago for next year, is a question. Butte wanted St. Vrain, and the latter wanted to play with that team, and if Tacoma declines to pay the "blacklist" release, Butte may feel that St. Vrain is worth that sum.

Refused to Play With St. Vrain.

MEMPHIS, Tenn., June 30.—Little Rock refused to play today with S. St. Vrain, late of Chicago and Tacoma, pitching for the locals, and the umpire awarded the game to Memphis. Manager Finn claims that Memphis has no right to use St. Vrain, as Tacoma has a previous claim to him, but this the Memphis manager disputes. Before the game a telegram was received from President Nicklin, of the Southern League, forbidding St. Vrain to play, but Manager Frank declares he is within his rights and will continue to use the Tacoma man.

Holly Joins the Helenas.

HELENA, Mont., June 30.—Eddie Holly, who has been playing in the California League, arrived last night to join the Helena team, and will play third base for the Senators. Saxe, the Chicago amateur, who was signed for this position, has been released, and it is said that McGilligan, who has been playing third, is slated for a like fate, although McGilligan may be kept as an emergency man.

THE DAY'S RACES.

Races at Sheepshead Bay.

NEW YORK, June 30.—Sheepshead Bay summary:

The Bay hurdle handicap, two miles, over eight hurdles, on the turf—Big Gun won, Ferocious second, Neponsa third; time, 3:55 2-5.

Two-year-olds, last five and a half furlongs of Futurity Course—Rightful won, St. Jude second, Buttons third; time, 1:08.

Selling, six furlongs, on main track—Van Ness won, Sweet Clover second, Lady Radnor third; time, 1:14 2-5.

The Spring Stakes, for 2-year-olds, six furlongs—Hurst Park won, Africander second, Ida Nay third; time, 1:13 1-5.

Handicap, one mile—Port Royal won, Cunard second, Pretorious third; time, 1:40.

Selling, mile and a half, on turf—Fatalist won, Cougar second, Adelaide Prince third; time, 2:28.

Winners at Butte.

BUTTE, Mont., June 30.—Results:

Seven furlongs—Platonius won, Syce second, Headstrong third; time, 1:28¾.

Five and a half furlongs—Madam Bishop won, Cora Goetz second, Pencil Me third; time, 1:11.

Six furlongs—Porous won, Tambourine second, Rubino third; time, 1:18.

Five and a half furlongs—Ben Ledi won, Jerid second, Roltaire third; time, 1:09½.

One mile and 40 yards—Goldone won, Katie Walcott second, Elfonse third; time, 1:47.

Three and a half furlongs—E. M. Brattain won, Big Dutch second, Judge Thomas third; time, 0:41¾.

Races at Washington Park.

CHICAGO, June 30.—Washington Park results:

Two-year-olds, five and a half furlongs—Sigmund won, Top Soil second, Rosance third; time, 1:15 3-5.

Six furlongs, selling—Conundrum won, Pyrrho second, Semicolon third; time, 1:22 3-5.

Mile and 70 yards—Articulate won, Vulcain second, Wellesley third; time, 1:56 3-5.

Two-year-old fillies, five furlongs—Lady Matchless won, Belle Graham second, Eva Russell third; time, 1:09 2-5.

Three-year-olds, one mile—Bragg won, La Crimae second, Little Scout third; time, 1:52.

One mile and a quarter, selling—Peat won, Trentham second, Marshal Neil third; time, 2:21.

Races at St. Louis.

ST. LOUIS, June 30.—Fair Grounds results:

Six furlongs—His Gift won, Miss Dora second, Sly Maid third; time, 1:27.

One mile and 70 yards—Masterful won, Florrie S. second, Don Luis third; time, 2:01 3-5.

Five and a half furlongs—Robert G. Lansing won, Little Giant second, Flora Levy third; time, 1:18¼.

The Delmar Inaugural, one mile—Jordan won, Wax Taper second, Oudenarde third; time, 1:53.

Seven furlongs—Sea Rover won, Hermoso second, Tom Collins third; time, 1:40½.

One mile and three-sixteenths—Potheen won, Wall second, Swordsman; third time, 2:15¾.

Cricket Match August 15.

A cricket match will be played between the Portlands and the Vancouver, B. C. Cricket Club at the Multnomah Club grounds, August 15 and 16. Negotiations are in progress for matches with Tacoma and Seattle, but the dates are not yet arranged. This week, the Portlands will practice on the Multnomah grounds Thursday and Saturday evenings, and on the latter occasion the married members of the club will play against the bachelors. An interesting game is expected. After this week the practice nights will be Monday, Wednesday and Saturday. The Portlands have a stronger team than usual this season, and confidently expect to hold their own against all rivals.

Race of Small Yachts.

BLACK ROCK, Conn., June 30.—Eight tiny yachts today began four days' competition in trial races for the honor of representing the United States in races for the Seawhanaka International cup for small yachts, to be held in Lake St. Louis, near Montreal. The Tecumseh finished first, Nutmeg second and Crusader third. The second race resulted: Massasoit first, Tecumseh second.

The Massasoit won the third race, finishing 32 seconds ahead of the Crusader, and thus winning two of the three races of the day.

Philadelphia Jack Wins Two Fights.

CHICAGO, June 30.—"Philadelphia Jack" O'Brien fought two men tonight and was given the decision over both of them, each bout lasting six rounds, with a 30-minute intermission. Jim Driscoll was staggering at the end of his six rounds. Jack Beauscholte, the second opponent, was badly battered.

Golf on the Fourth.

The Waverly Golf Club has arranged a special Fourth of July programme, for which numerous entries have already been made. The morning will be devoted to different contests among the men, and the afternoon to ladies' singles and doubles. The tennis courts have been put in fine shape, and a tennis programme has been arranged for the morning of the Fourth. In the afternoon there will be a game of baseball on the links between the married and unmarried men.

Meteor Again Beaten.

KIEL, June 30.—Emperor William steered his American-built schooner-yacht Meteor across the finish line at 1:30 this morning, two hours behind the Iduna, the Emperor's yacht, which in the lightest of airs, between flat calms, passed from the tail to the head of the fleet. The Lasca came in second. The sailing committee got in at 4 o'clock, and its members went to their homes without announcing the result. Ben Parker, skipper of the Meteor, says: "They ought to pull the masts from the Meteor and put in a motor." The Emperor, Admiral von Eisendecher says, thinks very well of the Meteor.

American College Boxers Defeated.

LONDON, June 30.—A large company assembled at the National Sporting Club tonight to witness the boxing contests in connection with the coronation sporting tournament between Harvard and Yale students and English amateurs. All the professional fighters who took part in the contests held last week were present tonight, and in some cases they acted as attendants for the American students. All the amateur bouts resulted in victories for the Englishmen, but the Americans gave remarkable displays of gameness.

Mahaffey Has Many Offers.

Joe Mahaffey, the Portland pitcher, who was released last week by Manager Vigneux, has received offers from Ashland, Oakland, Or., Baker City, and a number of other Northwest towns. It is quite likely that he will go to Baker City, as Manager Basche, of that place, has made him a good proposition. Louis Mahaffey has also received an offer from Baker City, and may go there, as he has announced his desire of severing connection with the Portland team.

Miss Jones Wins by Default.

PHILADELPHIA, June 30.—Miss Marion Jones, of Nevada, today won the woman's tennis championship from Miss Elizabeth Moore by default. Miss Moore was taken sick Saturday while playing her second set with Miss Jones and play was postponed until today. Miss Moore's indisposition proved more serious than anticipated and she was unable to conclude the game. Miss Jones was thereupon declared the champion.

Golf Championship Tourney.

NEW YORK, June 30.—Fair warning has been given to all the golfers who contemplate competing in the amateur championship that the entries will close sharply at 6 P. M. July 5, with Maturin Ballou, secretary of the Golf Association. There will be no such practice as heretofore in waiting a day or so for straggling letters from distant parts of the country.

Doherty Is Tennis Champion.

LONDON, June 30.—H. L. Doherty won the all-England tennis championship today, beating A. W. Gore, the holder, 6—4, 6—3, 3—6, 6—0.

Sweetly Innocent Girl.

Tit-Bits.

He had been to the boarding school to pay a surprise visit to his daughter, his only child. He had parted from her, proud to be the parent of such a handsome maiden, pleased with the innocence of budding womanhood. The principal accompanied him to the door.

"Madam," he said, with deep feeling, "I owe you much for the manner in which you have reared my child since she has been under your care. When I notice the contrast between that innocent maiden and some of the girls of her age who have not had the advantage of such strict supervision, I feel that I have indeed done wisely in placing her in your charge."

"And how proud you must be," said the principal, glowing with satisfaction, "to be the father of so large and devoted a family."

"Large! Devoted!" gasped the proud parent. "What do you mean?"

"Devoted to each other," said the principal. "No fewer than seven of Clara's brothers have been here during the past three weeks to take her out, and she is expecting another tomorrow."

WALK-OUT OF MACHINISTS

UNION PACIFIC EMPLOYES STRIKE IN LARGE AND SMALL SHOPS.

President Burt Says the Trouble Is Due Entirely to Labor Agitators.

OMAHA, Neb., June 30.—In accordance with a prearranged plan, a formal order was issued early today by President T. L. Wilson, of the International Association of Machinists, for a general strike of Union Pacific machinists, which order went into effect at 1 o'clock. The men's demand is a 5 per cent advance in wages and that the company abandon the recently adopted piecework system. The number of men who walked out at the large shops of the system was not great, but the order was generally obeyed. Already the number of men at work had been greatly depleted by the closing down of the shops at Omaha, Cheyenne, North Platte and Armstrong, Kan., and the curtailment of work at a number of small shops by the company. The machinists, however, include as strikers the entire regular force of all these shops, and have begun paying strike benefits to all of their members who were employed at the time of the closing down of the shops.

Vice-President Wilson said benefits would be paid to nearly 1500 men. To this number 200 boilermakers are added, making the total number affected 1700. Railroad officials declare these figures are too high, but have given out no estimate. Reports were received at railroad headquarters by General Manager Dickinson that the men at Grand Island, Neb., and Evanston, Wyo., had refused to strike.

The machinists tonight sent a committee to Evanston. Strike leaders say this is an important point and that the men there do not fully understand the position of the union. The committee expects to have the machinists out at Evanston in a day or two. President Kennedy, of the local organization of boilermakers, said today that there were but 30 boilermakers at work on the entire system. The trainmen and enginemen will not be drawn into the strike. Leaders of these branches of the service say it is not their fight and that no thought has been given to the question of a sympathetic strike. The machinists also agree that they do not expect to receive any assistance from any other labor organization, contenting themselves with the statement that the railroad cannot run its trains for any great length of time without machinists and boilermakers, which they say cannot be secured. Pickets will be placed at shops and passenger stations to keep the officers of the union notified of the arrival of new men, and at all the large cities committees will keep the local labor officials informed if new men are hired to come to this city.

A representative of the Associated Press called on President Burt today and asked for a statement of the company's position with regard to the strike of the boilermakers and machinists.

"If you were to ask me why these men are striking, I could not tell you," said Mr. Burt. "We have a most excellent class of men in our employ and they are receiving the highest scale of wages paid by any railroad in the country. The car-builders and blacksmiths, and, in fact, all the employes in the various other departments, are satisfied with the wages they are receiving.

"The demands of the machinists are that they receive an increase of 10 per cent in wages and that the company do not adopt the piecework system. These demands are unreasonable. The company now pays about 10 per cent higher wages for this class of work than other roads, and the piecework system, instead of injuring the men, will give them an opportunity to make money. This strike is the result of work on the part of agitators, who have no other means of making a living. I believe that after the men have had time to think it over, they will see their mistake and return to work. The Union Pacific Railroad is not antagonizing union labor, this their employes know from past experience."

Asked if the road was hiring new men, Mr. Burt said:

"No, we are hiring no new men at present. We expect most of the old men to return to work, and, generally speaking, all good men will be taken back at the present scale of wages, except the agitators and those who have made themselves particularly obnoxious. We have sufficient machinists and boilermakers to attend to the current work, and the road is not suffering and we do not expect it to suffer from the effects of the strike. We have a large number of locomotives, ordered some time ago, on the way from the East, and there are about 90 lying idle at this time which can be used if necessary."

Mr. Burt repeated his statement that he believed the men on strike had been misled by agitators and designing men who live by that sort of employment. No details were at hand, he said, to show just how many men were affected by the trouble.

FREIGHTHANDLERS' STRIKE.

Unless Railroads Recede, Ten Thousand Men Will Go Out.

CHICAGO, June 30.—Unless the general managers of the railroads reverse their announced decision in regard to a new scale of wages, 10,000 freighthandlers will in all probability quit work tomorrow morning in all the railroad warehouse freight sheds in Chicago. If the freighthandlers strike, it is highly probable that other unions will be drawn into the struggle through sympathy. Officials of all the railroads replied today to the demand of the freighthandlers for more wages. The answers were almost uniform, except some companies submitting an amended scale of wages to go into effect after three months. The men refused to consider the propositions of the railroads, and declare that unless they are granted better terms they will quit work. From the railroads it was learned tonight that all have determined not to make any further concessions.

A proposition made by the railroads to the freighthandlers individually today was rejected by the latter. The railroads proposed that committees appointed by the employes at the various freighthouses meet with the railroad superintendents to discuss the demands, and admitted that some advance in wages might be justified. Having been warned that an attempt would be made to ignore their union, the men declined to be represented at any conference, unless the executive committee of their organization was present.

An attempt to address the men in the Rock Island freighthouse by Mr. Hitt, the Chicago agent, met with a rebuff. Mr. Hitt offered the men an increase in wages. President L. J. Curran, of the Freighthandlers' Union, stepped forward when Mr. Hitt asked if the men had anything to say. Curran was not allowed to speak, and the 200 men in the freighthouse followed him out of the warehouse, where a meeting was held. The men later returned to work without taking action on the question of accepting an advance in wages without recognition of the union.

In a general way, a general increase in wages was conceded by the railroads in their replies to the demands of the union, but the question of recognizing the union and pay for overtime above regular hourly rates, or for Sundays and holidays, was not mentioned.

President Curran, of the Freighthandlers' Union, addressed several meetings of the men during the day, and advised the men to stand together by their original demands. Fearing that the union would deliver a premature ultimatum to the railroads, President Bowman, of the Chicago Federation of Labor, called upon President Curran tonight to urge him to avoid a clash until the friends of the union had made a further effort to induce the railroad managers to agree to the demands of the men. The Teamsters' Union has decided not to haul freight from the railroad sheds if the strike is declared and an effort is made to move freight with the assistance of nonunion men.

LARGE REWARDS OFFERED.

Wilkesbarre Citizens Determined to Stop Boycotting.

WILKESBARRE, Pa., June 30.—The Citizens' Alliance of Wilkesbarre offers rewards aggregating $5000 for the arrest and conviction of all persons engaged in boycotting, hanging effigies and other criminal acts of intimidation prejudicial to the rights of American freedom. A reward of $1000 is offered for the arrest and conviction of any one who enters into a conspiracy to boycott any individual, firm or corporation. For hanging anybody in effigy $500 reward will be paid. At strike headquarters it is declared that the offering of such large rewards will cause irresponsible detectives to arrest innocent people in the hope of securing the rewards.

The district officers of the United Mineworkers in Hazleton assure Mr. Fallon that the ranks of the strikers are as firm as ever, and that none of the employes of Pardee & Co. or any other coal company will pay any notice to the posters inviting the men to return to work.

The officials of the coal company's operating mines in the Pittston district say that a number of old engineers and pumpmen returned to work this morning, and that more have applied for work. At strike headquarters it is stated that only five pumpmen reported for work.

Attempt to Break the Strike.

HAZLETON, Pa., June 30.—Copies of the following notice were distributed among the striking miners at the Harwood colliery this morning:

"With a view of ending what we deem a hopeless and uncalled-for strike an opportunity of resuming work at our Harwood colliery is hereby offered to our employes. When a majority of our adult inside and outside men signify their desire to begin work, this colliery will be started. Foremen will not make known the names of those applying for work.

"PARDEE & CO."

Several hundred strikers stationed along the roads leading to the drift on the colliery of Coxe Bros., this morning, turned back all men who reported for work with the exception of clerks and the passenger crews of the Delaware, Susquehanna & Schuylkill Railroad. The strikers and the Coxe deputies came together on the Freeland borough line. When Sheriff Jacobs arrived the men dispersed.

Knows Nothing of the Movement.

CHICAGO, June 30.—President John Mitchell, of the United Mineworkers of America, who came to Chicago yesterday, held a conference this afternoon with President Russell, of the Illinois Mineworkers' Association, and President Reese, of the Iowa Miners' Union. Mitchell said the conference concerned only the miners of Illinois and Iowa, and had no connection with the strike in the anthracite fields of Pennsylvania. Regarding the report that a movement had been started to settle the anthracite strike, President Mitchell claims to know nothing.

Evanston Shopmen Do Not Strike.

EVANSTON, Wyo., June 30.—Up to 7 o'clock tonight, there seems to be little prospect of the machinists at this point joining the general walk-out. Nearly all of the men are opposed to the strike, and it is understood the company expects no trouble here. Several of the boilermakers who struck last week have returned to work, and the shops are running full time.

Engineers and Pumpmen Resume.

PITTSTON, June 30.—All the striking engineers and pumpmen in this city, about 35 in number, reported for duty today. The majority were given employment. The firemen refused to join the movement. In this district, there are about 40 engineers and pumprunners still out, but it is believed that by the end of the week they will be back at work.

Strike at Birmingham.

BIRMINGHAM, Ala., June 30.—Over 12,000 miners struck today in the Birmingham district. At a recent meeting of the operators and miners, the latter demanded an eight-hour day, a payday every two weeks, and 50 cents per ton as the maximum price for mining coal, an increase of 5 cents. The operators refused to grant these concessions.

West Virginia Strike Ends.

KEYSTONE, W. Va., June 30. — The strike of the United Mineworkers in the Norfolk & Western coal fields, is practically at an end. The strikers, with the exception of probably 15 per cent, have returned to work. All train crews on the Norfolk & Western that were laid off owing to the strike, resumed work today.

A Soft Answer Turneth Away Wrath

Philadelphia Times.

This tale was told by Judge Pennypacker in beginning a response to a toast at a Pennsylvania German banquet at Philadelphia. The story, he said, showed the readiness of the Pennsylvania Dutchman to obey those in authority:

In 1864 Sheridan, under order, burned every barn from a valley above Staunton to a certain point below Winchester. A band of angry rebels followed this raid, watching for a chance to pick up any stragglers. Among others who fell into their hands was a little Pennsylvania Dutchman, who quietly turned to his captors and inquired:

"Vat you fellows going to do mit me?"

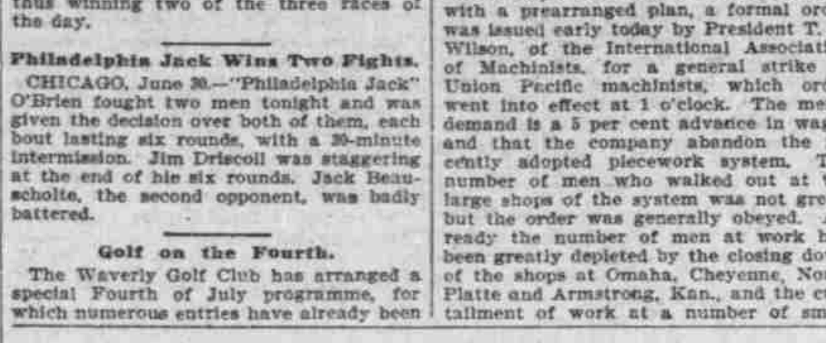
The reply came short and sharp:

"Hang you."

"Vell," he said meekly, "vatever is de rule."

His good-natured humor threw the Confederates into a roar of laughter and saved his life.

COLUMBIA GYMNASIUM.



FINE BUILDING TO BE ERECTED ON CATHOLIC UNIVERSITY GROUNDS.

Plans have been prepared for the largest and most elaborate gymnasium in the state, to be erected at once on the grounds of the Columbia University, at University Park. This structure is in line with the announcement made by Rev. M. A. Quinlan, the new president of the institution, who recently arrived from Notre Dame, Ind., to take charge, that every possible encouragement would be afforded athletics on the grounds. Father Quinlan was controller of athletics at the Notre Dame College before he started for Oregon, and is a firm believer in the development of the physical, as well as the mental, being. The main building will be 120x200, and the highest point in the main arch from the floor will be 70 feet. Alongside will be the annex, 50x100 feet, and two stories, in which will be placed the trapezes, office, baths, etc. In the main building will be the racetracks, places for football and indoor games. The roof will be arched and supported by trusses. The floor will be free of posts or obstructions. Light will be supplied by skylights. Materials used will be wood and steel and glass. From the plans, this gymnasium will probably be the most complete and largest in the Northwest. Joseph Jacobberger prepared the plans. The contract will be let at once, and the building will be built as soon as possible. It will stand a few hundred yards a little west of north of the college building, which will be about the center of the college tract, and a short ways from the Willamette River.

WILL BUILD FLOURING MILL

HOOD RIVER COMPANY FORMED WITH $75,000 CAPITAL.

Electric Power Will Be Used, and a $5000 Flume Constructed—Work to Begin Soon.

HOOD RIVER, June 30.—The Tucker Power Company, recently organized, with a capital of $75,000, is preparing to build a flouring mill here. The plant will have a capacity of 100 barrels a day, and is to be in operation by the middle of Winter. The operating power for the flouring mill will be electricity, generated at a power-house to be established on Hood River, near the site of the old Tucker sawmill, five miles southeast of town. The company is now putting in a sawmill, having a capacity of 25,000 feet of lumber a day, with which to manufacture lumber for the milling and power plant enterprise. The electric power plant will be fed by a flume 3000 feet long and 20 feet wide, which, with a fall of 40 feet, will afford 1000 horsepower. This flume will cost $5000. By enlarging the flume, the generating force may readily be increased to 2000 or 3000 horsepower. The company will make immediate use of only 75 horsepower for the operation of the flouring mill, but will be able at any time to supply electric power for lighting and other motive enterprises. The incorporators of the Tucker Power Company are B. R. Tucker, W. H. Slingerlang, J. J. Crofut, G. W. Long and I. H. Bingham.

School Teachers Chosen.

The following corps of teachers has been selected for the Hood River public school: C. D. Thompson, of Hood River, principal; Mrs. Margaret Reid and Miss Madge Warren, of Hood River; Mrs. Emelie Shaw, of Portland; Miss Minnie Shungel, of Beloit, Kan., and Miss Riddell, of The Dalles, assistants.

Sold Whisky to Indians.

Fred Beattie was arrested here last Thursday for selling whisky to Indians. Being caught in the act, he pleaded guilty the next day, when arraigned before United States Commissioner George T. Prather, and was taken to Portland Saturday, in charge of a United States deputy Marshal.

Maccabee Initiation.

SALT LAKE, Utah, June 30.—Under the auspices of Salt Lake Tent No. 2, Knights of the Maccabees, 500 candidates were initiated into that order tonight. The meeting was held in the Grand Theater and was under the direct management of State Commander F. W. Budrow. Among the prominent members present at tonight's meeting were Sir Knight H. A. Smith, of Denver, and Dr. R. W. Carter, of Chicago, the latter being Surgeon-General of the National Uniformed Rank of Maccabees.
