He Carries New York by About 11,000.

COLER MAKES A GREAT RUN

Country Saves the Day for Republican Governor, as the City Goes Strongly Democratic for All Tammany Candidates.

(Continued from First Page.)

William E. Keener, Alfred Steckler and Ernest Hall, who were appointed to the Supreme Court by Governor Odell to fill vacancies. Keener and Steckler were nominated by both the Republicans and the Greater New York Democracy. The Greater New York Democracy placed John Dewitt Warner in nomination for the office against Mr. Hall and the Tammany candidates. The vote count showed a remarkable change of feeling from last year, when Mayor Low carried New York County by 5,000. The reversal of the vote in the County is the only one of the kind. Last year Low carried the county by more than 24,000, while the official returns tonight gave Coler 25,246 plurality, and indicate that William F. Meloy, Dem., for Sheriff, has won from Adolph L. Kline, Rep., by about the same figure. Queens Borough, the only one of the five boroughs in the greater city that was carried by Shepley, Democratic nominee for Mayor last year, gave an estimated plurality for Coler of 5,500. This was about 15,000 more than had been estimated by the party leaders.

IN NEW YORK STATE

Republicans Lose Two Members of Congress—Hearst Is Elected.

NEW YORK, Nov. 4.—Figures from the Congressional districts in the state give the delegation as 20 Republicans to 17 Democrats. The present state representation is 22 Republicans to 12 Democrats. All returns indicate that Judge Gray, Democratic candidate for Speaker of the Court of Appeals, ran somewhat ahead of his ticket. The Democrats made gains in the State Legislature, but the gains were not sufficient to endanger the Republican hold on the seat in the State Senate. Van Sant again elected Governor by increased vote. ST. PAUL, Nov. 4.—At 10:20 tonight Chairman Jamison, of the Republican state committee, said: Returns so far received, while somewhat meager, indicate that Van Sant will have a plurality of 32,000 for Governor.

Substantial gains have been made along the line. Chairman Buck, of the Democratic state committee, said: Returns are very meager, but so far as received are not flattering to Hearst's success. Seventeen precincts in St. Paul and Ramsey County give Van Sant, Rep., for Governor, 1,001; Rosing, Dem., 1,520. The same precincts in two years ago gave Van Sant 1,589; Lind, Dem., 1,024. Nine precincts in four counties in four different Congressional districts give Van Sant 607; Rosing, 383.

ILLINOIS. Republican Plurality About 45,000—Gains Three Congressmen. CHICAGO, Nov. 4.—The Republicans have carried Illinois by a plurality of about 45,000. The Republican leaders claim that they have elected Busse for State Treasurer by 4,000, and Hammer for Clerk of the Supreme Court by 4,000. The Republicans will have at least 14 Congressmen, as against 11 in the last Congress. The Democrats are sure of nine Congressmen, and may secure two more. The contest in the Sixth Congressional District is close, and it may require the official count to determine the result. The indications are now that the Republicans have elected their entire Cook County ticket, with the exception of Barrett, for Sheriff.

MICHIGAN. Governor Bliss and Entire Republican State Ticket Elected. DETROIT, Nov. 4.—The Republicans of Michigan have elected Governor A. T. Bliss and their entire state ticket, 11 of the 12 Congressmen, and an overwhelming majority of the members of the Legislature. The vote was tight throughout the state, and the Republican majority is estimated to be 20,000 and 40,000. Fifty-four of the 127 precincts in this city give Mayor Maybury, Democrat, a plurality of 23 per cent over Dr. Carstens, Republican.

MISSOURI. Democratic Plurality Will Not Fall Short of 20,000. ST. LOUIS, Nov. 4.—Indications are that the Democratic plurality on the state ticket will hardly fall short of 20,000, and may be much greater. Both branches of the Legislature are expected to be in Democratic hands. The Democratic majority to insure the election of a Democrat to succeed United States Senator Vest.

NEW HAMPSHIRE. The Republican Plurality Will Be About 8,000. CONCORD, N. H., Nov. 4.—One hundred and seventy-five towns and wards in New Hampshire have elected the Republican ticket for Governor, 25,571; Hollis, Dem., 23,221; scatters, 25,000. The same towns and wards in 1909 gave Jordan, Rep., 27,418; Foster, Dem., 25,000. The Republican loss of 576. The same percentage of vote throughout the state would result in a Republican plurality of 8,000. Twenty towns and wards in New Hampshire give Hatchelder, Rep., for Governor, 2,382; Hollis, Dem., 1,288. The same towns and wards in 1909 gave Jordan, Rep., 2,918; Potter, Dem., 1,829.

CONCORD, N. H., Nov. 4.—Later reports show that Hatchelder will be elected Governor by at least 8,000. The Legislature will be Republican on joint ballot. The election of United States Senator Gallagher, who has no competitor.

TENNESSEE. Legislature Will Be Largely Democratic in Both Branches. NASHVILLE, Tenn., Nov. 4.—Forty-two counties heard from give James B. Frazier, Dem. candidate for Governor, a majority of 37,530 votes. An extremely tight vote was cast, especially on the part of the Republicans, the vote being a sweeping victory for the Rep. for Democratic ticket. The Legislature will be largely Democratic in both branches. The City of Nashville went Democratic by a majority of 229.

ILLINOIS. Next Legislature Is Republican Without a Doubt. CHICAGO, Nov. 4.—A meager returns prevented at midnight anything like an accurate statement of the results of the election in the State of Illinois, although there is every indication that the Republican ticket has been elected by a good majority. The next Legislature will be Republican without a doubt, and the successor of Senator Mason is certain to be a Republican.

NEW HAMPSHIRE. Democrats Concede the Success of Republican. NEW HAMPSHIRE, Nov. 4.—The Democratic state committee, at 11:30, conceded the election of the entire Republican state ticket in Connecticut.

TOLEDO Is Republican. TOLEDO, Nov. 4.—Returns from 90 of the 147 precincts in Lucas County indicate that the Republican state ticket will carry the county by 600.

Johnson Hopeful for Democrats. CLEVELAND, O., Nov. 4.—P. M.—Mayor Johnson claims at this hour the

WILMINGTON, Del., Nov. 5.—The complexion of the next Delaware General Assembly is in doubt. At this hour, 1:15 A. M., it is apparent that a deadlock on the two United States Senatorial vacancies will be the result, as was the case two years ago. The regular Republican State Committee claims that the body will be composed of 15 Union Republicans, eight regular Republicans, and 2 Democrats.

Democratic State Chairman Willard Sausbury stated at 1 A. M. that his returns thus far received showed that 28 Democratic members have been elected. The majority on joint ballot and the number necessary to elect United States Senators is 27. Mr. Sausbury places the Kent County
