## A FOURTH TERM

### Harrison Is Re-elected Mayor of Chicago.

### PLURALITY IS CUT DOWN

### He Says It Is Victory for Municipal Ownership.

### REPUBLICAN GAINS IN KANSAS

### They Wreat Kansas City and Leavenworth From Democrats—Democrats Win All but One Office in Cleveland.

#### Mayors Elected Yesterday.

Chicago—Carter H. Harrison, Dem. Lincoln, Neb.—George A. Adams, Rep. Oklahoma City—Les Vanwinkle, Dem. Topeka, Kan.—W. S. Bergendahl, Rep. Kansas City, Kan.—Thomas B. Gilbert, Rep. Wichita, Kan.—R. F. McLean, Rep. Leavenworth, Kan.—D. R. Anthony, Jr., Rep. Emporia, Kan.—John E. Martin, Dem. Atchison, Kan.—James N. Orr, Non-partisan. Pueblo, Colo.—Benjamin Brown, Rep. Oshkosh, Wis.—M. J. Mulva, Dem. Janesville, Wis.—Wilson, Citizens. Racine, Wis.—Neilson, Rep. La Crosse, Wis.—Torrence, Dem. Springfield, Ill.—H. M. Deveraux, Dem. \*Re-elected.

#### CHICAGO, April 7.—Carter H. Harrison was elected Mayor of Chicago today for the fourth time, his majority by unofficial count over Graeme Stewart, the Republican candidate, being 899. The vote was: Harrison, 146,322; Stewart, 138,225; Cruick, Independent Labor, 969; Brecken, Socialist, 11,212; Haines, Prohibition, 264. In the last Mayorality election the total vote was: Harrison, Dem., 156,726; Haney, Rep., 128,413; Hoyt, Pro., 3225; Collins, Soc., 522.

The early returns were in favor of Stewart and at one time he was 2000 ahead, but the later returns cut down his plurality steadily, and the Republican leaders in private conversation admitted Stewart's defeat by about 6000. In the first precinct of the Twenty-first ward, in which both Harrison and Stewart reside, the vote was: Harrison, 41; Stewart, 161. In the last Mayorality election the vote was: Harrison, 32; Haney, 54.

The chief issue in the campaign was the traction question, both candidates favoring ultimate municipal ownership of the street railways. Stewart advocated an immediate improvement of conditions, making the best terms possible with the companies. Harrison recommended a delay until the city had obtained what it desired from the companies.

Mayor Harrison said tonight:

"I regard the present election as less of a personal victory for myself than as a victory for municipal ownership—a victory which should lead to the development of public, National, as well as municipal utilities. Partisan lines were cast aside to a great extent, but the result is, at the same time, a substantial endorsement of my administration."

The Republicans elected John S. Smulski for City Attorney by 9700 plurality, and Fred C. Bender for City Clerk by 7700; the Democrats elected Ernest Hummel for City Treasurer by 21,700. The new City Council will consist of 35 Republicans, 33 Democrats and one Independent Democrat. The result in one ward is still in doubt. The other Council contained 29 Republicans, 20 Democrats and one Independent.

#### REPUBLICAN GAINS IN KANSAS.

#### Democrats Lose Control of Kansas City, Kan., and Leavenworth.

KANSAS CITY, Mo., April 7.—Elections were held in all the large cities of Kansas today. The liquor question was an issue in a number of cities, notably Topeka. The result as a whole shows large Republican gains. Kansas City, Kan., the largest city in the state, turned a Democratic plurality of 2000 two years ago into a Republican plurality of more than 2000 today. Thomas E. Gilbert was elected Mayor.

In Topeka W. S. Bergendahl, Republican, was elected Mayor by more than 500 plurality. He was the "dry" candidate, and received a large majority of the woman vote. One year ago a Democrat was elected Mayor.

In Wichita D. H. F. McLean, Republican, was elected Mayor by 300 plurality. D. R. Anthony, Jr., was elected Mayor of Leavenworth by a majority of 1000, overturning a Democratic majority of 500. Emporia elected its first Democratic Mayor, John E. Martin, receiving 150 majority.

Atchison elected the nonpartisan ticket, headed by James N. Orr, by 900 plurality.

#### DEMOCRATS SWEEP CLEVELAND.

#### But Hanna Believes Republicans Will Carry County Next Fall.

CLEVELAND, O., April 7.—Complete returns from yesterday's municipal election in this city give John Hanna (Dem.) for Mayor a plurality of 288. Lapp (Dem.) for president of Council, has a plurality of 10,400 over Sontheimer, the Republican candidate. The Republicans elected Schreiner for police clerk and four members of the school council. Otherwise the Democrats made a clean sweep. In the

#### But Hanna Believes Republicans Will Carry County Next Fall.

CLEVELAND, O., April 7.—Complete returns from yesterday's municipal election in this city give John Hanna (Dem.) for Mayor a plurality of 288. Lapp (Dem.) for president of Council, has a plurality of 10,400 over Sontheimer, the Republican candidate. The Republicans elected Schreiner for police clerk and four members of the school council. Otherwise the Democrats made a clean sweep. In the

#### NEW CITY COUNCIL THE DEMOCRATS WILL HAVE 17 AND THE REPUBLICANS NINE MEMBERS.

Senator Hanna today gave the Associated Press the following statement concerning the result of yesterday's election: "While the result in Cleveland is disappointing to the Republicans, the effect will be to stimulate them to greater effort in future campaigns. The result by no means shakes my faith in the belief that we can carry Cuyahoga County next Fall. The general situation in the state continues favorable to the Republican party."

#### REPUBLICANS MAKE GAINS.

#### But Party Lines Are Almost Ignored in Nebraska Cities.

OMAHA, Neb., April 7.—Municipal elections were held in all the cities and towns of Nebraska today, with the exception of Omaha and South Omaha, both of which work under special charters. Party lines were drawn in but few instances. Republicans were successful in most of the towns heard from up to midnight.

In Lincoln George A. Adams, Republican, for Mayor, and the whole Republican ticket were elected.

#### DEMOCRATS CARRY ST. LOUIS.

#### Events Will Show Whether Corrupt Combine Is Defeated.

ST. LOUIS, Mo., April 7.—Election returns at 1:30 o'clock (complete) show that St. Louis went Democratic by a plurality of over 1000 in about one-half the registered vote, which is 123,000. Five Republicans and one Independent candidate were elected to the House of Delegates. The other 22 members elected are Democrats. The Democrats elected their six candidates for the City Council. The Republican and Democratic nominees for the Board of Education were elected, and the Democrat nominee for Inspector of Weights and Measures won.

The Republicans declare that gross frauds were committed at the polls. Throughout the state the Democrats lost in three third-class cities that they formerly controlled, but made enough gains in others fully to preserve their plurality.

In St. Louis interest was centered in the Council ticket, which was headed by the so-called reform ticket, on which the names of Republicans or Independent candidates took the places of some Democratic candidates for the House of Delegates in an effort to eliminate from the House the so-called "combine" element. In fact a strong Republican ward the Democrats elected their men.

While the action itself of the new membership of the House of Delegates will also determine the result of the reform movement, it is contended today that election results have been for the purification of the lawmaking body of the city and have swept out the "combine" element.

Municipal elections were held in most of the Missouri cities today. The Republicans carried Jefferson City. An Independent ticket won at Sedalia.

#### RESULTS IN WISCONSIN.

#### Supreme Judge Elected, but Few Cities Choose Mayors.

MILWAUKEE, Wis., April 7.—The judicial election in Wisconsin passed off very quietly today. Robert S. Beckwith of Madison, Judge of the Ninth Circuit, was elected to the place on the Wisconsin Supreme bench, made vacant by the recent death of C. V. Barkley. The amendment increasing the number of Justices of the Supreme Court from five to seven carried.

Separately few Mayors were elected in the state, and there were few changes in the cities which chose an executive. Following are some of the results: Oshkosh—Mayor Mulva, Dem., re-elected. Wausau—Republican ticket elected. West Superior—Republican ticket elected. Janesville—Wilson, Citizens, elected Mayor. Racine—Neilson, Rep., elected Mayor. La Crosse—Torrence, Dem., elected Mayor. Madison—Democratic ticket elected.

#### HOT FIGHT AT SPRINGFIELD, ILL.

#### Democrats Carry City After Much Trouble at Polls.

SPRINGFIELD, Ill., April 7.—The most exciting city election ever held in Springfield resulted in the election of H. H. Deveraux, Dem., for Mayor, by 1600.

At the Fourth Precinct of the Third Ward it was discovered today that irregular voting had taken place. The election was called and the polling place closed, but not until a riot had almost been precipitated and the police were compelled to use their clubs. The polls were closed for half an hour. Alderman Ensel, Republican, candidate for re-election in the Seventh Ward, was served with a warrant for his arrest on the charge of purchasing votes, and gave bond for his appearance.

#### NO ELECTION IN OMAHA.

OMAHA, Neb., April 7.—This city, working under special charter, does not hold its municipal election until May 7, and the election in South Omaha was put over one year by special legislation of the present Legislature, the bill having been signed by the Governor yesterday.

#### NO PARTY LINES IN MINNESOTA.

ST. PAUL, Minn., April 7.—Elections were held in all the cities of the third class throughout Minnesota today. They were without political significance, most candidates being unopposed, and party lines were not drawn.

#### REPUBLICANS CARRY PUEBLO.

PUEBLO, Colo., April 7.—Benjamin Brown, Rep., was re-elected Mayor of Pueblo by several hundred majority, after an exceedingly bitter campaign. It appears now that the entire Republican ticket is elected.

#### DEMOCRATS CARRY OKLAHOMA CITY.

OKLAHOMA CITY, O. T., April 7.—Lee Vanwinkle, Dem., was elected Mayor by 90 majority. The remainder of the Democratic ticket was elected.

#### DEVERAUX ELECTION POSTPONED.

DENVER, Colo., April 7.—The election in this city was postponed by the Rush home-rule bill until after the adoption of a new charter.

#### REPUBLICANS CARRY COLORADO SPRINGS.

COLORADO SPRINGS, Colo., April 7.—The entire Republican ticket, with the exception of the City Treasurer, was elected today.

#### WAGES OF ALASKA FISHERMEN.

SAN FRANCISCO, April 7.—The wage question, which has been under discussion between prospective fishermen and the Alaska Packers' Association, has been settled. The pay last year was at the rate of 3 cents a fish. The fishermen demanded 5 cents this season. The company has met the demand half way and agreed to pay at the rate of 3 1/2 cents. The fishermen say that this settles the dispute, and within a few weeks a big army of men will be on the way to Alaska.

## IN THE PILLORY

### Persecutors of Dreyfus Exposed Again.

### UPROAR IN THE CHAMBER

### The Socialist Leader Extorts Promise of Investigation

### AS TO SUPPRESSED LETTER

### Pellieux's Bitter Reproaches Against Officials Were Kept Secret—Guilty Minister Tries to Explain, but Clamor Drowns His Voice.

The whole Dreyfus scandal has been reopened by the French Chamber of Deputies today. This was brought about by M. Jaures, the Socialist leader, who exposed the suppression of a letter written by General Pellieux to M. Cavignac, Minister of War in 1896, asking to be retained.

The government promised an investigation, and when Cavignac tried to explain he was silenced with clamor.

PARIS, April 7.—It seems that the debate in the Chamber of Deputies yesterday and today, which resulted by a vote of 241 to 223 in the installation of the election of the National Deputy Syveton, is likely also to lead to the reopening of the Dreyfus case, and perhaps to the rehabilitation of the former prisoner of Devil's Island. This is mainly due to two facts brought out by the Socialist leader, M. Jaures, in the course of the debate. One is a falsified document bearing the alleged annotations by the German Emperor, which were forgeries and which helped to convict Dreyfus, and the other is that the letter written by General Pellieux to M. Cavignac, when the latter was War Minister in 1896, was suppressed. This letter was written just after the discovery of Colonel Henry's forgery, and reads as follows:

"Duped by men without honor, unable any longer to count on the confidence of my subordinates, without which it is impossible to command, and on my side unable to feel confidence in those of my chiefs, who have made me work with forgery, I ask to be retired."

M. Jaures' speech in the chamber constantly lauded the Nationalists to the highest pitch of fury, the chamber resounding with cries of "traitor," "liar," "go to Berlin," and other shouts, drowning the speaker's voice. M. Jaures finally concluded with the assertion that "the Republicans have the right to condemn the dishonest campaign against the republic, and to demonstrate to the declining Nationalist party that its attitude today cannot excuse its evil deeds of yesterday. If the chamber tolerates it, it will be a stigma on our conscience and the chamber of our regime."

M. Jaures had hardly left the tribune before War Minister Andre plunged into the midst of the bitter, angry debate then proceeding, and announced that the government was ready to open an administrative inquiry and aid in the widest investigation of the truth regarding the Dreyfus case. General Andre declared that the honor of the army was not involved, but that the conscience of the country was greatly disquieted by the appearance of extenuating circumstances in the judgment on a crime of the nature of which Dreyfus was accused.

He said he did not wish to take sides, but was ready to proceed with an investigation, and he would seek the assistance of Magistrates in the examination of the dossier.

The remainder of the debate was mainly taken up by ex-Minister of War Cavignac, who attempted to explain the suppression of General Pellieux's letter. This gave the Socialists an opportunity, of which they fully availed themselves, to adopt the tactics of the Nationalists and drown the speaker's voice.

After the invalidation of M. Syveton's election had been voted, the debate was continued on various orders of the day, which were postponed. Finally one was adopted by 250 votes to 73, declaring confidence in the government and the determination of the chamber not to allow the Dreyfus case to pass from the judicial domain. The chamber then adjourned.

The vote was a great triumph for M. Jaures.

#### COMBINE AGAINST AMERICA.

#### German Agrarians Agitate for European Customs Union.

BERLIN, April 7.—The German Agrarians intend to revive the scheme for a continental customs union against American goods at the International Agricultural Congress, which will be held at Rome from April 13 to 17. Count von Schwerin Loewitz, a leading member of the Reichstag, and president of the German Agricultural Council, will move that the continental states make new commercial treaties among themselves, giving special favor to European goods against American goods and also British goods, which fall under the ban because of the action of Canada and South African colonies in favoring British goods.

#### FRANCE MAY INVADE CHINA.

#### To Suppress Kwangsi Rebellion—Russia and Japan Clash.

PEKIN, April 7.—A report has been on foot for some time past that France is preparing to intervene and suppress the insurrection in Kwangsi Province, which borders on the French colony of Tonkin

and where 100,000 rebels are said to be in arms.

The foreign Legations here are interested in the outcome of the Russo-Japanese dispute over a concession in Manchuria at the mouth of the Yalu River, which has resulted in the dispatch of Russian troops to that point. A former Russian agent in Corea claims to hold timber concessions on both sides of the Yalu, and recently sent his agents to operate them. They found the Japanese in their territory and the latter refuse to vacate. The Russian concessionaire appealed to the Russian authorities, who have taken the matter in hand.

#### TOKYO, April 7.—Twenty thousand Russian troops are reported to have been concentrated at Fenwang, which commands the approaches by the Yalu River on the northern frontier of Corea.

#### CHANGE FROM SILVER TO GOLD.

#### Bond for Chinese Indemnity to United States—Hay Denies Story.

PEKIN, April 7.—The American financial agent at Peking recently submitted to the international financial committee a bond for American indemnity to be presented to the Chinese representative for signature. The committee declined to present the silver bond, whereupon the United States financial agent forwarded it direct to the Chinese representatives. Information received from other than American sources is to the effect that the United States has withdrawn the silver bond and is preparing a substitute on a gold basis.

There is a strong feeling among other Legations against America breaking the concert, particularly as the Chinese admit officially, as they have always admitted privately, that the debt is on a gold basis. The American policy is intensely unpopular with all classes of Americans in China.

#### TASHINGTON, April 7.—It was stated tonight by Secretary Hay that the bond submitted to the commission follows strictly the language of the protocol and involves no change of policy on the part of the Washington Government. The United States for a long time has favored the adjustment of the difficulties on a silver basis. There is a strong feeling among other Legations against America breaking the concert, particularly as the Chinese admit officially, as they have always admitted privately, that the debt is on a gold basis. The American policy is intensely unpopular with all classes of Americans in China.

#### BRITISH ARMY WANTS MEN OF MORE BRAINS, LESS BOOTS.

LONDON, April 7.—The report of the committee appointed to inquire into the expenses incurred by officers in the army is to suggest measures for bringing economies within the reach of men of moderate means was issued tonight in a blue book. The report is interesting as an official showing of the heavy tax on the private incomes of officers in all branches of the service.

It shows that the average and legitimate extra expenses of officers in the infantry exceeded their pay by \$200 to \$750 annually, while cavalry officers' expenses are in excess of their pay by \$300 to \$350 annually. The committee points out that this situation is a serious drawback to securing competent officers who do not possess private incomes.

The recommendations embodied in the report, many of which have already been acted upon, include the furnishing of the officers' kit and the payment of certain other expenses in addition to rules limiting the expenses of polo playing. It is anticipated that the initial cost of carrying out the recommendations will amount to \$1,388,700 and the annual expenditures to \$207,500.

#### ANTI-FOREIGN GOVERNOR APPOINTED.

SHANGHAI, April 7.—The newly appointed Viceroy of Foo Chow, Li Hai Liang and not Tich Liang, as the previously cable-mistake arose through a Chinese telegraphic error. Li Hai Liang is the degraded ruler of the Government of Honan, and is regarded as being an even worse choice than Tsch Liang, who, as already announced, never held a provincial post.

#### NOT TILL AFTER ELECTION.

Whether the members of the Presidential family correctly interpreted the President's view or not, it seems as good as settled that no attempt will be made to revise the tariff until after the Presidential campaign. This is upon the authority of Senator Allison before he left Washington, who said that, if revision was to be considered at all, it would be in the short session following the Presidential election.

It is believed that the President's speeches will strengthen him with the certain element of the party which feared that he might go too far in the matter of attacks upon the trusts and other policies. It is asserted that the protected industries will now be solidly in line for the President's nomination and election, and that the Republicans will meet the Democratic demand for tariff revision, and fight the next campaign defending the protection system.

## PUT OFF THE DAY

### President Is Against Tariff Revision.

### SO ARE CABINET MEMBERS

### One Note Sounded in All Recent Speeches

### BY ROOSEVELT, ROOT AND SHAW

### "Iowa Idea" Is Classed as Democratic Doctrine—Nothing to Be Done Till After Election—Protected Industries Believed.

The recent speeches of President Roosevelt and members of his Cabinet are taken to mean that tariff revision is to be postponed until after the Presidential election.

The same note runs through the speeches of the President and Secretaries Root and Shaw.

The Iowa idea is regarded as Democratic doctrine.

This is the interpretation put on the speeches by a member of the Cabinet.

OREGONIAN NEWS BUREAU, Washington, April 7.—No portion of President Roosevelt's speeches has caused as much discussion as that relating to the tariff. The high protection papers of the East assert that the President's declarations mean that the schedules are not to be touched. The more moderate protection papers say that "Such revision as is necessary will be made in due time." The opposition papers and those which have always been opposed to high tariff interpret the speeches to mean that it is no part of the Republican programme to change the tariff at all. A member of the President's Cabinet, discussing the speeches with a newspaper man, declares that a very significant summary can be made of what has happened during this Presidential trip. He says:

"The President himself has made two speeches against tariff revision. He will direct to the territory where the 'Iowa idea' is supposed to prevail. In both speeches he struck straight out from the shoulder and he rang the bell twice. Secretary Root sounded the initial note in Boston. His text was, 'No Tariff Revision, and he also rang the bell. Secretary Shaw built a speech on the same text, which he delivered in Peoria, Ill. The bell was rung again. Senator Allison of Iowa, permitted himself to be interviewed in Chicago. He, too, said, 'No tariff revision.' Bryan, in a speech in Des Moines, denounced the Governor Cummins in the ranks of Democracy, and indorsed his idea as proper Democratic doctrine.

#### Harmony Against Revision.

"Now, what is the summary? The Root speech and the Shaw speech were read and approved by the President before they were delivered. The President's utterances have been indorsed by the members of his official family; the Administration is working in absolute harmony. The President's unquestioned stand at this time on the tariff, and his clear and fearless annunciation of this position, right in the territory whence come the mutterings of a different desire, together with the unanimous backing which he is receiving from his Cabinet, and the hearty approval of his auditors, constitute a development of the first week of his trip calculated to do much toward setting conditions in the public mind, and assuring the continuance of that prosperity. It means that the tariff reformers masquerading under the guise of Republicans will have to become classified under another name or welcomed back into the ranks of the Democracy, as Governor Cummins has been by Bryan. The Republican party, with Roosevelt at its head, will stand for no tariff revision, at least until after the next Presidential election. This is the lesson to be learned from the developments of the last week."

Whether the members of the Presidential family correctly interpreted the President's view or not, it seems as good as settled that no attempt will be made to revise the tariff until after the Presidential campaign. This is upon the authority of Senator Allison before he left Washington, who said that, if revision was to be considered at all, it would be in the short session following the Presidential election.

It is believed that the President's speeches will strengthen him with the certain element of the party which feared that he might go too far in the matter of attacks upon the trusts and other policies. It is asserted that the protected industries will now be solidly in line for the President's nomination and election, and that the Republicans will meet the Democratic demand for tariff revision, and fight the next campaign defending the protection system.
