Railway Men Remove All Doubt as

to Their Complete Control. OLYMPIA, Jan. 21 .- (Staff correspondence.)—If there has ever been any doubt in the minds of anti-railroad men in the Legislature that their friends the enemy were not in power in the Senate, these doubts were dispelled this morning, when the friends of the railroads put the Graves free pass bill into the painless sleep of death by taking it out of the hands of dary committee and referring it to the railroad committee. The judiciary nittee had reported favorably on th made, Baker of Klickltat moved that it be referred to the railroad committee. Tolman demanded a rollcall, and Baker's parried by the follow

motion carried by the following vote:

There is of course a chance that it may be reported favorably, but the friends of the bill think that it is at rest for the session, for if it comes up again it will be amended out of its present shape. The judiclary committee reported fa-

THE OLD RELIABLE

THERE IS NO SUBSTITUTE

THE EXPERIENCE OF A DRUG-GIST IN SAMS VALLEY.

He Tells a Reporter the Simple Way in Which He Overcame the Difficulty.

"I have had a great many experiences," said Mr Albert L. Gall, a druggist of Sams Valley, Or., "but the recollection of one of them outshines them

"What was that?" ventured a re

"Well, when I was a little fellow, about 12 or 13 years old, I began to be afflicted with an eruption of the skin something like diminutive boils, I think the cause was a hereditary impusity of the blood. I was treated by several of the best physicians, but they did not help me any. I kept growing worse, and the eruptions became so numerous that it was a misery to wear clothes. After a while my kldneys became affected."

"Your skin looks clear now." said the

"Yee, the trouble was all cured years ago, How? By Dr, Williams' Pink Pills for Pale People. I had heard of what these pills had accomplished in diseases of the blood, and decided to try them. Relief came as soon as could be expected, and I continued taking them until all trace of the disease had vanished. That was seven years ago, and I have had no return of the trouble since. Dr. Williams' Pink Pills for Pale Peo-

ple cure cases like this because they go to the root of the diseass. Other remedies act on the symptoms-these marvelous vegetable pills remove the cause of the trouble. Not only have they cured hundreds of cases similar to Mr. Gall'r, but they have proven themselves to be an unfailing specific for all diseases arising from impure or impoverished blood and weakened nerves-two fruitful causes of nearly all the ills to which humankind is heir. They are an unfailing specific for locomotor ataxia, partial paralysis. St. Vitus' dance, sciatica, neuralgia, theumatism, nervous headache, after-effects of the grip, palpitation of the heart, pale and sallow complexions, and all forms of weakness, either in made or female. Dr. Williams' Pink Pills for Pale People are sold in boxes at 50 cents a box or six boxes for \$2 50, and may be had of all druggists or direct by mail from Dr. Williams Medicine Company, Schenectady, N. Y.

RECORD OF THE PAST

What Stronger Evidence Can the Reader Ask For?

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back; any reader suffering from urinary troubles, from any kidney ills, will find in the following evidence proof that relief and cure is near at hand.

Eugene E. Lario, of 751 Twentieth avenuc, ilcket seiler in the Union Station, Denver, Colo., says: "You are at liberty to repeat what I first stated through our Denver papers about Doan's Kidney Pills in the Summer of 1899, for I have had no reason in the interim to change my opinion of the remedy. I said when first interviewed that if I had a friend and acquaintance suffering from back-ache or kidney trouble I would unhesttatingly advise them to go to a drug store for Doan's Kidney Pills and take a course of the treatment. I was subject to severe attacks of backache for a considerable length of time, always aggravated if 1 sat long at a desk. It struck me while reading a newspaper that if Doan's Kidney Pills performed half what they promised, they might at least This induced me to try the remedy. It absolutely stopped the backache. I have never had a twitch or twinge since." Just such evidence can be had here at home. Ask the Laue-Davis Drug Company what their customers say about

Doan's Kidney Pills. Sold for 50 cents per box. Foster-Milburn Company, Buffalo, N. Y., sole agents for the United States. Remember the name-Doan's-and take
