Portland Turns Tables on Seattle by 3 to 1.

PLAYERS WORK LIKE FIENDS

One Earned Run Is All the Visitors Can Make—Ziegler Catches the Crowd With Clever Base-Running.

Table with columns: Northwest League, Yesterday's Games, Standing of the Clubs. Lists scores for various teams and their overall records.

It was the Portland players' turn to win yesterday, and they put up pennant-winning ball to do it. From the very start they batted and fielded like fiends, and everything that the Seattle team could do could not keep them from winning, 3 to 1.

It was a good game, as the error column shows, even though the batting was a trifle heavy. Everybody in the crowd, from the small boy that sat on the fence and blew the bugle to the most enthusiastic fan on the front row in the grandstand, yelled and howled when Ziegler did some particularly fast base-running, or when Andy Anderson did a clever piece of catching.

The Portland team played well together and did all they could to assist each other to win the game, and nothing looks better to the sports fans than the kind of ball. From the time that the first ball was thrown over the plate Seattle was on the defensive. Their only score was made in the sixth, an earned run by the hits of Klopff, Drennan, Dalrymple and Campbell, the first named gentleman making the tally.

Portland won in the first, and for seven long innings a big 2 was the only score on the scoreboard. Muller hit, and Van Buren made first on an error of Hickey, Muller going on to second. Ziegler made another nice hit, and Muller went on to third, but he went out at a moment when Weed knocked a fly in his direction. A run by Muller would have looked good on the board. It was not until after Anderson knocked a liner over second that Ziegler and Van Buren came home and made the tallies that won the game.

Weed was left on second, and Andy on first, and it seemed as if something would be done besides the first two, but Murdoch fanned and Delzel flew out to Hurley and ended the chances that act. When the lull in the scoreboard reached down in the little box and the bases were splendid figure 2 the little boy yelled and Edgar Courson rubbed his head in a way that bespoke "That looks nice to me."

With the exception of Anderson's great try for Drennan's fly in the third, and Ziegler's beautiful double, unassisted, in the fourth, there was nothing doing till the sixth, when it looked as though Seattle might get a couple more than the one she had. Klopff made his earned run with only Drennan's hit, Dalrymple and Campbell on first. Seattle took three hits with this score, but felt sick again when Stanley forced Campbell out. Dalrymple saw that it was up to him to tie the score, and he tried to steal home. The ball went to Sammy's mitt, and Dalry started back to third. Sammy followed along behind, and got half way when he tossed the ball to Ziegler. Dalry stretched out, but little Ziegler was no slouch on his feet, and though the Seattle man had a good lead, he was tagged out before he could get over the plate and make his run. Ziegler did some of the fastest sprinting ever seen on the local diamond, and earned the generous applause that followed his little stunt.

In the eighth Ziegler indulged in some more of his fleet footwork and straddled a ball to home, making the third score for Portland. Sammy Vigneux is out of the game for a few days on account of blood-poisoning that has developed in his right hand, where he was scratched by a spoke while in Montana. The disease had not reached a bad stage, however, and the only bad result is his enforced absence from his position behind the bat. Shea, who has shown up well, with the exception of a few occasions, will do the catching until Sawyer gets the use of his hand again.

The winning of the ladies' doubles yesterday at the tennis tournament by Miss Strong and Miss Robertson was the feature of the day. Both of these young players have shown unusual ability during the tournament, and had fair to good among the crack players next year. Miss Strong's double back-action underhanded twist in the last set was one of the neatest plays ever seen on the local courts.

EVERETT RACES CONTINUE

Race With Martha Whips. EVERETT, Wash., Sept. 12.—Today the record for a mile on Snohomish County track was reduced from 2:14 to 2:12 by Democracy in a great race with Martha Whips. Democracy took two straight heats in 2:14, 2:12. Martha Whips held the pole at the lead, and paced half a length ahead for the first half mile, when Democracy spurred and steadily forged ahead, winning by a full half length. The second heat was a walk-a-way for Democracy.

In the second race, a 2 1/2 pace for mile heats, three beat in five, Leroy won, with Francisco second, Starkey third, Marjoria fourth. Pathmark went off his feet in the final in the fourth annual championship by a day of the hardest golf the young men have ever put in. Chanler Egan, in the third round, while never down to his rival, Stuart Stickney, of St. Louis, just managed to win, one up, by a long put on the last green. His relative was lucky in pulling out of the fire his match with S. O. Dugger in the morning by one up in 12 holes. Chanler Egan in the semi-finals set the hottest pace of the championship in winning from Warren Dickinson, the Iowa cham-

pin, eight up and seven to play, going out in 38. That Walter Egan, with his record of two close matches, was extremely fortunate in disposing of his club mate, N. F. Monroe, in the semi-finals, was apparent to the critics who watched the sensational contest. This also was won by one up and on the home green.

Russell Knocks Out Hank Griffin. LOS ANGELES, Cal., Sept. 12.—Big Fred Russell knocked out Hank Griffin, late of Bob Fitzsimmons' camp, in the 14th round tonight. The fight was a good one, and kept the big crowd of 4000 persons interested from start to finish. Russell was the aggressor from beginning to end, and Hank failed to display any of the new tricks he is alleged to have imbibed in the Fitzsimmons company.

The fight was a good one, and kept the big crowd of 4000 persons interested from start to finish. Russell was the aggressor from beginning to end, and Hank failed to display any of the new tricks he is alleged to have imbibed in the Fitzsimmons company.

EVERETT DOES MILE IN 2:12 IN RACE WITH MARTHA WHIPS. EVERETT, Wash., Sept. 12.—Today the record for a mile on Snohomish County track was reduced from 2:14 to 2:12 by Democracy in a great race with Martha Whips. Democracy took two straight heats in 2:14, 2:12. Martha Whips held the pole at the lead, and paced half a length ahead for the first half mile, when Democracy spurred and steadily forged ahead, winning by a full half length. The second heat was a walk-a-way for Democracy.

In the second race, a 2 1/2 pace for mile heats, three beat in five, Leroy won, with Francisco second, Starkey third, Marjoria fourth. Pathmark went off his feet in the final in the fourth annual championship by a day of the hardest golf the young men have ever put in. Chanler Egan, in the third round, while never down to his rival, Stuart Stickney, of St. Louis, just managed to win, one up, by a long put on the last green. His relative was lucky in pulling out of the fire his match with S. O. Dugger in the morning by one up in 12 holes. Chanler Egan in the semi-finals set the hottest pace of the championship in winning from Warren Dickinson, the Iowa cham-

pin, eight up and seven to play, going out in 38. That Walter Egan, with his record of two close matches, was extremely fortunate in disposing of his club mate, N. F. Monroe, in the semi-finals, was apparent to the critics who watched the sensational contest. This also was won by one up and on the home green.
