OREGON CITY, Oct. 23.-(Special.)-The frontispiece of Mrs. Eva Emery Dye's new book on the Lewis and Clark expedition, "The Conquest," will be a pic ture of Judith Hancock Clark, for whom Clark named the Judith River, in Mon-Judith Hancock was famous as one of the beauties of her time, and was married to Clark immediately after his return from his Western expedition. The wedding took place at the Hancock home, in Fincastle, Va., in January, 1808. Judith Eancock was a friend of Dolly Madison and the daughters of Thomas Jefferson. After her marriage to Clark they went to St. Louis, and she was the first American bride to come there. Their entrance into St. Louis created a furore, and great crowds gathered about their carriage to see the face of the bride Clark's courtebly of Judith Hancock forms one of the interesting episodes of "The Conquest." This portrait was painted by Chester Harding, who at the same time painted the portrait of Daniel Boone. 

years of age, and is a very dangerous man to be at farge. He has borhicidal tendencies, and threatened to kill his

The smallpox scare at Clackamas has proven to be nothing more than chicken-pox. The school was closed yesterday, but will reopen in a day or two.

A train wreck was narrowly averted last night on the Southern Pacific tracks, just this side of Canemah. As the northbound freight pulled in with several cars loaded with heavy timbers, some of the loaded with heavy timbers, some of the supports gave way and a lot of the timbers broke loose and crashed into the river basin below. About 100 feet of board walk and some fence at Canemah was de

over the cessation of the rainfall this morning. At present there is no imme-diate indication of rain, and it is feared that the river will not rise in consequence. A number of men are employment on account of the closing of some of the manufactories.

Baker City would soon become one of the chief agricultural sections of the state. In the evening the visitors met infor-mally a number of the leading business men of the city at the Chamber of Commerce clubrooms. The conversation, of course, was in the main on the subject of good roads. They explained many of the advantages good roads secured to a community. Their arguments were so community. Their arguments were so convincing that they created a strong sentiment in favor of the construction of good roads in this county. The members of the Legislature from this county will be urged to favor some radical changes in the present road law, among which will be the abolition of the privilege of working out poll tax and the substitution of a direct road tax law. The members of the Legislature will also be asked to favor the changing of the office of County Surveyor to that of County Engineer, who will have general supervision of all roads and bridges under the direction of the County Court.

less than 50x100 feet, and three stories high. Besides the lodgeroom, there will be a banquet and dance hall and convenient clubrooms for the accommodation of members of the order. The ground floor will be leased, for business purposes.

### BESTS A HIGHWAYMAN.

### Chester Jones, of Lorane, flas an Exciting Experience.

EUGENE, Oct. 22.-(Special.)-A story comes from Lorane of an exciting experience which Chester Jones, of Lorane, had last Sunday with a highwayman. According to the story as related by Jones he was on his way home from Anlaut afoot, and was assaulted in the road by a tough with the purpose of obtaining considerable sum of money which Jon considerable sum of money which Jones, had on his person. A fight ensued, in which Jones came out first best, and the highwayman novitiate made his escape in the brush along the road.

Jones says he was in Junction City last Friday and had a considerable sum of money on his person, which was seen by a tough-looking man, whem he did n know. A short time thereafter th stranger approached Jones and engaged him in conversation, and wanted him to go and drink with him. His attentions did not cease when his invitation was de clined, and after a while wanted to inter-est his intended victim in some mining properties which he pretended to own Jones did not take up with any of his propositions, but during the course of the conversation the stranger learned that Jones was from Lorane, and that he in-tended returning home by way of Comstock, whence he would walk to his home which was several miles over a mountain rond

Jones took the train for Comstock Sat urday afternoon, and soon after leaving Junction City noticed the stranger on the train, who, on being questioned, stated that he was going to Cottage Grove. Jones' suspicions were aroused, and he stopped off at Anlauf, instead of going to On Sunday he started home Comstock. walking alone over the mountain road. At a lonely place in the road he says a man whom he recognized as the same one he had met in Junction jumped from behind cover along the road and, covering him with a pistol, ordered him to throw his hands. Instead of complying es grappled with his assailant, grasp

### Astoria Brevities.

ASTORIA, Oct. 21.-(Special.)-The run of fish in the river does not appear to have been increased by the recent rains, as anticipated, and the catch is still light. The price of 21/2 cents per pound for fules and silversides, which has been ruling for some time, has been increased to 2% cents, with a prospect of it going to 2 cents. Very few, if any, steelheads, are now being caucht.

James Flynn, who was seriously injured some time ago by being struck by engine while walking on the rallway trestle, has sufficiently recovered to be able to leave the Lospital, and will return to his home in Portland tomorrow.

The two sawmills that are now being erected in this city will be as finely equipped plants as any on the Pacifi Coast, and one of them, that of G. W Hume, will be as large as any in the state; in fact, it is to be a duplicate of the big North Pacific mill in Portland. building to be crected will not be The building is 279x54 feet, and the equipment includes a 22x28 upright engine, six 65x16 bollers, with room for two others; one nine-foot Allis band saw, one carn-foot Allis band saw on the pony side, a Simonron log-turner, and a Fortiand from Works gang edger. The capacity of the mill will be 150,000 feet in ten hours. The one nine-foot Allis hand saw, one cight-Clatsop Mill Company's new plant, while of hot quite so great capacity, has equally as fine machihery.

Hughes Reprimands Huston.

SAN FRANCISCO, Oct. 22.-Lieutenantolonel Joseph F. Huston, Ninetcenth In fantry, who was tried here two weeks ago by a general court-martial for negligence in not quelling the riot of the sol diers on the night of September 15, re-ceived today a reprimand from Major-General R. P. Hughes, this reprimand being the sole sentence imposed the court.

The Nile is the only river in the world than flows for 1500 miles without a tributary.

little for maintenance. The total amount expended to put the system in full work-ing order will be about \$75,000, but a smaller amount will probably suffice for immediate purposes. It is intended to have the plant ready for operation by the coming Spring, and from now on work will be pushed rapidly forward. the brothers

An attempt was made by outside cap ital to secure control of this valuable property, but, to the satisfaction of the people of La Grande, the attempt was not successful, and local interests wil

### remain in control. Beet-Sugar Factory in Operation.

Everything is moving rapidly at the Amalgamated Sugar Company's factory. About 9000 tons of beets have been re-ceived up to date, of which 7000 tons have been ground up. The percentage of sugar saved is about 13 to 14 per cent-a very high average. A new beet-shed has just been erected to accommodate the increase in delivery of beets, and will soon be filled with the loads which are pouring in from all parts of the valley.

### REPORT OF DENTAL BOARD.

### Shows 286 Legal Practitioners in Washington.

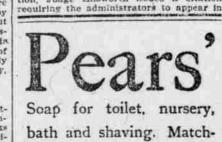

OLYMPIA, Oct. 23.-(Special.)-The Gov-ernor's office today received the 15th an-nual report of the State Board of Dental Examiners for the year ending October 15,

The report shows that there are 286 legal practitioners of dentistry in this state. Two semi-annual examinations of applicants for certificates were held, both in Tacoma. In the November examination, 1901, there were 23 applicants, all of whom passed. In May, 1902, 37 applicants took the examination, of whom 34 were successful. The financial report of the board shows that \$1409 in fees were collected during the year, and that the disbursements were \$1080 55, "There was a balance left over from last year of \$548 30, added to the balance of this year, gives a total on hand of \$867 75.

## SLOW ADMINISTRATORS.

### Woman Has Waited Ten Years for Daughter's Estate

OAKLAND, Cal., Oct. 23 .- After having waited in vain for ten years to obtain possession of diamonds and jewelry val-ued at \$20,000 that were bequeathed to her by her late daughter, Jennie Elizabeth Phillips, better knows as Kate Castleton, the famous vocalist and actress, Mrs. Eliza Freeman, of this city, has instituted proceedings to have the admin-istrators of her daughter's estate removed. The administrators are Joseph H. Hoadley, of 222 West Twenty-third street, New York, and Arthur H. Hoadley, of Providence, R. I. Upon Mrs. Freeman's peti-Judge Elisworth issued a citation tion,

### FIRE IN OREGON'S COALBUNKERS. Battle-Ship to Be Delayed Some Time

at San Francisco. SAN FRANCISCO, Oct. 23.-The Bulle-tin today says that a fire has been burning in the coalbunkers of the battle-ship Oregon for three days. A board of survey has been summoned to examine the vessel, and it will be some time before she will be able to depart for Manila.

Repairs will have to be made and a new

supply of coal put on board before the battle-ship can sall.

New Oregon Postmasters.

OREGONIAN NEWS BUREAU, Wash-

ington, Oct. 21.-Oregon Postmasters have been appointed as follows: A. E. Love-

ince, Elkead, vice William Bainbridge, resigned; Bradley Troxel, Glen, vice Sim-

Milling Activity at Elma.

Deming shingle mill started up today after a vacation of 30 days, owing to the
