SPOKANE, July 16.—Pfeister in the box for Spokane looked good to the Portland batters today, and they took his measure with timely hits after the pitcher had liberally given bases on balls and made a bad throw, which resulted in one of the seven scores.

Brilliant fielding of Van Buren and Muller and Zeigler's well-placed double with the bases loaded were features for Portland. Witbeck was in fair form and kept the few hits of the locals well scattered.

Spokane earned its only run made in the third. Reitz single, advanced on Kelly's sacrifice, coming home on Pfeister's good smash to left. The double play of Deisel to Anderson to Weed retired the side and saved Witbeck from a bad hole.

Muller singled in the fourth, Van Buren followed suit, Zeigler hit a sharp one to Pfeister, who threw badly to first, while Muller scored. Zeigler came in on Weed's fly-out.

Witbeck and Muller walked in the eighth. Van Buren filled the bags with a single. Zeigler almost ripped the cover off the ball with a drive to deep left, scoring Witbeck and Muller. Vigneux followed a little later with a good hit to right, scoring Van Buren and Zeigler. In the ninth, Anderson hit safe. Harris beat out a bunt, which also advanced Anderson; Deisel sacrificed both men another notch, and Anderson scored on a fielder's choice.

Umpire Cunningham frequently gave Witbeck the worst of it on balls and strikes, but evened up by cheating Spokane on field plays.

SPOKANE, Wash., July 16.—Owing to the serious illness of his wife, Salisbury, one of the pitchers of the Portland team, leaves tonight for Portland. Witbeck pitched today, and he and Engel will do the twirling in alternate games.

STOVALL PITCHES GREAT BALL.

Seattle Twirler Fails to Issue a Pass or Allow a Hit.

SEATTLE, July 16.—Stovall pitched a perfect game today. He did not allow a hit, give a base on balls or hit a batter. Errors put men on second and third for Helena in the fourth, and they scored when Flannery bumped into Hurley, knocking him down, and causing him to lose the ball after catching it. Flannery would have made the third out in that inning. Stovall was entitled to a shut-out. The score:

TEN INNINGS AT TACOMA.

Butte Ties in the Ninth and Loses in the Next.

TACOMA, Wash., July 16.—Today's game was an Alphonse-Gaston affair, won by Fisher in the 10th for the Tigers. In the fourth Zearfoss donated the game to Tacoma by a wild throw to second to intercept Johnson, who had walked and was stealing. The ball went on through Houtz and Johnson scored. In the ninth Joe McCarthy handed the game back to Butte when, with two out and two on bases, he threw wide to first, allowing McIntyre to land safely and Ward and Kane to score. In the 10th, with two out and Joe McCarthy on third, Fisher drove a red-hot grounder right through the diamond to deep center, winning the game. The score:

Lucas Moves to Spokane.

TACOMA, July 16.—President W. H. Lucas arrived in the city yesterday en route to Spokane, where he will make his home in the future, owing to its being the most central point in the league. President Lucas states that a majority of the clubs prefer Spokane as his place of residence, added to which is the fact that it is a comparatively easy trip thence to Portland on one end or Helena and Butte on the other. The semi-annual meeting of the league will be held Friday, July 25, at Spokane.

Reddy in "Doc" Brown's Place.

SPOKANE, July 16.—At a meeting of the directors of Spokane's league baseball club this afternoon, it was decided that Dr. J. F. Reddy should act as president, in place of "Doc" Brown, resigned. It was also decided to release Pitcher Walter Gatch. Second Baseman Heine Reitz, who was suspended, has been reinstated during good behavior.

TRAVIS STILL FAVORITE

PROBABLE WINNER OF AMATEUR GOLF CHAMPIONSHIP.

Yesterday's Playing at Glenview Under Unfavorable Weather Conditions—Two Rounds of Match Play.

CHICAGO, July 16.—Two rounds of 18 holes each, match play, were played by the contestants for the amateur golf championship at Glenview today under weather conditions that could not have been worse.

There were few surprises today. Although Champion Travis did not play in particularly good form, either in the morning or afternoon, yet his play was steady enough to strengthen the belief that he again will win the championship, and that, too, without much difficulty. He won both morning and afternoon games almost as he pleased. This was due in a measure to the failure of his opponents to take advantage of opportunities, but Travis apparently held his men cheaply, and played carelessly at times. Young Byers, of Pittsburg, if he continues to play as he has done so far in the tournament, will, it is considered, give Travis the first test he has had.

Few really good medal scores were made today. The medal scores for the first nine holes follow: Travis out 43; Bristol out 46. Travis held his advantage coming in, and won at the 15th hole, five up, three to play. Chandler Egan played against Walter B. Kirk, of Onwentsia, showing beautiful form. He finished his match, seven up, six to play, with a medal score of 38 for the first nine holes. His medal score for the 12 holes played was three strokes under bogey. His play, considering the unfavorable weather conditions, was considerable.

Following are the results of the second round of match play:

W. J. Travis, Garden City, beat J. C. Davidson, Columbia, seven up, five to play.

E. M. Byers, Allegheny, beat J. A. Holabird, Onwentsia, one up.

Dr. L. L. Harban, Columbia, beat Stephen Bull, Racine, six up, five to play.

Perry R. Pine, Princeton, beat Thayer McMillan, Detroit, five up, three to play.

G. H. Leslie, Skokie, beat F. R. Hamlin, Chicago, three up, two to play.

Dr. D. P. Fredericks, Oil City, beat A. G. Lockwood, Allston, Boston, five up, four to play.

Abraham Poole, Jr., Onwentsia, beat Mat Behr, Morris County, two up.

P. B. Hoyt, Glenview, beat M. Doran, Jr., St. Paul, one up.

H. J. Twedie, Exmoore, beat R. E. Hunter, Midlothian, two up, one to play.

Louis James, Glenview, beat L. H. Conklin, Princeton, one up.

Ralph McKittrick, St. Louis, beat P. W. Keys, Glenview, one up, three to play.

H. C. Smith, Onwentsia, beat Allen Hibbard, Milwaukee, five up, four to play.

H. O. Reyhart, Baltus, beat L. T. Boyd, Milwaukee, two up.

W. E. Egan, Lake Geneva, beat N. F. Moore, Onwentsia, three up, two to play.

G. A. Ormiston, Pittsburg, beat J. T. Brokaw, Princeton, two up, one to play.

GOOD GAMES OF TENNIS.

Multnomah Handicap Tournament Results in Lively Contests.

The matches played in the handicap yesterday were productive of some of the best tennis of the tournament, and evidenced careful handicapping.

Goss beat Cawston, 6-4, 6-3, in a good, hard match. McAlpin won from Leiter, 6-4, 2-6, 11-9, in one of the best and closest matches of the day. Rosenfeld beat Jackson, 6-4, 7-9, 6-2. Seager beat Ladd, 6-1, 6-1, in a very much harder battle than the score indicates. Carroll beat Brandan, 6-2, 6-3. Zan beat Warren, 6-4, 8-6, both showing first-class form. McMillan beat Lumgair, 6-0, 5-7, 6-0. Ewing won from Dunne by default, as did Cheal from Lewis. This was a matter of general regret, as every one was anxious to see these old rivals meet again.

Even at this early stage, there has been shown the benefits of tournament play, and a great improvement is noticeable in the form of younger players. It is a liberal education for this class of men to have the opportunity to play against first-class players.

The matches scheduled for today are as follows: Bethel vs. Nunn, Rosenfeld vs. McMillan, McAlpin vs. Archer, Cheal vs. Goss, Prince vs. Ewing, Zan vs. Carroll and Green vs. Wickersham. These matches must be played today, as the committee wishes to have the finals Saturday.

Tennis at Cincinnati.

CINCINNATI, July 16. — In the men's doubles of the interstate tennis tournament today, Collins and Waidner beat R. G. Hunt (California) and Decamp, 6—1, 4—6, 6—3.

BALTIMORE CLUB RAIDED.

McGraw Gets Four and Cincinnati Two Players.

BALTIMORE, July 16.—John J. McGraw, representing Andrew Freedman, and acting, it is believed, as an envoy of the National League, today secured a controlling interest in the Baltimore American League Baseball Club.

Six of the Baltimore players were released after today's game. Four of them, Pitchers McGinnity and Cronin, First Baseman McGann and Substitute Bresnahan, left for New York early in the evening. The others, late Manager Kelly and Outfielder Seymour, are expected to leave tomorrow for Cincinnati. Great pressure was brought to bear upon Seibach and Williams to have them sign with National League teams, but they state they are under a two years' contract, and unless they are released they will remain in Baltimore.

Johnson Says Baltimore Must Play.

WASHINGTON, July 16.—Ban Johnson, president of the American League, who holds a lease on the league's Baltimore grounds, said tonight: "Unless a team is placed in the field tomorrow afternoon against the St. Louis club, ready to play the scheduled game, the stockholders will, of course, forfeit their franchise. This will forfeit the holdings in the National League. Friday I shall have a strong team in Baltimore, prepared to finish out the Baltimore schedule. Each of the seven other teams of the league will go to the front for me and send their surplus players, from which a fast team may easily be constructed."

JEFFRIES THE FAVORITE.

Prevailing Odds at San Francisco Are 2 1-2 to 1.

SAN FRANCISCO, July 16.—The ever-increasing confidence in the training camps of both Champion Jeffries and Robert Fitzsimmons, with the odds steadily favoring the former, and a sale of seats for the big battle that surpasses anything of the kind known to local pugilistic history, are the important features of the fight situation here tonight.

Under a blazing sun Jeffries sallied forth this morning and sprinted around Lake Merritt, in Oakland, afterward working in the Reliance Club gymnasium for two hours. Fitz also took a jaunt on the road, but confined himself for the most part to bag-punching and rigorous footwork.

The sale of seats is proceeding briskly, the receipts at the end of the second day showing that nearly $9000 has been taken in at Harry Corbett's place. The betting tonight shows Jeffries to be a steady favorite, the prevailing odds being 2½ to 1.

RACE ACROSS THE CHANNEL.

Lasca Wins From Meteor on Time Allowance.

DOVER, England, July 16.—Emperor William's yacht Meteor III was the first to arrive here in the race from the Island of Heligoland, Germany, for the Von Busch trophy, valued at 600 guineas, and two other prizes. The yachts started in the race Monday, and last night were becalmed in the North Sea. Meteor III passed the finish mark at 2:01 P. M.

Navahoe arrived at 5:06:18, Lasca at 4:31:20, Clara at 4:40:49, Comet at 7:14:44. Lasca was declared the winner on time allowance. The official time of Meteor was given as 1:53:14. She took 46 hours to cover 310 miles. Meteor III allows Navahoe and Clara two hours; Lasca three hours; Comet, formerly Meteor, four hours, and Susanne six hours.

Montana Champion Knocked Out.

BUTTE, Mont., July 16.—Jack Wade, champion lightweight of Montana, was knocked out tonight in the fourth round by Jack Clifford in what was scheduled to have been a 10-round contest. Up to the time Wade received a telling blow over the heart at the opening of the fourth he apparently was having the best of the fight. Wade was sent to the floor by the force of the blow, and took the count to arise. Clifford followed his lead by landing another hard right to the body, then a left to the jaw, followed by a stiff right to the jaw, which sent Wade to the floor and out.

Olympian Games Delegates in Berlin

BERLIN, July 16.—The Olympian games delegates, Judge John B. Payne, L. W. Noyes and Henry J. Furber, Jr., of Chicago, have arrived here. Their first object is to see Emperor William and stimulate his personal interest in the contests of 1904, which are to take place in Chicago. They bear letters from President Roosevelt and Secretary Hay, that will doubtless facilitate their approach to the Emperor. The United States Ambassador, Andrew D. White, will bring their arrival to the attention of the Foreign Office today.

Against Reinstating Reiff.

NEW YORK, July 16.—Through authoritative sources, it is learned that Chairman Belmont, of the New York Jockey Club, has taken a decided stand against the reinstatement of Jockey Lester Reiff by the Western Jockey Club. Reiff was ruled off the track by the English Jockey Club. On Saturday John A. Drake, of Chicago, according to report, declared his intention of presenting Savable, Reiff up, at the Futurity post. Mr. Belmont is reported to have said that under no circumstances would Reiff be permitted to sport silk on a metropolitan track.

Fined for Assaulting Umpire.

DENVER, July 16.—President Sexton, of the Western Baseball League, has fined Park Wilson, manager of the Denver club, $100 for assaulting Umpire Schweigert recently at Omaha, and notified him that if the fine be not paid by him within 10 days, or in the event of future misconduct on the ball field, he will be suspended indefinitely.

BURNING OF A NEGRO

MISSISSIPPI FIEND CREMATED BY A MOB.

Fagots Placed Around Him and the Match Applied by the Victim's Father.

CLAYTON, Miss., July 17.—At an early hour this morning William Odey, a negro, was tied to a tree and burned. Odey had outraged a young woman named Virginia Tucker. The negro was saturated with oil, and a match applied to the fagots piled around him.

Miss Tucker was out riding in the country when attacked, and was so violently pulled from the buggy by the negro that both her lower limbs were broken. She is at the point of death as a result of her injuries. The young woman's father is reported to have applied a match to the fagots piled around the negro.

Just before midnight Odey was captured by a posse, bound and brought at once to Clayton. In the meantime, news of his capture spread and in all directions mobs began to form. The negro was brought into the presence of Miss Tucker, who positively identified him, although he denied that he was guilty. Odey was taken to a convenient spot in the country, near the scene, and a bonfire built around a tree. He was told to prepare for death, and when the manner of his execution became apparent to him he begged piteously for mercy. He was bound securely and put into the flames, and in a short time only his charred body marked the place of execution.

SCORED BY A JUDGE.

Woman Acquitted of Killing Her Husband With a Potato Knife.

NEW YORK, July 16.—An extraordinary scene was witnessed in the courtroom of Recorder Goff, when a jury acquitted Mrs. Lizzie Madaus of killing her husband, an engraver, with a potato knife. The Recorder had charged the jury strongly for conviction, and few believed the defense could hope for anything better than a disagreement. Even the prisoner, who had been stoical throughout the trial, cried as the Recorder finished his charge. Mrs. Madaus' five children, including her prison-born infant, were in the court and in the near-by corridor. When the jury returned and the foreman announced the verdict, Recorder Goff said to the prisoner:

"The ancients had a law whereby, in the case of a very outrageous crime, they would sometimes permit the criminal to live, that he might suffer the shame of his crime, which they considered a severer punishment than any they could inflict, and something like this must have been in this jury's mind that they let you live and look upon the faces of your children, the children you have made orphans.

"The result of this verdict, most extraordinary as it is, even in the face of your own testimony, gives you your freedom, but you will carry with you the remembrance that you have murdered your husband and orphaned your children. You may go."

The Recorder refused to order the restoration to the mother of two children who have been placed in the care of a charitable society.

STOLEN STAMPS FOUND.

Probable Clew to Chicago Postoffice Robbery.

CHICAGO, July 16.—Five thousand stamps, believed to have been included in the $76,000 postoffice robbery here last Fall, have been found. The first clew to the disposition of the booty secured comes today as a sequel to the arrest of three members of a family for alleged forgery, following an attempt to cash a forged check on the Corn Exchange National Bank. The stamps were discovered in a bureau drawer at 125 North Clark street by two detective sergeants. When one of these men was asked by a reporter today if he thought the stamps a clew to the looting of the postoffice stamps, he replied: "I don't think so; I know it."

Three men and one woman are now being kept either in cells or under surveillance in connection with the forgery, and detectives are busy seeking facts. Those arrested are George Holmes, alias R. J. James; Mrs. Mary Holmes, nee Roltsch, who says she is the wife of George Holmes; Claude Holmes, a brother of George Holmes, and John Hogan.

Colorado Officers Give Up Pursuit of Trainrobbers.

Brown's force found their trail going down the creek from the camp, but darkness soon came on, and the dogs had already given out, so they had to guess at the trail. Brown has gone back toward Marshall Pass, as Williams found evidence that the dynamite used to blow open the safes was bought in Aspen, and the robbers may have come from there.

Finally the Turks placed the Macedonian women and children in front as a screen and stormed the position of the rebels. The latter maintained a murderous fire, and many women and children were killed by their own husbands and fathers. After dispersing the rebels the Turks massacred the population and looted and burned the houses of the inhabitants.
