

WOMAN A REPEATER

Coloradan Detected When Casting Third Ballot.

ACTUATED BY MONEY DESIRE

Prominent Labor-Leader Candidate Shoots Policeman in Denver—Negroes Sell Votes in Kansas City and Plot Fights Result.

DENVER, Nov. 4.—For the first time in the history of Colorado politics, a woman was arrested today on the charge of re-voting, when she cast the third ballot she gave the name of Jennie Sanderson, but she was subsequently identified as Mrs. Harriet Hibbard, a widow, 50 years of age. She was neatly dressed and had an appearance of refinement.

FIISTS USED IN KANSAS CITY

Negroes Sell Their Votes—Several Men Face Intimidation Charges. KANSAS CITY, Nov. 4.—Several fist fights occurred at voting places in the North End today, two men were arrested for intimidating voters, and quite a number of negroes were arrested. A special John Pryor, a Democrat, knocked down Charles Riesl, Assistant Prosecuting Attorney, a Republican challenger, because he interfered with a voter. Both were arrested, but released on bond. A vote of several negroes was purchased at \$2 and \$3 apiece. Some of these votes were bought boldly at the entrance to the polls in the arm. The woman is serious, a negro \$2, and was about to vote him, when a Republican raised the price to \$3. The Republican was sent sprawling with a blow.

County Prosecutor Hadley complained to Chief Hays that Patrolman Herman Brannon was intimidating voters, and the officer was taken off duty. N. F. Rogers, a young man, was arrested on charges of intimidation and booked for investigation.

VOTER SHOTS POLICEMAN

Officer Attacks Labor-Leader Candidate Without Provocation. DENVER, Nov. 4.—William D. Haywood, secretary-treasurer of the Western Federation of Miners, and a candidate for State Senator on the Socialist ticket, tonight shot James Bramer, a special policeman, at Eighteenth and Champa streets. Haywood fired two shots, one taking effect in the officer's face and the other in the arm. Neither wound is serious. It is said that Bramer attacked Haywood without provocation, striking him on the head with a revolver, inflicting three severe wounds. Bramer, earlier in the day, is said to have been shot down and threatened with a pistol George C. Manley, a prominent attorney and a Republican politician.

DEMOCRATS HELD FOR BRIBERY

Clark Fight in Montana Gets Two Leaders in Trouble. BUTTE, Mont., Nov. 4.—George H. Casey, Republican candidate for the Montana County Central Committee, and C. E. Aloop, candidate for the Legislature, were arrested this afternoon for bribery. A report gained circulation that Charles W. Clark, son of James Bramer, a special policeman, had been arrested, but this is not true. Young Clark happened to be with Casey at the time of the arrest, and thus the story got started. The two men have been released on bonds of \$10,000 each.

BY BIG VOTE

(Continued from First Page.) ticket, while on the Legislative ticket not only in the county, but in the city, a considerable count very slow. The chairman of both parties are hopeful of the Legislative ticket.

CLARK COUNTY

VANCOUVER, Wash., Nov. 5.—(Special.)—The election passed off quietly in this county and county seat. There was considerable knifing of local candidates on account of factional differences among Republicans. The factional fight centered chiefly against Parcel, candidate for the Legislature. McMaster, County Attorney, and Pritchard, School Superintendent, and the majorities of those candidates will be considerably reduced. It is conceded, however, at this hour 1:30 P. M., that the entire Republican ticket is elected. Complete returns from six precincts in the county, including two in this city, give Jones, Cushman and Humphrey, Republican Representatives, 287; Cotterill, Holcomb and Cole, Democratic Representatives, 267; Banck, Rep., Legislature, 512; Parcel, Rep., Legislature, 485; Edmonds, Dem., 382; Ricker, Dem., 378. The Republican county committee, claims the ticket in the county is elected by 70 majority.

WHITMAN COUNTY

COLEFAK, Wash., Nov. 4.—Complete returns from 29 out of 33 precincts in Whitman County show the Republican landslide. Indications point to the election of the entire Republican Legislative and county ticket, with the possible exceptions of Auditor, Superintendent and Surveyor. Canutt, Rep., for Sheriff, 456; Edmonds, Dem., 382; Ricker, Dem., 378. The Republican county committee, claims the ticket in the county is elected by 70 majority.

YAKIMA COUNTY

NORTH YAKIMA, Wash., Nov. 5.—(Special.)—Election returns are coming in slowly. At midnight a ward of the city nor a precinct in the county was completed. In the city, Jones was leading the Congressional ticket. He was over 200 ahead of the Democratic candidate. Hadley, for Judge, leads by 15. Telephonic advices indicate good leads for the Republican Legislative ticket, each of the three candidates favoring an appointive railroad commission. Grant is conceded to be elected Sheriff, the only Democrat to win out.

COLUMBIA COUNTY

DAYTON, Wash., Nov. 5.—All the Republican Congressional candidates have won in Columbia County, with majorities approximating 300 each. For Supreme Judge, Hadley has about 200 majority. Sixteen precincts are complete here, and only three to hear from. It is an even break in the Legislative race. Conrad Noble, Rep., leads by 15. Telephonic advices indicate good leads for the Republican Legislative ticket, each of the three candidates favoring an appointive railroad commission. Grant is conceded to be elected Sheriff, the only Democrat to win out.

Surveyor and Coroner. The Democrats will elect the Clerk, Treasurer and Prosecuting Attorney. The probable majorities will be as follows: Auditor, Thompson, Rep., 125; Sheriff, Sims, Rep., 25; Clerk, Israel, Dem., 125; Treasurer, Alcom, Dem., 150; Attorney, Clark, Dem., 110; Assessor, Hopkins, Rep., 150; School Superintendent, Henderson, Rep., 50; County Commissioners, Jackson, Rep., 100, and Sanders, Rep., 75; Surveyor, Patrick, Rep., 125; Coroner, Day, Rep., 150.

COWLITZ COUNTY

KALAMA, Wash., Nov. 5.—Complete returns from four precincts in Cowlitz County, and incomplete returns from five more, indicate the election of the head of the Republican ticket by at least 50 majority. Van Name, the Democratic candidate for state Senator, is probably elected by 15 majority. Chapman, Democratic candidate for Representative, may be elected by a narrow margin. Magill, Republican candidate for Prosecuting Attorney, and Caples, Republican nominee for Commissioner in the First District, may be beaten by a small majority, but the rest of the Republican ticket is elected.

REPUBLICAN ELECTED TO CONGRESS FROM IDAHO

BURTON L. FRENCH, OF MOSCOW.

ed by a safe majority. Kalama precinct returns from four precincts give the Republican ticket by a majority of 100. The new form of ticket has caused much confusion, and the counting of the votes is progressing slowly. So far the majority in the county is 243 for the Republican ticket. Local matters are badly mixed, and some Democrats will be elected.

CASTLE ROCK, WASH., Nov. 5.—(Special.)—The new form of ticket has caused much confusion, and the counting of the votes is progressing slowly. So far the majority in the county is 243 for the Republican ticket. Local matters are badly mixed, and some Democrats will be elected.

WALLA WALLA COUNTY

WALLA WALLA, Wash., Nov. 4.—Indications point strongly to the election of the entire Republican Legislative ticket. The Republicans lose the Auditor and one Commissioner. Returns are coming in slowly, only 13 out of 25 precincts of the Walla Walla County reports are in. The Walla Walla County having been heard from at 1 o'clock. The Congressional vote gives the Republicans 250 majority.

THURSTON COUNTY

OLYMPIA, Wash., Nov. 5.—(Special.)—Thurston County shows large gains in the Republican majorities over the election of the county. Returns from the 34 largest precincts give the Republican congressional ticket 500 majority over the Democratic. Eleven precincts yet to hear from are all small, but according to conservative estimates will increase the Republican majority to at least 600. George W. Hopp and Charles D. King, Republicans, are elected to the Legislature by a majority of about 150. They are pledged to the support of an appointive railroad commission bill. The entire Republican county ticket is elected, though the vote is close on one Commissioner, Auditor and Attorney.

OKANOGAN COUNTY

SPOKANE, Wash., Nov. 5.—(Special.)—Eleven precincts out of 24 reporting at midnight in Okanogan County show that the Republicans are carrying the state ticket. The Democrats breaking even on the county ticket and leading on the legislative ticket. Burley, Rep., for State Senator, in the First District, leads by 23, and Dem., has 25. For Congress, Jones, 248; Cotterill 217; Cushman 245; Holcomb 224; Humphrey 245; Cale 224. For Supreme Judge—Hadley 228; Reavis 225.

PIERCE COUNTY

TACOMA, Wash., Nov. 5, 1:15 P. M.—(Special.)—The Republican sweep Pierce County today and elected their entire ticket by good majorities. The two State Senators and 10 Representatives are supposed to be against a railroad commission. Returns are so incomplete that it is impossible to approximate the majority for any candidate. The Republican candidates for Congress ran practically an even race.

MASON COUNTY

OLYMPIA, Wash., Nov. 5, 1 A. M.—Incomplete returns received from Mason County show the state ticket will be carried by the Republicans by at least 100 majority. Gunderson, Republican, is elected Representative by 40 majority. The Republicans have elected all of their county ticket, with the exception of two Commissioners, Assessor and School Superintendent. Gunderson is said to favor the commission bill.

STEVENSON COUNTY

STEVENSON, Wash., Nov. 4.—(Special.)—Returns from four of the principal precincts in the county indicate the election of the Republican ticket by a strong majority. This is usually a small Democratic county.

ADAMS COUNTY

RITZVILLE, Wash., Nov. 4.—(Special.)—Incomplete returns from seven precincts in Adams County show that the Republicans elect Representative, Auditor, Clerk, Surveyor, Superintendent and two Commissioners; the Democrats, Treasurer and

Sheriff, with the Assessor in doubt. The Republican nominees for Congress are well in the lead. Only about half of the votes are counted. The Democrats elect the Attorney.

KITITAS COUNTY

ELLENBURG, Wash., Nov. 4.—(Special.)—Returns are coming in very slowly. Five precincts show heavy Democratic gains, but the Republican Congressional ticket is well in the lead. Indications at midnight are that Flynn, Democrat, is elected to the Legislature, and the chances are in favor of Dickson or Wilson, Republicans; but the vote is little more than half counted, and it is impossible to predict the result on the Legislative ticket. The county ticket is badly scratched, and it is conceded that most of the Democrats will win.

LEWIS COUNTY

CHEHALIS, Wash., Nov. 4.—(Special.)—Returns from 10 precincts give the following vote on Congressional members, Rep., 60; Jones, Rep., 65; Humphrey, Rep., 60.

NEXT HOUSE IS SAFE

(Continued from First Page.)

of more than 100,000, and possibly 18 of the 21 Congressmen. In Minnesota a plurality of 30,000 is claimed for Van Sant, Republican candidate for Governor. Ten Republican Congressmen and one Democrat, with the re-election of Governor La Follette, are indicated by late returns from Wisconsin. Returns from Nebraska show the vote to be exceedingly close for Governor, with the remainder of the Republican state ticket probably elected.

A small victory for Morrison, Republican candidate for Governor, is indicated at an early hour this morning in Idaho. Washington and Wyoming appear to be safely in the Republican column. Indiana is estimated to have given the Republican candidates from 25,000 to 40,000. The delegation to Congress remains unchanged, nine Republicans and four Democrats. Legislation will be Republican by 25 on joint ballot, insuring the re-election of United States Senator Fairbanks.

HOW NEXT SENATE WILL STAND

Republicans Will Have a Majority of at Least Eleven. WASHINGTON, Nov. 4.—The next United States Senate will be Republican by at least 11 majority. The present Senate contains 54 Republicans and 34 Democrats in a total of 90 seats, there being two vacancies from Delaware, where the Republican Legislature failed to elect. The terms of 30 Senators expire with the present Congress. There is also a vacancy from Michigan caused by the death of Senator McMillan. Of these 31 seats to be filled, not including the two from Delaware, but including the Michigan vacancy, 19 are now Republican and 12 are Democratic. The Michigan vacancy, being classified as a Republican, and Harris of Kansas, McLaurin of South Carolina, and Teller of Colorado, as Democrats. Seven states have already elected Senators to take the seats March 4, 1921. Maryland has chosen Gorman, a Democrat, to succeed Wellington, a Republican; Kentucky, McCreary, a Democrat, to succeed Deboe, a Republican; Iowa has re-elected Allison, a Republican; Ohio has re-elected Foraker, a Republican; Louisiana has re-elected McEnery, a Democrat; Vermont has re-elected Dillingham, a Republican; Connecticut has re-elected Clay, a Democrat. Four Democrats and three Republicans, therefore, are already elected, leaving 16 Republican and eight Democratic seats to be filled. The Legislature of Oregon, which will choose a successor to Simon, has been elected and is Republican. Including Delaware, therefore, 25 Senators will be elected by the Legislature and chosen by the State Legislatures were elected by the following states: Indiana, Delaware, two seats; New Hampshire, North Dakota, Nevada, South Dakota, Illinois, Pennsylvania, California, Connecticut, New York, North Carolina, Wisconsin, Kansas, Michigan, Idaho, Arkansas, South Carolina, Florida, Alabama, Utah, Colorado, Washington and Missouri. This insures 52 Republicans and 34 Democrats in the next Senate.

The result of the contest, owing to the meager returns at this hour, is still in doubt in Nevada, Idaho, Utah and Colorado, with the chances favoring the election of the Democratic Legislatures in Colorado, Idaho and Nevada and a Republican Legislature in Utah. If these probabilities should be realized, the Senate will stand 57 Republican, 27 Democrats, 37, with a loss of four majority to the Republicans, compared with the present political division.

If the present Republican Legislature in Delaware were called in extra session, and should be able to get together and elect two Republicans as Senators before the new Legislature convenes, the balance of the Senate will choose the increased two votes, giving the dominant party a majority of 30 or exactly what it has in the present Senate.

BABCOCK SAYS IT'S O. K.

Republicans Have Safe Majority in Congress. WASHINGTON, Nov. 4.—Chairman Griggs of the Democratic Congressional committee, at midnight made a statement claiming the House would be Democratic by 10 to 12 votes. He claimed, he said, gains of five seats in New York, two each in Massachusetts, Maryland, and Kentucky, one in New Jersey, and others from various states; three in California, one in Wisconsin, two in Michigan and two in Minnesota.

GRIGGS STILL CLAIMS IT

Thanks the Democrats Have Carried Congress. NEW YORK, Nov. 5.—At midnight, Chairman Babcock of the Republican Congressional committee sent the following to Senator Hanna, chairman of the Republican National Committee: "Returns coming in slowly. Think an estimate of 30 Republican members is safe. Have elected three of the six members of Congress from Maryland."

Republicans Make Almost Clean Sweep of the State. SALT LAKE, Nov. 4.—Only about one-fifth of the voting precincts of Utah have so far been heard from in detail, but unofficial returns from practically every section show that the Republicans have made almost a clean sweep of the state. Howell, Justice, being elected by majorities of from 600 to 600. The Legislature, which this winter will elect a successor to United States Senator Rawlins, will undoubtedly be Republican by a safe majority. In only one county, in fact, did the Democrats make much showing, and that was in Salt Lake, where the church question and a revolt against the so-called "machine" have led into the Republican Legislature vote heavily. Two Senators and 19 Representatives are elected from Salt Lake County, but with all these Democratic, which is very doubtful, the Legislature will still be Republican.

MORE ABOUT THE NEW WAY

Co-Operative Piano Buying Inaugurated at Ellers Piano House—Wholesale Prices to Individual Buyers on Best Pianos, Made Possible Through the Piano Club System—Buyers Coming in at Every Hour.

Ever watchful in our efforts to secure the best in value and merit in pianos and organs, and to give our patrons every advantage possible, we now have in operation a plan effecting a further very substantial saving to buyers. The principle of our quick sales at small profits; of purchasing the best instruments in great quantities; handling and shipping them by the least expensive methods, and selling them at only very slight profits, which has made Ellers Piano House so immensely popular, is now made still more effective by the inauguration of the club system, which practically enables purchasers to secure at wholesale prices the best of instruments made in America.

'Twill Pay You to Look Into It.

The plan is simple, safe and the saving great. Briefly stated, each club stands collectively in the position of a wholesale buyer, and each individual member is assured that this makes it possible for us to make the same concessions to club members that we would make to a bona fide wholesale buyer, but which could not be made to each member of the club as a regular retail order. The clubs will be four, and are designated "A," "B," "C" and "D," and each is limited to one hundred members. You can join whichever one you please, make your initial payment and secure the instrument of your choice at once, without any waiting, and your order is filled—just a plain, clean, straight deal, without a hitch or red tape. Members of Club "A" will have to pay \$5.00 down and small weekly installments of \$1.00. Those who join Club "B" will pay \$5.00 first, and then \$1.00 weekly. Club "C" members make a payment of \$12.00 and the balance in \$2.00 weekly payments. Members of Club "D" will pay \$20.00 down and \$2.00 weekly. Or payments can be arranged on a corresponding monthly basis. But either way, the instrument you buy is assured to be a first-class one, it is accompanied by the double written guarantee of its manufacturer and of this house, and it is kept in tune for you by us, free of charge, for one year.

NOW AS TO PRICES

The following will give you some idea of the saving the piano club affords you: Pianos priced at \$250 to club members for \$125; \$300 pianos for \$150; \$350 pianos for \$175; and the finest medium-grade instruments, that cannot possibly be sold under any other conditions for less than \$50, by the club system go for \$25. The highest grade, fancy and curved-top pianos, the regular price of which is \$500, go for \$250, and \$400 styles for \$200. There are only 600 pianos in the club and only four hundred members are possible. You will understand, therefore, that the earlier you join, the safer you are. Ellers Piano House, 351 Washington Street, opposite Corday's Theater. Fourteen stores—Portland, Spokane, San Francisco and Sacramento.

sentatives are elected from Salt Lake County, but with all these Democratic, which is very doubtful, the Legislature will still be Republican.
