NEW TIME FOR RACE

Cresceus Trots Two Miles in 4:17 Flat.

ELEVEN SECONDS OFF RECORD

Last Mile Is Faster Than the First—Prince Alert Chips Three-Quarters of a Second Off Pacing Record for Geldings.

MEMPHIS, Tenn., Oct. 31.—Cresceus this afternoon was sent against the world's two-mile trotting record of 4:28¾, held by Onward Silver, and without apparent effort completed the circuit twice without a break in 4:17 flat, chipping 11¼ seconds off the former record. Both the horse and Mr. Ketcham, who drove him, received an ovation from the large crowd present.

Cresceus appeared shortly after 3 o'clock, and after scoring twice Ketcham nodded for the word. Accompanied by a runner, Cresceus went to the quarter in 0:33. At the half the timers hung out 1:05¼; while the three-quarters pole was passed in 1:39. Straightening out for the wire, Ketcham sent Cresceus along at a lively slip, the mile being reeled off in 2:10½. At the mile and a quarter Cresceus seemed to increase his speed. The pole was passed in 2:41¾, and the mile and a half in 3:13. The last three-quarter pole was passed in 3:45, and the two miles was covered in 4:17. Cresceus trotted the last mile faster than the first.

Another brilliant performance was that of Prince Alert, who went against the pacing record for geldings of 2:00¾. Driven by Demarest, the horse moved away like clockwork, reaching the quarter in 0:29¾, the half in 0:59, the three-quarters in 1:29½, and beating the former record by three-quarters of a second, the time for the mile being 2:00 flat.

Cresceus will be shipped to Atlanta in a few days, where he has engagements. Today's races closed the meeting. Summary:

Trot, half-mile heats, to wagon, amateur drivers—Invader won two straight heats in 1:04¾, 1:03½. Battleton and Dr. Book also started.

Cresceus to beat world's two-mile trotting record of 4:28¾ (Ketcham); time, 0:33, 1:06½, 1:39, 2:10½, 2:41¾, 3:13, 3:45, 4:17.

WINS, YET LOSES THE RACE.

Plater and All Other Entries by Aste Barred at Aqueduct.

NEW YORK, Oct. 31.—After Plater, an added starter, and quoted at six to one in the betting, had won the Lynnbrook handicap for 2-year-olds, at Aqueduct, President Reilly ordered that all entries from the stable of A. L. Aste be refused. This action was taken on Plater's race of Wednesday, when he was the favorite and finished away back in the ruck. Today he had plenty of speed, and, getting off in front, made all the running, and won easily. A. L. Aste, when seen after the races, said he was not able to account for the horse's reversal of form. LIPTON DENIES UNFAIR ACTION.

Work Not Commenced on Shamrock Until Challenge Was Received.

LONDON, Oct. 31.—Sir Thomas Lipton read with keen interest the Associated Press announcement of the steps taken to build a new defender for the America's cup, and immediately telegraphed its gist to William Fife, the yacht designer. When Sir Thomas went over the names of those composing the American syndicate, he said:

"Well, that is certainly formidable, and it looks like business."

He added, jokingly:

"The first thing I do today will be to see how my balance stands at the bank."

Regarding the reports that work on the new Shamrock was commenced before the challenge was sent, Sir Thomas said:

"I wish to say most emphatically that not a stroke of work was done until the challenge was received in New York. The designs, of course, had been previously drawn up, but the builders only received the order for the yacht's construction the day the New York Yacht Club was notified of my intention to try again. Any other course would have been an attempt to take an unfair advantage. I am not in the habit of doing that."

Messrs. Fife and Watson are both likely to go to New York with the challenger.

LEGAL STEPS AGAINST FIGHT.

Young Corbett and Rice Notified the Law Must Not Be Broken.

WATERBURY, Conn., Oct. 31.—In response to complaints from clergymen and other citizens regarding the proposed match between Young Corbett and Austin Rice, on November 6, John P. Kellogg, Assistant State Attorney, today sent a letter to the manager of the match warning him that any violation of the law against prize-fighting will be immediately met with the arrest and punishment of any one concerned.

Columbia Wrests Honor From Yale.

NEW YORK, Oct. 31.—Columbia and Yale have settled their differences in the swimming tank at the Knickerbocker Athletic Clubhouse, and the boys from the former carried off the honors. They won two of the three events. A. R. Champ, of Columbia, won the 200-foot handicap, in which there were 36 starters. J. W. Spencer, of Columbia, won easily the final of the 200-yard handicap. The 200-foot novice race was won by D. H. Hill, of Yale, with H. F. Damon, also of Yale, second. No records were broken.

Ryan Gets Decision Over Broad.

CHICAGO, Oct. 31.—Buddy Ryan, of Chicago, won the decision over Kid Broad, of Cleveland, in a six-round contest here tonight. Ryan won on points alone, and had a slight shade the better of the fighting.

Johnson Gets Decision Over Gardner

SAN FRANCISCO, Oct. 31.—Jack Johnson (colored) was given the decision over George Gardner at the end of the 20th round tonight.

MILES LANDS AT MANILA.

Salute in His Honor Is Fired From Fort Santiago.

MANILA, Oct. 31.—General Miles, who reached here today on the United States transport Thomas from San Francisco, disembarked at 10 o'clock this morning. A salute in his honor was fired from Fort Santiago. General Davis and a squadron of cavalry met General Miles at the landing place in Manila and escorted him to the palace, where Governor Taft and the other members of the civil commission awaited the visitor. General Miles has accepted General Taft's invitation to live at the palace while here.

The garrison in Manila will be reviewed by General Miles tomorrow. The General will then proceed to Dagupan, where he will visit Colonel Charles L. Davis, of the Fifth Infantry, General Miles' old regiment. He will return to Manila Sunday. The General's plan for a tour of the archipelago has not yet been completed.

MORE TIME TO THE MOROS.

Sumner Is Disposed to Favor Insurgents in Peace Steps.

MANILA, Oct. 31.—A telegram has been received here from General Sumner, at Zamboanga, Mindanao, saying he is disposed to give the Bacolod Moros more time in which to make peace before capturing and destroying their strongholds. Captain Pershing reports to General Sumner that many additional Moro leaders have come in and pledged friendship and support to the Americans. The visits have been returned by the Americans, who were cordially received by the Moros. Captain Pershing is urging the Moros to return to their abandoned fields and plant crops.

The situation at Lake Lanao, Mindanao, now appears to be more satisfactory. Twenty members of the native constabulary of the Island of Negros defeated 70 ladrones near Turica, Negros, yesterday. The ladrones were intrenched, and it took one hour's fierce fighting to dislodge them. Six of the bandits were killed and several others wounded. Their leader, Dalmacio, was wounded and captured. Two guides in the employ of the constabulary were killed.

Bequest to Rathbone Home.

NEW YORK, Oct. 31.—A second large bequest made in less than a year to the Rathbone Memorial Home for Aged and Infirm Persons at Evansville, Ind., has been disclosed through the filing for probate in the Surrogate's Office of the will of Mrs. Kate Rathbone, widow of George Rathbone, who died on October 3, at Clifton Springs. It is expected the home will receive $50,000 from the estate. Mrs. Rathbone was a sister-in-law of Miss Caroline S. Rathbone, who died at Clifton Springs in December last, leaving $75,000 to the home.

TEAMS GO UP THE VALLEY

PORTLAND ACADEMY WILL MEET ALBANY COLLEGE.

Medical College Eleven Will Meet the University of Oregon Players at Eugene.

The Portland Academy team will leave for Albany this morning at 8:30, there being about 16 men in the squad. The players will arrive at Albany about noon, and the game with Albany College will come off this afternoon at about 3 o'clock.

Last year the Albany College team came to Portland, and as it was the champion of the Collegiate League of Oregon, it had a victory all planned out. The line could not stand the heavy tackle formations that were introduced at the academy by Coach Dolph, and though the players were at an advantage in regard to weight, they could not win. The academy team played like clockwork, and the game was one of the most scientific ever seen on a Portland field. The Albany boys were finally defeated by a score of 12 to 0.

This year the Albany team, under the charge of Coach Fred Edwards, University of Oregon, 1901, is stronger than ever before, and succeeded in holding the strong team from the State University to a 0-to-0 score. The academy eleven will meet the strongest team on their schedule when they line up against Albany, and the boys will put up all the football that is in them to win.

The men who will go up the Valley today will be: Charleson, center; A. B. Scott and Seeley, guards; Von Etlinger and Koerner, tackles; Sutherland and Whittlesey, ends; J. D. Scott, quarter; Wood and Fenton, halves; Captain Chalmers, full; Substitutes Smith, Brooks and Lathrop, Manager C. B. Harding, Coach Blanchard and a few rooters. The men will return to Portland Sunday morning on the Albany local.

The Medics will go to Eugene this morning to play the University of Oregon team on the Eugene gridiron. The game will be one of unusual interest, as it will be the first time the two branches of the same institution have met on the field of honor.

Among the men that the Medics will line up against the collegians will be Ralph S. Fisher, captain of the 1901 Stanford eleven. This will be the first time that Fisher has played with the Medics, and his presence will give great strength to the team. Fred Zeigler, ex-captain of the University of Oregon team, will be in the Medics' lineup, and he will show his former team mates that he has not lost all the art of football-playing, even if he has left college. L. G. Bradley, who was considered a strong, heady player while at Eugene, will go in on the line of the Medics, and he will prove a genuine surprise to the varsity bunch. He is a very heavy man, and plays football every minute of the game. Captain Templeton will play at the usual position at full, and he will also make some of his old team mates at Eugene take a hump to stop him when he goes through the line. The line-up today will be:

Center, Greaves; right guard, Buckell; left guard, Newsom; right tackle, Hayes; left tackle, Hall; right end, Zeigler; left end, Killingsworth; quarter, Bradley; left half, Fisher; right half, Bruce; fullback, Captain Templeton.

TEAM LEAVES ON TRIP.

University of Washington Men Seek Laurels East of the Mountains.

UNIVERSITY OF WASHINGTON, Seattle, Oct. 31.—(Special.)—The University of Washington football team left for its annual games east of the mountains this morning. The aggregation is the strongest and fastest eleven that the college has ever sent to compete with her rivals in the Northwest, and the Washingtonians expect a successful and winning trip.

Saturday the team will witness the game between the Washington Agricultural College and Whitman College, at Pullman. Monday the Varsity will meet the University of Idaho men on the Moscow gridiron, and on the following Saturday plays its second and last game with the Whitman College. The team has a number of old defeats to wipe out, and hopes to establish as unrivaled a position at these places in football as the university now holds in track athletics.

The line-up of the team will be practically the same as in the game against the Oregon Agricultural College. Captain McElmon will not be able to play in the first game, on account of an injury received some time ago, but it is hoped that he will be in condition for the Whitman game. Spidell will be acting captain. The line, as was shown in last Saturday's game, is Washington's weakest place in the team. However, as a number of the men were entirely new at the game, and entered on the gridiron for the first time in the Oregon contest, it is thought that this part of the eleven may make a better showing in the coming games.

The practice during the last week has been hard and fast. A good second team has been developed, and the Varsity has been given strong opposition at each night's practice. The men are all in excellent condition, with the exception of a few bruises received in the last game.

The line-up of the team will be as follows:

Center	Scherer
Right guard	Millican
Left guard	Zebarth
Right tackle	Lantz-Sigrist
Left tackle	Ewing
Right end	Tibbals
Left end	Hill
Quarterback	Spidell-McElmon
Right halfback	Wells
Left halfback	Strauss
Fullback	Wilt-Ortler

ACADEMIC GAME CALLED OFF.

Hill Military Academy and Portland High School in a Squabble.

Trouble in the local interscholastic football world is not yet over. The game that was to have been played between the elevens from the Portland High School and the Hill Military Academy was called off yesterday afternoon, and the High School students say that it is simply another case of cold feet cropping out. The Hill players do not want to play on Multnomah Field, and think that they should hold out in their rights to play the first game on the home grounds. The game was looked forward to as being one wherein much good playing would be developed, but evidently all negotiations are off, as far as playing in the immediate future is concerned.

CHEMAWAS TO PLAY TODAY.

Red Men Will Meet the Football Players of Multnomah Club.

Red men and white will meet on Multnomah Field this afternoon to settle the football championship. The Multnomah team will have practically the same lineup as that played in the game with Whitman College last week, with possibly a few changes here and there. The Chemawa team will put up good ball, and will give the clubmen a run for their money.

The Multnomah team will line-up as follows: Kellar, center; Krennick, right guard; Pratt, right tackle; Dowling, right end; Wilcox, left guard; Kirkley, captain, left tackle; Titcomb or Crosby, left end; Stott, quarter; Bishop, right half; Kerrigan, left half, and Cooke, fullback. The officials have not yet been selected.

Preparing for Big Game.

McMINNVILLE, Oct. 31.—(Special.)—The football team of McMinnville College has suspended practice for Saturday's game, in order to give all the players a good rest. The men are hopeful of winning.

Willamette Will Play McMinnville.

SALEM, Oct. 31.—(Special.)—Willamette University will play football with McMinnville College at McMinnville tomorrow afternoon.

Eugene High School Wins, 52-0.

EUGENE, Oct. 31.—The football eleven of the Drain Normal School was defeated here today by the Eugene High School team, by a score of 52 to 0.

BICYCLIST MAKES RECORD.

Contenet Rides Forty Miles in One Hour in Paris.

NEW YORK, Oct. 31.—Contenet, the bicyclist, has ridden 48 miles 635 yards in one hour at the Velodromo Buffalo, says a Paris dispatch to the Herald. He continued up to 100 kilometers, which he covered in one hour and 17 minutes. The track surface is of wood, built in the American style, and measures five laps to the mile.

Contenet's new mark for the hour is the most remarkable performance in the history of middle-distance cycling. It is only within two years that 40 miles in an hour has been reached. By gradual stages the record was brought up to 43 miles, and finally Linton placed it at 44 miles 1539 yards on the Parc des Princes track, Paris, on May 11, 1902, in a race when he defeated Robl and Elkes.

$500,000 FOR '04 FAIR.

Germany Decides to Appropriate This Amount to Exhibit.

BERLIN, Oct. 31.—The German Government has decided after a long delay to make an adequate representation at St. Louis. Home Secretary Posadowsky, within whose jurisdiction the business comes, has shown recently a strong official and personal interest in the fair. The cabinet at his request has inserted, it is understood, an item of $500,000 in the budget to defray the expenses of the German official exhibits at the fair. The Government quite expects the Agrarians to object to the appropriation, and as it will have to deal with a hostile majority, said $500,000 seemed the utmost desirable amount, and even this sum may be diminished in the final revision of the budget before it is submitted to the Reichstag at the end of November or the beginning of December. This Reichstag's appropriation can be supplemented next year.

BAN ON SOFT COAL.

Mayor Low Orders Its Use Stopped in New York After November 15.

NEW YORK, Oct. 31.—Mayor Low has issued an order calling upon the Board of Health to enforce, after November 15, the ordinance forbidding the use of soft coal in this city. He also issued a proclamation saying that in view of the increase in the supply of hard coal and the fall in price there is no reason why the ordinance shall not be enforced again. For domestic sizes of anthracite the price of $7 50 a ton is still maintained by the retailers.

As to Wet Feet

Probably there is no caution given by a doctor to his patients which is so important or so constantly repeated as the command to a girl not to get her feet wet.

A long train of ills follows upon wet feet, and the health of many a woman has been undermined by neglect of this.

With women wet feet are not the result of storms—for then rubbers are worn. They are the result of unexpected showers when no rubbers are at hand. The best protection is a pair of "Queen Quality" water-proof shoes—light in weight, water-tight as shoes can be made, with absolutely damp-proof sole. They are a sure safeguard against danger of wet pavements.

See these shoes for yourself and you will certainly buy a pair. We have them at all times in all sizes and widths.
