

TO RACE ON THE FOURTH

ENTRIES CLOSE FOR THE IRVINGTON TRACK EVENTS.

Twenty Past Northwest Horses Are Listed for the Two Harness Races and Two Runs.

The list of events for the Fourth of July races at Irvington Park was closed last night with a total of 30 entries for the two harness races and two runs.

Among the entries are some trotters and pacers which are well known throughout the Northwest as high-bred horses.

Also others which have given promise of a great deal of speed. In the free-for-all pace there are four which have won honors on the tracks and pitted against them is the swift Vancouver mare, Nellie Covert.

It remains to be seen whether the youngster will be able to lead the veterans, but it is certain that she will not be far in their rear.

The recent rains have put the track in fine condition, and fast time is assured. The races, Messers, Holman and Simpson, say that there will be no tireless delays between the events.

tators, the scrap amongst the players on the ball field, the stinging criticisms of the baseball scribes, and then compare with the all-around work of the two men who rule the diamond this year and you will find that the public has no kick coming.

I am not holding that the California Union, beyond criticism, is a team that their work is without a flaw.

But I do hold that there are but few men in the business on any diamond in the United States who have much the advantage over O'Connell and McDonald.

O'Connell has one advantage over McDonald—he rushes the game along faster. It is seldom, indeed, that he runs a game over 1 hour and 30 minutes.

While it is seldom that McDonald rushes one through under two hours, they have faults, undoubtedly, but think of the umpires of last year. In a comparison and see if you have any kick coming. I think not.

SATTLE TEAM ARRIVES. Manager Dugdale Says Portland Luck is Sure to Change.

The Seattle baseball team, accompanied by Manager D. E. Dugdale, arrived last evening on the 11:30 train.

The jovial Dugdale, when asked evening at the Hotel Imperial, said that his men were in good condition and ready to play fast ball.

Speaking of the Portland team he said: "Portland has an exceptionally fine team this year, but the luck has been against them in many of the late games.

The Portland men play fast ball, and I assure you they can play in any company. If Seattle wins under the management of Vignoux, I shall be satisfied, for I am familiar with the work of both nines, and know that the run of hard luck that has followed the Webfoot team is bound to change.

The line-up of today's game will be as follows: Seattle. Position. Portland. Carter or Hogg. C. Salisbury. H. H. Helman. 1B. H. Helman. 2B. Weed. H. Helman. 3B. Anderson. H. Helman. SS. Harris. H. Helman. LF. Moller. H. Helman. RF. Hupp. H. Helman. P. Hupp.

MAHAFFEY JUMPS TO BAKER CITY. First-Base Man Will Not Play With Portland Again.

Louis Mahaffey, the suspended first-baseman of the Portland baseball team, has jumped his contract and gone to Baker City, to play in the Eastern Oregon League.

When Mahaffey was first suspended, he declared that he would never play under the management of Vignoux.

The latter is firm in the belief that Mahaffey's fine and suspension were amply justified by his conduct toward the Portland manager, and by his refusal to play under Vignoux's management.

Mahaffey is a good first-baseman, but is below the average in batting ability.

Baseball fans deplore the difficulty between Vignoux and Mahaffey, and hope that they may be reconciled.

Under the rules of the National Amateur League, Mahaffey will be blacklisted for jumping his contract with the Portland Club.

Joe Mahaffey, the released pitcher, has also gone to Baker City, he having made suitable terms with Manager Fred W. Basche.

TO MEET EVERETT NINE. Multnomah Players Will Leave Tonight for Three-Game Series.

The Multnomah baseball team leaves this evening at 11:30 for Everett, where they will play July 4, 5 and 6.

The club boys have been working hard since their defeat of last Saturday, and Manager Foster is confident of making a good showing on the trip north.

Williams and Whitehouse have been hard at work getting ready for the trip, and when they face the Everett sluggers they will show the Washingtonians a few "stunts" in the way of speedy curves.

The rest of the team is in excellent condition, and the time spent in practice has shown a marked improvement over their last Saturday's work.

And if they can hold the pace at hitting set by Fenton, the team will have a very good chance to win the series.

Wickersham is unable to go on the trip on account of work. Those who leave tonight with Manager Foster are: Fenton, Williams, Jordan, Zan, Card, K. Fenton, Litt, Doble and Cook.

EXAMINATION OF DISBROW. Seen With Foster and Miss Lawrence the Night Before the Murder.

NEW YORK, July 2.—The examination in the case of Louis A. Disbrow, who is accused of having murdered Sarah Lawrence and Clarence Foster, this morning of June 29, was held at the court house of the Peace Edward H. Foster, in Good Ground, L. I., today.

He was unable to say whether or not his boat was moored on the night of the disappearance of Foster and the child.

Willis Wells, a liverman, said that Foster came to his place Monday night, June 5, and hired a one-seated runabout built to hold two persons.

Later in the evening he saw Foster and a woman, a woman in a black dress, who he recognized as Miss Lawrence, Foster and Disbrow. The next morning, he said, the rig was driven to the shore.

Wells said would amount to \$10. Disbrow tendered a check for \$20. Wells did not know the man who tendered the check, but he did not know that it did not matter, and he did not know that it did not matter, and he did not know that it did not matter.

Miss Ellen F. Pearsall said she occupied the room in which the bodies were found, taken by Disbrow. Her testimony indicated that there was a quarrel between Disbrow and Foster or Disbrow and his two companions, and she recalled that she saw Foster and Disbrow to accompany Foster and Miss Lawrence in a boat. Miss Pearsall, in testifying to what she heard, said that Disbrow exclaimed, with an oath, "I'll settle this thing."

The case was then adjourned until tomorrow morning. Disbrow was taken back to jail.
