Democratic Candidate for Governor Extends His Thanks to Murphy and Tammany for Their Hearty Support.

NEW YORK, Nov. 6 .- Corrected rethis morning make Odell's plurality

NEW YORK, Nov. 6.-Chairman Frank Campbell, of the Democratic State Com-mittee, Secretary John A. Mason and Elliott Danforth were in conference today, and Mr. Campbell afterward issued the following statement of the position of the state committee upon the results of

'After having carefully examined the returns gathered by John A. Mason, secretary of the Democratic State Committee, as filed in the several County Clerks' offices in the different counties of the state, it appears on the face of the re-turns that Mr. Odell, for Governor, has a plurality of 9122. These figures do not include in some of the counties the votes cast by the Greater New York Democracy ticket, which has on it the name of Bird S. Coler for Governor. They will materially reduce this apparent plurality. "We claim the election by a safe ma-jority of John Cureen as Attorney-Gen-

C. Gray, of the Court of Appeals, "We have reliable information of thousands of defective ballots having been cast, and in certain districts, where the returns were strongly Republican, the ballots were burned by the inspectors immediately after they were counted, which is a direct violation of law, as they should be kept six months by the proper efficials before being destroyed. These facts and all others will be thoroughly investigated by representatives of the party, who will appear before the can-vassing boards in all the counties of the state on next Tuesday to see that an honest count is had, and until that time the actual results cannot be stated. Mr. Campbell would add nothing to the oregoing. The dismantling of the state headquarters followed soon after the issuance of the statement.

COLER THANKS TAMMANY. Democratic Gubernatorial Candidate

Gratified for its Support. NEW YORK, Nov. 6.—Bird S. Coler, the recent Democratic candidate for Governor, has sent a letter of thanks to Charles F. Murphy, leader of Tammany Hall. The

"My Dear Sir-Accept my sincere thanks for the effort put forth by the Tammany Hall organization, and for the spiendid results achieved. I shall always feel that the interests of the party are fully protected in the hands of an organimation that is at the present time keeping in such close touch with the needs of the community, and its varied interests.

"Again thanking and congratulating you, as well, upon the magnificent tri-umph achieved last Tuesday, I remain, very respectfully, BIRD S. COLER."

COLORADO.

Election of Senator Hinges on Decision of Contest by Republicans.

DENVER, Nov. 6.-Although the returns from Tuesday's election in Colo-rado are very far from complete, enough have been received to show that the Republicans will have a majority of the lower house of the Legislature, while the Democrats, with 17 hold-overs, will have a majority in the Senate. From the best reports obtainable at this time, the Legislature seems to stand on joint ballot: Democrats, 53; Republicans, 47. Of the Democratic Representatives, 14 are from this (Arapahoe) county, and their seats will be contested on the ground of frauds in registration and at the election. Republican leaders declare that the whole number will be unscated, thus making the Legislature heavily Republican on joint ballot. It is declared by leading Democrais that if this course is adopted by the Republicans, the Democratic Senate will block the election of a Senator to succeed Senator Teller, Republicans, however, say this would be impossible.

Already several Republican candidates for the United States Senate are men-tioned. They include David H. Moffatt, Frank C. Goudy, Irving Howbert, A. M. Stevenson, A. B. Seaman and others be-sides ex-Senator Edward O. Wolcott, who is generally conceded to be the strongest man in the race, if he decides to enter

The plurality for Peabody, Rep., candidate for Governor, over Stimson, Dem., is about 6000. Franklin E. Brooks, Rep., candidate for Congressman-at-large, de-feated Alva Adams, Dem., by about 1000; Representative John F. Shafroth, Dem., has a plurality of about 2500 in the First district, and Representative John C. Bell was beaten in the Second district by H. M. Hogg, Rep., whose plurality is figured at 3300. Robert W. Bonynge, Rep., candidate for Congress in the First district, has announced that he will contest Shafroth's election on the ground of alleged frauds and repeating. The Demo-crats get one office, that of State Super-intendent, which was won by Mrs. Heien L. Greenfell by 2400.

Clerks in Trouble Over Registration DENVER, Nov. 6.—On application of attorneys for the Arapahoe County Republican committee, District Judge Johnston today issued a writ of attachment for County Clerk Julius Aichele, who is charged with having disregarded an order of the court which enjoined him from certifying about 1800 names on the registration lists which, it was claimed, were fictitious and fraudulent. Mr. Aichele apcourt, and was placed under bond of \$500, Judge Johnston giving him until next Monday to make return to the

Addicks Man Reported Elected Is

Defeated by Seven Votes. WILMINGTON, Del, Nov. 6 .- Complete returns from Sussex County show the elecof Thomas W. Jefferson, Dem., as a Senator from the Fifth district, by a piurality of seven votes over George E.

Magee, an Addicke Republican, whom car-lier reports declared elected. There are 53 members of the Legislature, and the vote on joint ballot will be 27 Republicans and 24 Democrats, the result in the Ninth district, Kent County, being a tie.

The Republicans will have a majority of one, but a seven are results. The Republicans will have a majority of one, but as seven are regular Republicans, and opposed to Addicks, his chances of ejection to the United States Senate are further reduced by Jefferson's election.

INDIANA

Republican Plurality on the State Ticket Will Reach 34,000. INDIANAPOLIS, Ind., Nov. 6.-Election poards throughout the state met today to canvass the vote. Some of these boards will not finish their work until tomorrow. Official and unofficial returns, thus far, show that the Republican pidrality in the state will be close to 34,000. In this, Marion County contest for the Treasureship is very close, and it may require the official count to decide. Allen County, in which Fort Wayne is located, was carried by the Democrats by 700. In 1300, the Dem-ocrats carried the county by 2500.

KANSAS.

Republican Victory Starts a Warm

Campaign for Senatorship. TOPEKA, Ken., Nov. 6 .- Now that the lection of a Republican Legislature is assured, a warm campaign for United States Senator has been scarted. The Senatorial situation entered largely into the state ampaign, but is not now anywhere near solution. Charles Curile, Chester I. Long and William A. Calderhead, all of whom have just been re-elected to Congress, are candidates for the office, as is also Governor Stanley, whose term as Governor expires this year.

GUTHRIE, O. T., Nov. 6.-There is a bitter struggle for the election in Oklahoma of a Delegate to Congress. The results are still in doubt, with the complete returns from the west and southwest coun-ties yet to be received. The Republicans claim the election of McGuire by 1000, and the Democrats claim Cross' election by 1400. Returns are coming in slowly. Both parties concede the Senate to the Republicans by one majority, while both claim the House, the Republicans by two and the Democrats by four.

RHODE ISLAND.

Recount Displaces Three Democrats in the Assembly.

PROVIDENCE, R. I., Nov. 6-A re-count in the City of Woonsocket has dis-placed three Democratic members of the General Assembly originally announced as elected, and substituted the Republi-can candidates. This gives the Republicans a plurality of four in the House, which now stands 38 Republicans and 34 Democrats. The Senate is Republican by 28 members out of 37.

UTAH.

Republican Plurality Is Increased by Complete Returns.

SALT LAKE CITY, Nov. 6.-Practically complete unofficial returns from every county in the state show larger pluralities for the Republican candidates than were indicated by earlier returns. For Associate Justice, William H. McCarty, Rep., will have a plurality of 4515. For Congressman, Joseph Howell, Rep., will have a plurality of 5427. The Legislature will stand as follows: Senate, Republicans, 13; Democrats, 5. House, Republicans, 23; Democrats, 6. BRITISH COMMENT ON ELECTION. Press All Sees Indorsement of Roose

velt in the Result. LONDON, Nov. 6.—Almost all the papers this morning discuss the election in the United States. The Daily Telegraph dwells upon the beneficent change which has come over the relations of the United States and Great Britain, with the result that national Galliers no longer have out that national feelings no longer have any influence in the struggle. In editorial ar-ticles, the opinion is unanimously ex-pressed that President Roosevelt largely owes his personal triumph to having sat-isfactorily ended the coal strike, that the future depends on whether the leaders of one party or the other have a definite policy, and that for the outside world the important point is a prospective re-duction of the tariff.

The Standard says the voting shows President Roosevelt to have a command-ing position in the confidence of his countrymen. The Times, in its editorial arti-cles, expresses opinions similar to those held by the other newspapers. It said: "President Roosevelt's influence is in no way impaired by the warning which the Republican reverses have given his party. The predictions of his renomination for the Presidency in 1994 may be rash, but

it undoubtedly presents the prevailing sentiment of the country. His proposal of a tariff commission or something equivalent is likely to be adopted by the party wirepullers to save their own credit and secure victory in 1994. "It is discreditable and even discuteting to discover that Tammany Hall, so often reported struck down with a mortal

McDonald was struck on the head with a revolver and Haywood then shot at the officer, the bul-let striking his left arm.

FROM CALIFORNIA

GEORGE C. PERKINS, REPUBLICAN.

SAN FRANCISCO, Nov. 6 - (Special)-The control of the next State Legisla-

ture by the Republicans makes it almost certain that. Senator George C. Perkins

will be elected to succeed himself. In the campaign just closed, Senator Per-kins' voice was often heard on the stump in behalf of the Republican ticket.

He has ever been a loyal party man, and indications now are that his re-elec-tion will be without opposition. Senator Perkins is best known in California by

his connection with steamship lines. He was elected Governor of Chilfornia in 1879, serving until January, 1883. In July, 1893, he was appointed Senator to

REPUBLICANS NOW HAVE A MAJOR ITY OF TWENTY-SEVEN.

Good Chance for Making Further Gains in the Nine Districts Yet in Doubt.

NEW YORK, Nov. 8.—Congressman Overstreet, secretary of the Congres-sional committee, announced today that 207 Republican members had been elected beyond doubt; that the Democrats had elected 170 and that there were nine districts where, on account of incomplete returns, the result was doubtful. These nine districts are Twenty-fourth Hillinois, Fifth Minnesota, Eighth and Eleventh North Carolina, Seventh Alabama, Nevada, Ninth Virginia and Thirteenth and Sixteenth Miszouri. The first four named are now represented in Congress by Republicans and the last five by Democrats. The Republican candidates in both the doubtful North Carolina districts, Mr. Overstreet says, have wired today that they were elected, also the Republican nominee in the Twenty-fourth Illinois. This left seven districts, altogether, in doubt. With 207 members in Congress the Republicans would have a majority of 27. The Congressional committee's headquarters in this city were closed tonight

JONES AGAIN LOSES HIS HEAD

He Pretends to See Democratic Suc-

cess in Sight in 1904. OREGONIAN NEWS BUREAU, Washington, Nov. 5 .- James K. Jones, chairman of the Democratic National Committee, was in no position to make predictions, or he would have claimed everything in right during the last campaign. Griggs seems to have been his understudy in that particular. Jones, however, bobs up immediately after election and in an interview states:

"I think the result of Tuesday's elec. tions presages Democratic victory for 1904. It is an indication of what is to occur two years hence."

As few states show Democratic majorities and the Republican party had a most successful off-year campaign in the Congressional elections, with President Roosevelt's popularity still in the ascendency, Jones' predictions are laughed at by politicians here.

NO LIGHT ON CHURCH TRAGEDY. Coroner Finds Death of Minister and

Woman Due to Carelessness. OMAHA, Nov. 6.—The Coroner's jury, which investigated the deaths of Rev. W. C. Rabe and Miss August Busch, returned

C. Habe and Miss August Busch, returned a verdict that death resulted from asphyxiation by gas through carelessness. Nothing which could throw light upon the tragedy was brought out at the inquest. A telegram has been received from Mrs. Rabe, dated at Buffalo, N. Y., which says that she will arrive in Omaha Priday evening. No arrangements for the clergyman's funeral have been made, and clergyman's funeral have been made, and nothing will be done in that direction

til her arrival.

The Coroner has information that the only living relative of Miss Busch in this country is a brother, a bricklayer, formerly residing at Oak Park, Ill., but who now lives at Hancock, Mich. No arrangement has been made for the disposition of the body of the young woman, and it is expected that her friends here will take charge of the body and bury it. She left a few hundred dollars of available money, which will be used to give her a respectable burial.

An immense crowd of people viewed the bodies at the morgue during the day, and the church at Twenty-sixth and Seward streets was visited by a large number of photographers and others, who had a curiosity to view the scene of the tragedy.
