

officials Saturday, when subscribers began to make payments, explaining that they did not regard the movement in favor of the referendum as serious enough to warrant any uneasiness. Some of the subscribers designed their their warrant any uneasiness. Some of the subscribers declared that their attention had been attracted to the fact that they owed a second installment on their stock payments by the story of opposition to the Fair.

Inter sail. Under the circumstances, officials con-nected with the Lewis and Clark Fair regard this feeling as unusually signifi-cant. It is interpreted to mean that conin the success of the enterprise fidence in the success of the enterprise is so thoroughly fixed that it cannot be shakee, and that, no matter what con-ditions may arise to cause a temporary delay in the work of preparation, the Fair will be held during the dates already fixed and upon a scale as elaborate as originally outlined.

originally outlined The fact that Portland has committed theil to the Fair and has already made partial arrangements to secure exhibits from other states, and even foreign comfrom other states, and even foreign coun-tries, is held to have a strong effect upor the subscribers and people of the city generally. Officials connected with the Pair insist that Portland people will not permit the movement to fail now.

Await State Commission.

SOUTH M'ALESTER, I. T., May 4-Big financiers of the East, head-ed by H. C. Frick, of Pittsburg, and John W. Gates, of Chicago, are forming a pool to get possession of all the coal lands in the Choctaw Nation. There are 440,000 acres in the Choctaw Nation, which will be sold at public auction and the proceeds divided among the Choctaws in accordance with the act of Congress. The price agreed upon by the Frick-Gates syn-dicate is \$25 per acre. It is not the intention of the syndicate to disturb the present mining companies, The workmen who have been employed upon the Fair grounds were laid off yesterday, and the engineering department terday, and the engineering department is not attempting to do anything further toward improving the area which will be occupied by buildings or used for other Exposition purposes. This work will be delayed until the state commission can give its official sanction to the plans. There is still as small force of men bus-ity engaged in stringing the wire fence shows the St Helens road and complet-

and the st. Helens road and complet-ing the work of inclosing the grounds. The wire was partially stretched and all the materials were on the ground. Under these circumstances it was believed betpolicy to proceed with the work rather than allow the wire to lle upon the ground mussed and exposed to the depre-dations of prowlers. This howwer, is all the work that will be undertaken un-

all the work that will be undertaken un-til the state commission is organized. The office force of the Lewis and Clark Fair directory is kept busy, for the work that has devolved upon these employes has been piling up so rapidly that, even if all other departments were to cease, the clais of the Fair are merely waiting for the state board, so some work of prepara-office force would still be busy. The offi-tion must be continued.

HILL ANXIOUS TO FIGHT.

Northern Securities Case Will Be Rushed in Court.

ST. PAUL, May 4 .-- The Northern Securities Company will do all possible to expedite its appeal from the Circuit Court with dividend checks today, dated 4, and signed by President J. J. After referring to past dividends Area. sion, acc HIL the circular says:

The trial of the suit brought by the Attorncy-General, your company in the Circuit Court of the United States in March, 1966, has resulted in a decree against your company holding the stocks of the Northern Pacific and Great North-ern Railway Companies, and restraining the two rallway companies from permitting your company to vote upon the shares and from paying to it dividends thereon. "So much of the decree as restrains

the two railway companies from paying over to your company dividends upon shares owned by it has been suspended by the court during the appeal of the case to the Supreme Court of the United States. This appeal has been taken by your com-pany, and will be urged as promptly as

"The sults brought against your com-pany by the States of Minnesota and Washington respectively have not yet been tried. The earnings of your properties have since their purchase largely increased and their actual value has been material-by enhanced and cannot be impaired, even though the decisions in any of these suits shall be adverse to your company.

CONFER WITH HARRIMAN.

San Francisco Merchauts Will Help to Keep Transport Trade.

SAN FRANCISCO, May 4.-President Harriman, of the Southern Pacific, conferred with representatives of local com mercial bodies this afternoon. The mat-ters under discussion was the attempt of Hill, the Northern Railroad and Steamship magnate, to cause the removal of the transport service from San Francis

The object of the meeting was for the commercial men and the railroad people to come to an understanding as to how far each side might rely on the other in of emergency.

Satisfactory assurances were given by each party to the discussion. It was re-solved that both mercantile and trans-portation interests should co-operate so far as possible in all matters where the welfare of San Francisco might be involved.

HARRIMAN-VANDERBILT HARMONY

Rise on Delaware & Hudson Shows a Complete Understanding.

NEW YORK, May 4 -- A rise of over six points in the price of Delaware & Hudson stocks today caused considerable specula-tion as to the probable cause thereof. "The real cause for the rise, and which

was only known in a very few select quar-ters," says the Commercial Advertiser, 'was a report to the effect that a large block of the stock had been transferred on the books of the company to the name of E. H. Harriman. This report there is the best reason for believing is true, and that it means that Mr. Harriman is probably to be elected a director of the company at the annual meeting tomorrow. The significance of this will be apparent at once to financiars and railroad men, as Opin 5c cigars are clean and wholesome. NEW YORK, May t-At the first day's
