HALE AND HEART A VERMONT FARMER WHO FEELS YOUNG AT EIGHTY.

Rheamatism Once Troubled Him, but Dr. Williams' Pink Pills for Pale People Permanently Cured If.

A fine specimen of the hardy Vermont farmer is Joseph Chase, of Readsboro, active and strong in body and mind at

the beginning of his 80th year. A few years ago an attack of theumatism caused the old gentleman much suffering, but Dr. Williams' Pink Pills cured that, and he is now enjoying unusual health for one of four-score years. When recently interviewed, he said:

Nemory Fulls. FRANKFORT, Ky., April 20.-James B. My back and shoulders were lame, and my arms were so sore that I could not get my coat on without assistance. When I sat down it was hard to get on my feet again, and every time I raised my arm sharp pains shot through my shoulders. Heavy farm work and exposure in all kinds of weather probably brought on the rheumatism, and it was so stubin the little room in which Youtsey worked, says she did not hear any knock on the door or see or hear him in conver-sation with any one prior to the shooting. She was in the office, but did not see him in the office. born that I couldn't seem to get ridof it.

"One day I saw Dr. Williams' Pink Pills for Pale People mentioned in a newspaper, and I got some. I felt better after taking one box, and took four or five boxes altogether. They cured me, and the cure was permanent. I recommend Dr. Williams' Pink Pills to every one who is not well, and I know of other cases where they have given good results."

Rheumatism is a disease of the blood, and it must be treated through the blood. External applications can, give no benefit that will last. Dr. Williams' Pink Pills for Pale People are unlike other medicines, because they act directly on the blood and nerves. This makes them invaluable in such diseases as locomotor ataxia, partial peralysis, St. Vitus' dance, sclatica, neuralgia, nervous headache, the after-effects of the grip, palpitation of the heart, pale and sallow complexions and all forms of weakness either in male or female. Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent on receipt of price, 50 cents a box, or six boxes for \$2.50, by addressing Dr. Williams Medicine Company, Schenectady, N. Y. Be sure you get the genuine; substitutes never cured any

"Weakness" is merely a symptom of chronic inflammation in the prostate gland, brought on by early dissipation or by the improper treatment of some contracted disease.
