COMING ATTRACTIONS. "Lost River" Matinee. "Lost River" with its exciting scenic effects, will be seen at Corday's matinee today, and for the last time this evening.

Matinee at the Baker. The usual crowded house will greet the Nell Stock Company at the matinee today at the Baker Theater, where Nell Stock's grand success "Gold Mine" will be presented.

Sale Opens for "Fiddle Dee Dee." The advance sale of seats opened yesterday morning for the big Webber and Fields' burlesque, "Fiddle Dee Dee," which comes to the Marquam Grand

arranged today and held in \$5000 bonds for examination. The complaint charges that Willard Block, a Chicago lawyer, was induced to buy \$13,400 worth of stock in the Horse Shoe Copper Mining Company, in Arizona. When arraigned, McCord denied that he was the man wanted, but he said he was president of the Horse Shoe Copper Mining Company, and that he knew Block.

Therapy for one week, beginning next Monday, December 1. "You'll have to hurry" get the tickets in their good hands of this funny production, of its tremendous hit in New York City, and the phenomenal run of 111 nights in San Francisco, and it goes without saying there will be "some hot" seats.

"Rudolph and Adolph." "Rudolph and Adolph" will open at Corday's, starting at tomorrow's matinee. Mason and Mason, in Charles Newman's merry musical comedy, have demonstrated that it is not only possible, but profitable, to keep a few cold storage or to be clean and wholesome, as well as funny.

CUT GLASS SALE. For one week only. We ordered more cut glass than our show cases will hold. To stimulate early buying for the holidays we are conducting a special sale on all our cut glass.

WHERE TO DINE. Our improved methods of cooking and serving win. Portland Restaurant, 305 Washington.

FEATURES OF THE MARTIN MANDOLIN

Starting out to make only fine grades, the makers of the Martin mandolin were not hampered in their choice of material. Their experience in guitars had taught them to select and cut the different woods; trimmings of ivory and tortoise shell were soon found to be finer looking than celluloid, and smoother to the touch.
