Portland outplayed Tacoma in all departments yesterday, and won the third game of the series with a crippled team. Everything was easy sailing for the locals until the seventh, when Manager Vigneux had his finger split to the bone and was forced to retire at the most critical point of the game. When the Portland catcher was forced to quit the game, Tacoma had scored one run in the inning, and had three men on the bases with nobody out. It was feared that the accident would lose the game for Portland, but Van Buren was brought in from center field and placed behind the bat, while Witbeck went out to the field. The boys stood the change well and retired the side after two more runs had been added. The accident to Vigneux will probably keep the Portland catcher out of the game for a week or two. Besides this, the locals entered the contest without First Baseman Weed, who had a lame shoulder and was unable to play. Harris was put on first base and Cunningham placed in right field.

George Engle lead Portland from the slab, and for five innings not a Tiger connected with the ball for a safe hit, although a run was scored. Nagle got the first hit off the Portland twirler's delivery in the sixth, when he landed out for a two-bagger, but that was all the good it did him. In the seventh Engle loosened up somewhat, and let Tacoma get four hits and a pass. He also hit Letcher in the same inning, and forced in a run. With the exception of that one inning, he was invincible.

Drinkwater did the box stunt for the visitors, and was hit freely by the Portland batters. His numerous free tickets to the first bag also came in very handy for them. Engle received the better support, and the only man behind him who made an error was Anderson, who had his off day yesterday. Drinkwater received poor backing in the first two innings, and a run was scored in each. A passed ball let in the first and three errors the second.

When Muller and Van Buren were retired at first in the opening inning, it did not look as if Portland would be able to score that time, at least. However, Anderson received the ball in his anatomy and was aided to third when Zeigler landed against the sphere for two bases, on a long fly to center field which Murdock came near to pulling down with one hand after a long run. A passed ball by Smith let Anderson score. It was a combination of errors that let Portland get another run in the second. Deisel opened the inning by hitting to Andrews, who threw low to first, and Hutchinson was unable to hang on to the ball. A neat sacrifice by Cunningham put Deisel on second. While taking a lead off that bag, Drinkwater tried to catch him by throwing to McCarthy, but the play was too slow. While the ball was being returned to the pitcher Fisher stole up to the bag to try the trick again, but he missed the ball, which rolled on into center field, and Deisel went to third. Murdock made a wild throw over Andrews' head, and the Portland base-runner came home.

An error by Anderson and a base on balls put Fisher and Smith on the bases, with no one out in the third. Drinkwater got in a sacrifice, which pushed each along a notch further, and Fisher scored when Letcher was retired at first.

Drinkwater walked Van Buren, the first man up, in the fifth and "Rube" stole second. Van Buren landed on third when Zeigler hit to right field for a single. Zeigler started to steal second and Smith threw to McCarthy to get him. At the same time Van Buren started for home and McCarthy returned the ball, but Van Buren slid in under Smith and scored. Harris got in a hit that scored Zeigler. Cunningham and Vigneux each got hits and Harris scored.

The seventh came near to being the finish for Portland. Andrews got a hit and McCarthy drew four balls. Then a short hit to right field by Fisher filled the bags. Smith's hit to left field brought in Andrews, and the bases were still full, with no one out. Drinkwater, at the bat, knocked a foul tip which caught Vigneux on his bad finger and split it open. The little catcher tore off his mask and protector and threw them on the ground in disgust, knowing that it was of no use to try and continue in the game. Van Buren took up the work behind the bat and Drinkwater, who already had three "balls" and two "strikes," was fanned out. Letcher got his leg in the path of one of Engle's balls and was allowed his base and McCarthy was forced in. Nagle hit to Anderson and Letcher was caught at second. Fisher scored on the play.

In the eighth, Cunningham hit to Andrews and Witbeck got to first on an error by McCarthy. A rap to right field by Muller scored Cunningham. Witbeck was caught while attempting to steal home on a play to get Muller at second. The score:

A SOUTHPAWS' BATTLE.

Spokane Comes Out on Top—Hurley Put Out of the Game.

SEATTLE, Aug. 7.—In a battle between left-handers, Pfeister finished in front, though he pitched no better ball than Hickey. With two men out in the sixth, McKevitt hit down to Babbitt; Elsey ran in front of the ball, so that Babbitt missed it. It rolled to the fence for a three-base hit, scoring two runs and winning the game. McKevitt made a clean three-bagger in the second, with no one out, but Klopf hid the ball under his arm and caught him off the base. Hurley was put out of the game for disputing a decision. Schwartz is laid up with a strained leg, and Frary's finger is knocked out. Score:

DOWN THE MIGHTY WIGGS.

Butte's Sluggers Land on Him With Great Effect.

HELENA, Mont., Aug. 7.—The local team was outplayed on every point in the game today. Wiggs had an off day, and his work was of the poorest kind, while Dowling was effective throughout the game. McGilligan and Holly did all the playing for the locals, while every man on the Butte team was in the game all the time. Three of the runs made by Butte were forced in by Wiggs giving bases on balls. INLAND EMPIRE LEAGUE.

Walla Walla, 8; Pendleton, 7.

PENDLETON, Or., Aug. 7.—(Special.)—Walla Walla won the first of the series here today in a slow game, but the finish was exciting. In the last inning, with two men out, and the bases full, the score stood 8 to 7 in favor of the visitors. Schills, the slugger, came up to the bat, but before he could hit the ball Wilner, at second, forced Adams off third and the latter was caught at the home plate. This poor base-running probably lost Pendleton the game. The Walla Walla aggregation prolonged the game to two hours and 45 minutes by constantly trying to bulldoze the umpire. They were successful. The score:

	R	H	E		R	H	E
Pendleton	7	12	2	Walla Walla	8	16	6

Batteries—Hayes and Adams; Hitus and Swindells. Umpire—Ryan.

Errors Paralyzed the Scorer.

BAKER CITY, Or., Aug. 7.—The league ball game between Baker City and La Grande today resulted in an easy victory for the visitors. The home team made so many errors that the official scorer lost track of them after the fifth inning. Wood, the regular Baker City catcher, was disabled, and Lou Mahaffey took his place. Willard filled the pitcher's box for the Baker club. The errors and the weakness of the Baker battery were the cause of a most inglorious defeat. La Grande did not play well, but any kind of playing was too good for Baker City. Attendance, 200. Score:

	R	H	E		R	H	E
Baker City	0	5	14	La Grande	14	17	5

TRACEY CONFIDENT OF VICTORY.

Is Feeling Fine and Thinks He Will Defeat Reilly.

SEATTLE, Aug. 7. — (Special.) — Tom Tracey, who will fight Tommy Reilly here August 15, is comfortably situated at Pleasant Beach, where he is putting on the finishing touches for his battle. He is looking fine and feels confident that he will be able to take Reilly's measure and get the decision. Reilly is equally as confident, and is working hard to get himself in shape. Upon his arrival here Tracey was met at the depot by a large number of sports and given a warm welcome. The Portland boy is quite a favorite here, and many of the local sports are placing their money on him.

Perry Queenan and Rufe Turner will fight here August 28, and young Peter Jackson will meet the winner of the Tracey-Reilly bout the latter part of September.

A special car under the direction of Jack Grant, of the Pastime Club, is expected to come over from Portland with a carload of Portland sports to witness the contest between Tracey and Reilly.

TO PLAY THE VANCOUVERS.

Portland Will Play Match Games of Cricket.

The first Canadian-American cricket match to be seen here this season will be played on the Multnomah Club grounds August 15 and 16, between the Portlands and the Vancouvers, B. C. The latter club is one of the strongest in cricket circles on the Pacific Coast, and it is just possible the players may be able to pull a victory away from the Portlands, unless the latter put on their batting clothes. The Portlands are hard at practice this week, and will play a practice match between club members tomorrow (Saturday) afternoon at 3 o'clock, on the Multnomah Club grounds. The result of the play will determine the selection of the eleven to face the Vancouvers, and all club members are invited to try for a place on the match eleven. Everybody will get a fair show, the committee says.

It is probable that there will be another practice game some afternoon next week, the date to be announced later. There will be no admission charged at the Portland-Vancouver match.

Chess Masters' Tournament.

HANOVER, Aug. 7.—The players in the chessmasters' tournament met here in the fourteenth round this morning.

Six of the nine games were concluded at the morning session. Tschigorin and Atkins were the only players to score victories. Pillsbury drew a well-contested game with Mieses and took the lead by half a point pending the conclusion of Janowski's game with Olland, which was adjourned in an even position. Marshall could do no better than draw with Bardeleben, while the game result was achieved by Cohn and Mason, and Levin and Suechting.

In the afternoon session Janowski overcame Olland's sturdy defense and scored the point necessary to place him in the lead, ahead of Pillsbury.

Napier won a fine game from Wolf, and Gottschall drew with Swoderski.

Golf in Shinnecock Hills.

NEW YORK, Aug. 7.—Play started promptly today in the qualifying round of the annual tournament at the Shinnecock Hills Golf Club with an entry list of 50 odd players. Among the starters were ex-Champion W. J. Travis, Allan Kennedy, the New Jersey state champion; Charles H. Hitchcock, Jr., of Yale, who is the inter-collegiate champion; C. Tiffany Richardson, of Harvard; George T. Brokaw, of Princeton, and James A. Tyng, of Baltusrol. Aside from a strong wind, the weather was perfect. The following players qualified for the first eight:

Victory for Canadians.

MONTREAL, Aug. 7.—The first race in the Seawanhaka cup series on Lake St. Louis ended in a victory for the Trident, the Canadian defender. Throughout the race the defender pointed 20 degrees higher than the challenger, outsailed her in every way, and won by 14 minutes 52 seconds. The race was to windward and return, three times around a two-mile course, 12 miles altogether. There was a stiff breeze with a heavy sea.

French Olympian Games.

AIX LES BAINES, France, Aug. 7.—King George of Greece received Judge John B. Payne, L. W. Noyes and Henry J. Furber, Jr., the Olympian games delegates of Chicago, at the Hotel Splendide today. The interview lasted half an hour, and the King promised his personal support to the games, and said he would use his best efforts to arouse interest of the Greeks in the event.

National Polo Championship.

SARATOGA, N. Y., Aug. 7.—Lakewood won the National polo championship here today by defeating Bryn Mawr 5½ to 3¾. Up to the fourth period Bryn Mawr led the score, at the end of that time the score being 3¾ to 3½ in their favor.

Freeman, of Portland, Defeated.

HARTFORD, Conn., Aug. 7.—Harry Caldwell, of Hartford, defeated Howard Freeman, of Portland, Or., by a quarter of a lap in a 25-mile motor-paced race at the Velodrome track tonight. Time, 40:25 2-5.

AMERICANS WIN THE CUP

DEFEATED THE CHALLENGING ENGLISHMEN AT LAWN TENNIS.

Three Victories and One Defeat From the Visitors—Record of Two Days' Playing.

NEW YORK, Aug. 7.—The team of the American lawn tennis experts successfully defended the Dwight F. Davis international challenge cup today on the courts of the Crescent Athletic Club, Batridge. They defeated the challenging Englishmen in the four matches of singles by three victories, and suffered one defeat.

William A. Larned, the National champion, was the only player on the American team to succumb to the playing of the Englishmen. He was beaten by R. F. Doherty, who formerly held the championship of all England. Malcolm D. Whitman, the unbeaten American title holder, beat Dr. Pitt and R. F. Doherty. Larned's only victory was scored against Dr. Pitt.

Whitman and Doherty won the first match in the contest, finishing up the matches which were postponed on account of rain yesterday.

M. D. Whitman beat Dr. Joshua Pim 1-6, 6-0.

R. N. Doherty beat W. A. Larned 6-3, 6-4, 6-4.

Whitman yesterday took both sets from Dr. Pim by the scores of 6-1, 6-1.

In the two sets of yesterday in the Larned-Doherty match, Larned defeated the Englishman by the scores of 6-1 and 6-3, and today's reversal of form in this match was a surprise to the big gallery.

Whitman beat R. E. Doherty 6-1, 7-5, 6-4.

Larned beat Pim 6-3, 6-2, 6-3. This gives the cup to the Americans.

In the singles this makes three victories for the Americans and one defeat.

The petitions set up that Chandler has liabilities exceeding $600,000 and assets of not more than $75,000. Referee Eastman, in the absence of the United States Judges, appointed Henry W. Lehman receiver. Chandler maintains that he has book assets in excess of his liabilities.

UNITED STATES MODEL.

Eminent German Writes of Industrial Conditions Here.

BERLIN, Aug. 7.—M. Goldberger, a royal privy councillor of commerce, who recently visited the United States, will end a series of articles on that country in Die Woche on Sunday. This article quotes President Roosevelt in an interview with Herr Goldberger at the White House as saying:

"The economic future belongs to the United States and Germany, and the welfare of both countries lies in intelligent mutual esteem."

Herr Goldberger makes comparisons between Germany and the United States and says that one thing certain is that the sharpest competition will be made by the United States for the world's market.

"We must unconditionally admit," says the writer, "that in the art of industrial organization, in discipline co-operation, in the reduction of cost of production, in the utilization of every advantage attainable by mechanical development, without regard to cost, we find beyond the Atlantic abundant models."

The writer declares that he found the Americans marvelously, almost uncannily, informed about events and facts concerning international trade production. A practical lesson for Germany, he continues, is to give free play to economic forces; to reduce government meddling; to remove prejudices against innovations, and to introduce the best features of the American trust, eschewing capitalization promises.

In response to this editorial, Mr. Whistler has telegraphed from the Continent to the editor of the Morning Post as follows:

"Perfect bijou, a little masterpiece and quite delightful to me. The gracious thing said is glistening in the daintiness of the saying. Never has amende become by its courtliness more like knightly favor."

HEALTH IN PHILIPPINES.

How Flies Carry Infection—Sickness Among Troops.

WASHINGTON, Aug. 7.—Surgeon-General Forewood today received a report from Lieutenant-Colonel Harvy, chief surgeon of the Division of the Philippines, giving a detailed account of the health of the troops in those islands for the month ended June 15 last. The report shows a considerable increase in percentage of sick as compared with the previous month. In the South Philippines sickness has increased in quarters, station hospital and department hospital, but the report says the reason for this cannot be indicated at this time.

Cholera has attacked two officers and 63 Americans and one native soldier. Most of these cases occurred at Laguna and Batangas. The cause in the majority of instances has been the drinking of infected water, and a few cases were due to food contaminated either by handling or by flies. Outside of Manila a total of 5967 cases have been reported, with 4290 deaths. In the city there have been 1350 cases with 1100 deaths.

The report says the people in the small towns are very ignorant. They consider cholera a visitation of Providence, and cannot be induced to take proper precautionary measures.

During the month covered by the report the total sick was 2265, being 7 per cent of the command present—31,050—and during the same period there were 79 deaths, including 37 from cholera and one killed in action.

The charges included murder, manslaughter, assaults and attempted rape. Most of the charges, however, were for trivial offenses, and were based upon complaints made by native Filipinos.

PIUS FUND CLAIMS.

WASHINGTON, Aug. 7.—All the preliminaries have been arranged at the State Department for the submission to arbitration at The Hague of the Pius fund claims case. The arbitrators for the United States are Sir Edward Fry, of England, formerly Chief Justice of the Court of Appeals of England, and F. DeMaartens, of Russia, the well-known authority on international law. Mexico has selected as her arbitrators Pagano Guinas, of Chile, a Judge of the Court of Cassation of Italy, and Savornin Lohman, a Judge of the highest court in Holland. These four men will select an umpire to act in case of a tie. The arbitration tribunal will meet at The Hague on September 1.

The American party will consist of Judge William L. Penfield, solicitor of the State Department, who will act as the counsel for the United States; Jackson H. Ralston, agent for the United States; Walter S. Penfield, and Henry V. Armes, assistant counsel for the United States; Miss Margaret M. Hanna, private secretary to Assistant Secretary Adee, translator of Spanish, and Miss L. N. Larkins, stenographer. W. S. Penfield will act as disbursing officer of the delegation. He and Mr. Armes will sail from New York next Saturday to arrange for the accommodation at The Hague of the remainder of the party, who will leave New York on the 10th instant.
