

on the last night of the session. The bill Well, no one will know who the Demo-cratic nominee will be until the convendoes away with the present system of having Road Supervisors manage the roadcrait nomines will be until the conven-tion meets, but it now looks as if ex-Commissioner Hermann will be the Re-publican nominee, but I think Gatch of Salem would be a strong candidate if he has the courage of his convictions to boidly avow his public declaration made at McMunculla three years are in defense fiding of the counties of the state, and provides for the division of each county to not more than four districts, with a Road Commissioner in each district. It also provides that road work, when cost-ing over \$150, shall be done by contract. In the list of approved bills is also the one providing for the erection of three at McMinnville three years ago in defense of Senator Simon's position on the Porto Rico tariff measure and for free trade with all territory over which the flag fibats; but this is Democratic doctrine, National Guard Armorics—one in Southe at a cost of \$50,000, one in Tacoma and one at Spokane at a coat of \$20,000 each. the appropriation to come out of the mill-tary fund. and can he do it?

Ext

It is noticeable that in this big list of bills not one carries an appropriation against the general fund. The Armory bill takes the money out of the military fund, which cannot be used for general purposes of the state; and the only other appr ation bill, No. 172 for payment of salaries of the Deputy Fish Commiss is charged against the fish-hatchery fund, It is believed the Governor will cut down the appropriations against the general the appropriations against the general fund to near \$222,000, as can be done without blocking the business of the state
