Plans Will Be Made for the Extension of the Order, and Bids for Lodge Paper Received.

Trustees—George W. Proebstel, Weston Lodge, No. 71, Weston; William Armstrong, Valley Lodge, No. 18, Salem; C. H. Precemeder, Portland Lodge, No. 27, Portland.

Supreme representatives—Ralph Feeney, Upchurch Lodge, No. 126, Portland; J. E. Werlein, Industry Lodge, No. 8, Portland; D. C. Herren, Ashland Lodge, No. 66, Ashland.

The committees are as follows:

Jurisprudence—William Colvig, Banner Lodge, No. 23, Jacksonville; George H. Durham, Pacific Lodge, No. 17, Portland; P. H. D'Arcy, Protection Lodge, No. 2, Salem.

Arbitration—J. P. Dodge, Ashland Lodge, No. 66, Ashland; W. T. Boyd, Lakeside Lodge, No. 111, Lakeview; F. L. Coran, Josephine Lodge, No. 112, Grant's Pass.

The principal business coming before the Grand Lodge will be the matter of extension—that is, measures for continuing the increase in membership. On this point Grand Master Workman Hogue makes the following recommendations:

"The fact that we have found it so difficult to obtain suitable deputies has caused me to devote much more time and energy to the work than I could really afford. A supervising deputy, as recommended in that report, is in my opinion a necessity from this time forward, if we are to maintain the proud position we now hold. Such a man, continued from year to year, would become more valuable as time passes. This year I have traveled thousands of miles and written hundreds of letters in search of men in the local lodges who would do the work. This information, and especially the acquaintance, I cannot pass on to my successor, however willing—nay, anxious—I may be to do so."

There will also be the annual election of officers. William Smith, a prominent attorney of Baker City, being grand foreman, is in the regular line of promotion, and will doubtless be elected grand master workman without opposition. In the lower offices, especially among those beginning the rounds of the chairs of the Grand Lodge, there is usually a contest. At this session the Grand Lodge will also let a contract for publishing a 16-page paper for three years. It is to be printed on good book paper, and will be an improvement on the present publication. J. H. Zane, a well-known and prominent member of Fidelity Lodge, Portland, present publisher of the A. O. U. W. Reporter, and Frank Davey, of Salem, are the most prominent bidders for this publication.

This Grand Lodge may have an added interest in the presence of Webb McNabb, supreme master workman, of Gaylord, Kan. It was announced at the session of the Supreme Lodge that he would return to Portland and attend the session of the Oregon Grand Lodge.

Mrs. Wilda Belknap is the grand chief of honor of the Degree of Honor, the auxiliary of the A. O. U. W., and Mrs. Ollie Stephens is grand recorder.

Clatsop County Notes.

ASTORIA, Or., July 13.—The County Physician and Sheriff of Wahkiakum County, Washington, yesterday afternoon visited the points along the river that have been under quarantine for some weeks on account of smallpox. They found all the cases that have existed near Pillar Rock convalescent, and the quarantine will be raised Friday. At Hodges, near Harrington Point, there are several new cases, and the quarantine will be maintained for some time.

J. T. Lee, of Warrenton, has accepted the position of principal of the public school at Skagway, Alaska. Professor Lee is one of the most successful teachers in this vicinity, and for four years was Superintendent of Public Instruction in this county.

FEW TRIALS AT IRVINGTON

AS MEETS APPROACH, OWNERS REFUSE TO SPEED THEIR HORSES.

Track and Racers Are in Fine Condition—Northwest Circuit Will Open at Seattle.

The time for the racing season has so far advanced that horsemen find it to their best interest to refrain from any trials on the track which might give their opponents along the circuit a hint as to the probable speed of the racers on the course. As compared with the workouts of a month ago, Irvington track has been very dull. Every day the many stables have been represented, but no horse has been forced to anything like a mark, and some persons who went out to get an inkling of the standing of the trotters and pacers had to compliment the owners upon their sagacity and return home disappointed. The only excitement of the week was a heat of Saturday, when Baddelly took the pole with Electrophone, Cris Simpson was second with his 3-year-old William C., Helman third with Mack Mack, and Irwin on the outside with Starkey. The race was hot, and Simpson won the heat in about 2:27½. In the opinion of horsemen, Irwin was not at all anxious to win the heat, for a few minutes later he paced Starkey in 2:20. Starkey has a mark of 2:15¼. In single workout the reliable Bonner N. B., with Simpson behind, made 2:20¼. Simpson's Phil N. made 2:23½, with Erickson's green horse, Harry Marvin, close to his neck. Helman drove some good miles, but that man of complacency does not believe in urging for a mark except when there is a prize in sight. Bradford, Smith and Tilden all had their trotters and pacers out. They made from 2:20 to 2:25, and L. Zimmerman's Louis Z. has run in the same time. Conditions for records were splendid, for the track was in fine condition. But no attempts at marks were made.

Zephyr, who won in a jog a stake at Cincinnati in 2:13¼, is a son of Zombro, who is owned by George Beckers, who is now in Portland. Zephyr, who is only 4 years old, has been entered for the big M. & M. stake Tuesday, and Mr. Beckers declares that she will carry off the $10,000 stake as easily as the $2000 prize won at Cincinnati. Mr. Beckers has purchased a half-brother to Zephyr, Lord Kitchener, who will soon arrive from Los Angeles. Kitchener is a large black stallion, and he has worked a mile in 2:20. He may be entered upon the Northwest circuit in the place of the ill-fated Zombro C., and if he is there will be plenty of excitement in the heats for which he may be numbered.

Fully 75 head of horses now at Irvington Park will be started on the Northwest circuit, which will open at Seattle on August 19. In the harness line Simpson will send nine, Helman eight, Beckers two or three, Bradford four, Irwin six, Smith three, Tilden 12 and Baddelly one or two. The number of runners will be difficult to tell. The Joneses, Whitmore and Whetstone have strings, and Matlock, Bennett, White, Helman and Lazerus have some representatives. There will also be some trotters and pacers from the Salem track. A number of the horses will be taken to Seattle next week.

Cris Simpson has been made the cynosure of all eyes by the horseshoe pin which decorates his scarf. The pin, which is about the size of the ordinary molded gold pin, was made by Sam Macartney on his anvil, with a bar welded to the ends of the U-shaped plate. The shoe is in size smaller than the old half dime, and Macartney says that never before did he use his anvil to make such a miniature shoe. In this case he exercised his ingenuity to make a gift for Mr. Simpson, who is his warm personal friend.

A. P. Church, of Irvington Park, has returned from San Jose, Cal., and he has brought with him a trotter and a runner. Both horses have shown up well on the track, and they give evidence of making records.

Villette, the only full sister of Star Pointer, the only horse thus far that has crossed the 2-minute line, foaled at Arden Farms, June 25, a bay filly, by John R. Gentry. This filly carries the blood of the fastest pacing-bred pacer, 1:59¼, and of the fastest trotting-bred pacer, 2:00½. Mr. Brown, of Tennessee, who owns Villette, thought that this combination of blood should result in a marvel of speed. The future of the filly will be followed with interest.

Jeffries Now in Oakland.

SAN FRANCISCO, July 13.—James J. Jeffries left his training quarters at Harbin Springs this morning and came to Oakland, where he will finish his preparations for the big fight. All along the route the champion was enthusiastically greeted by the scores of friends he has made since taking up training in Lake County. Every one wished the big fellow luck and appealed to him to return again. Jeffries was much pleased at his reception. The Jeffries party arrived at Oakland at 5:30 P. M. and went immediately to the Hotel Metropole, where rooms were engaged. After dinner at a downtown restaurant, the entire party crossed the bay and attended a performance at the Orpheum.

Two Miles on Wheel in 4:11.

NEW YORK, July 13.—There was an attendance of over 6000 at the Vailsburg track today. While the long-mark men captured the money in the half-mile for professionals, they did not do so well in the Spartan open for professionals at two miles. This was the race of the day and brought out 33 starters. The time, 4:11, is probably the fastest ever made in a scratch race. Summary:

Half-mile handicap, professional—Won by Ralph Depalm, Brooklyn (80 yards); N. J. Grady, Chicopee (50 yards), second; John Bedell, Lynnbrook, third; time, :56⅗.

Two miles, open, Spartan professional—Won by Frank L. Kramer, East Orange; John Bedell, Lynnbrook, second; Owen S. Kimble, Louisville, third; Iver Lawson, Salt Lake City, fourth; time, 4:11.

Estes G. Rathbone Gets Home.

CINCINNATI, July 13.—Estes G. Rathbone, late Director-General of Posts in Cuba, arrived here at noon today, and was met at the St. Nicholas Hotel during the afternoon and evening by many of his old neighbors. He will go to his former home at Hamilton Tuesday. After spending a week or more here attending to his personal affairs, he will join his family in Western New York. This is the first visit of Mr. Rathbone to his home since the recent trials in Havana, and he was received by many friends whose calls presented the appearance of a reception. To all inquiries of newspaper men Mr. Rathbone replied that he had nothing further to say regarding Cuban affairs; that he had sent his petition to Congress for a full investigation, and pending action on that petition he would not discuss any phase of the Cuban situation.

Siam's Crown Prince Coming.

NEW YORK, July 13.—It is learned from authoritative sources that the Crown Prince of Siam will come to the United States in the same simple manner that he has visited King Edward and the various Continental rulers, accompanied only by his brother, the next in succession to the Crown Prince, and two aids de camp, officers in the Siamese Army.

The Crown Prince is in his 22d year, and for more than eight years has lived in England, speaking and writing the language. He has been educated in Oxford, is president of the Cosmopolitan Club of that university, and is most simple and unaffected in his manner. He is said to be thoroughly imbued with Western civilization, as is also his father, the King of Siam. He will call on the President and the Secretary of State officially, either in Washington or such other place as the American authorities may desire.

A large batch of Missouri officials were indicted for playing penny ante on a fishing trip.
