A SYNDICATE SUPPLIED FUNDS Amount Advanced Was to Be Repaid on the Winning of the Fair Lady—Exposure Through Suit for Blackmail.

BERLIN, Nov. 6.—The relations of Baron Burchard von Muenchhausen with the so-called marriage syndicate, which financed him in his journey to the United States in 1898, to obtain a rich wife, have been made public through a prosecution for blackmail, brought by the Baron against Hermann Pines, Moritz Mendelsohn and Adolf Mendelsohn, three members of the syndicate. The trial has just come to its close. The Baron von Muenchhausen is a member of a famous German family which dates from 1882. The testimony showed that an ex-convict named Eisler, living in Stuttgart, telegraphed to Frau von Quitzow, a noblewoman residing in Berlin, who undertakes to obtain wealthy wives for army officers, saying that if she had a titled officer in active service for an American fortune of \$500,000, to let him know.

MINERS OBJECT TO DECISION. French Strikers Likely to Reject Terms of Arbitration.

PARIS, Nov. 6.—The striking coalminers are showing great dissatisfaction at the arbitration decision against a raise in wages, and their national committee has called a meeting to take place at Paris, Department of Pas de Calais, Saturday, to determine on the course to follow. At St. Etienne the miners have adopted resolutions to appeal to the dock laborers to renounce their strike against loading coal unless the companies today grant the miners' terms. The strikers at Lens have unanimously adopted resolutions to continue the strike until the decision of the Arbitration Commission is annulled. The troops are kept busy maintaining quiet in some of the mining districts. Premier Combes has telegraphed to the prefects of the disturbed districts instructing them to adopt the measures necessary to maintain peace in case the strikers engage in renewed outbreaks. The present indications are that the miners will finally accept the adverse decision of the arbitrators, and return to work, although their leaders say it would constitute a breach of faith to enter into arbitration and then refuse to accept the results.

LAFORT, Ind., Nov. 6.—August Kregle, of Stillwell, has just been reunited with his sister, Justine Kregle, of Oxford, O., after a separation of 43 years. When they last met each other Kregle was 6 years of age and Miss Kregle was 2 years his junior. The father of the two children died many years ago at Jeffersonville, and the dying request of the father was that the son find the sister, of whom he had also lost trace. The search which the son began at that time was prosecuted until Miss Kregle arrived today from Oxford, O., ending the search. The mother of the two children died in their infancy, and they were placed, as children, in the hands of a farmer and his wife, growing to manhood and womanhood with the belief that fate would some day reunite them.

The case of W. W. Smith, better known among his brethren of the gridiron and pliskin by the very suggestive title, "Locomotive," the crack halfback of the University of California team, who has just been convicted of professionalism by an arbitration board in San Francisco, has aroused great interest in the Northwest. Smith was head coach at the University of Oregon last year, and he has many friends, both here and at Eugene.
