Mob Eager to Lynch Alleged Man-Slayer.

COOL SHERIFF QUELLS ARDOR

Dispassionate Statement Saves Neck of Prisoner—Regretting Non-Action Futility Chase Is Made by Means of Locomotive.

SPRINGFIELD, Wash., May 12.—Angus J. McPhail, murderer of Fred Alderson, in Darlington Sunday evening, was brought to Everett last night by Sheriff Stanyar.

The mob was ready with its rope—not a mob of ruffians, turbulent and noisy, but a calm, quiet mob of business men.

Stanyar was warned by Coroner Bakeman, of the propriety of lynching Stanyar and the crowd and finally entered a restaurant.

All Arlington had known Alderson as a perfectly inoffensive man, they knew McPhail as a "hellion."

McPhail, shivering with fear, begged the officer to protect him. After the meal Stanyar walked to the door with the prisoner.

The mob slowly disappeared. Then Stanyar hurried to a livery stable and obtained a carriage with which to make a hurried departure from town.

The crime committed by McPhail was most cold-blooded, as he shot Saloon-keeper Alderson through the head while talking to him.

ROBBED OF VICTORY.

Shrewd Move of Spokane's Democratic Council.

SPOKANE, May 12.—(Special)—By a shrewd political move the Democratic City Council, aided by the outgoing Democratic Mayor, this evening took from Mayor-elect Boyd almost all of the city patronage the Republicans hoped to enjoy.

E. M. Woydt, Councilman, whose term was about to expire, was nominated and confirmed as Chief of Police, to succeed J. F. Reddy. Allen F. Gill, who has occupied the office of City Engineer for years past, although the Supreme Court had ruled that he was not entitled to the office, was confirmed as City Engineer for a year ago and is now entitled to salary for several months, was confirmed as City Engineer to succeed P. F. Byrne, elected a year ago but unable to take office.

THE COUNCIL WILL BE DEMOCRATIC FOR THE next year, and for the year succeeding that year will be a tie-five to five—hence Mayor-elect Boyd will be unable to remove the appointees.

YOUNG WIFEHOOD

After I had been married about four months I felt my health generally failing and dragged along wearily instead.

WINE OF CARDUI BROUGHT MRS. RICKER GOOD HEALTH.

After I had been married about four months I felt my health generally failing and dragged along wearily instead. My appetite failed me and I lost health and strength. I was nervous and had shooting pains through my limbs and stomach while bearing down pains and constant headaches added to my misery.

The first months following marriage are full of peril for the young wife and a dose of Wine of Cardui every day is a great reinforcement to her strength. Why don't you try for the same health Mrs. Ricker has? It is easy to secure if you take Wine of Cardui according to directions.

WINE OF CARDUI strengthens weak and worn-out women of any age and assists the mother and housewife to bear her exacting duties. It is a great stimulant to give birth to children and to perform housework, but Wine of Cardui makes women fit for all the duties of womanhood.

It will relieve the pains of irregularity, cramps falling of the womb, leucorrhoea, ovarian troubles, and has been known to remove what physicians considered dangerous tumors. Women who use Wine of Cardui do not suffer at the monthly periods. No shock or strain lays them up in bed for days or weeks with nervous prostration. They do not suffer hysterical attacks, because Wine of Cardui gives them strong nerves freed from the irritation of female suffering.

A \$1.00 bottle of Wine of Cardui purchased from your druggist will keep you free from pain.
