Secretary of State Gives to Relief Fund.

MONEY IS POURING IN FAST

All Sections of the Country Show Their Sympathy With the Sufferers at Kishinef by Liberal Contributions.

NEW YORK, May 20.—Daniel Guggenheim, treasurer of the Israelite relief fund, today received a check for \$300 from Secretary of State John Hay for the relief of the sufferers at Kishinef. Mr. Guggenheim sent \$10,000 to the Alliance Israelite Universelle, Paris, by the Ivernia last Saturday, and a similar amount will go by the La Lorraine tomorrow. The executive committee of this relief fund receipts of Jacob H. Schiff, Daniel Guggenheim, Cyrus Sulzberger, Emanuel Lehman and Judge Isaacs. Contributions have been pouring into the fund at the rate of \$50 or \$200 a day from all parts of the country, and from people of every faith. Dr. Stephen S. Wise has telegraphed that the Jews of Portland, Or., are contributing \$500. Arnold Kohn, treasurer of the central relief fund for the Jews of Kishinef, received about \$130 today, making in all about \$30,000.

SAN FRANCISCO WITH JEWS.

Mayor Calls a Meeting to Take Action on Massacres.

SAN FRANCISCO, May 20.—The Jewish residents of the city held an enthusiastic mass meeting here last night for the purpose of denouncing the Russian Government for the recent outrages perpetrated upon the Jews of that country. Judge Sloss presided and was the first speaker of the evening. Addresses were delivered by Rabbis Levy, Voorenberg, Nieto, Myers and Friedlander, who told the awful manner in which the Jewish people were treated, and asked for the aid and sympathy of the Jewish residents of San Francisco for the purpose of helping the stricken people in their hour of need. After the speeches a collection was taken up and a large sum of money was donated. Resolutions were then passed, denouncing the Russian Government for its persecution of the Jews. Mayor Schmitz has issued a call for a mass meeting of citizens to take action regarding the persecution of the Jews in Russia for Friday, May 22. The members of the Hungarian Mutual Aid Society have held a mass meeting and passed resolutions condemning the Russian Government for the outrages that are being committed on the Jewish people in the Russian Empire.

It is said that everything having the least interest to the Russian Government that is said or done in the United States is transmitted as rapidly as possible by this army of spies. They are especially anxious to get letters written by persecuted Russians to relatives and friends in this country in order that they may send back to the central government utterances

DEPUTIES ALMOST FIGHT

Wild Scenes of Disorder in the French Chamber.

Religious Bill is Disposed of by Vote to Continue Repression of the Clergy.

PARIS, May 20.—The Chamber of Deputies today continued debate on the religious agitation, during a speech today M. Engeland, Nationalist, denounced the government's policy, and M. Baudey, d'Asson, Conservative, created a scene, and had to be restrained by the guards from attacking M. Berthelet, Radical Socialist. M. Engeland declared Germany profited by the present anti-clerical policy of France, and closed his remarks with warning the Ministers that their course was likely to unloose the fury of the people. The debate, which lasted until 10:45, concluded by the House adopting, by a vote of 112 to 27, a resolution expressing confidence in the government's policy. Premier Combes replied to the attacks of the government's opponents, amid tumultuous demonstrations of approval from the Ministerial supporters, and manifestations of disapproval and many angry interruptions by the opposition.

SERIOUS CHARGE AGAINST RUSSIA.

Charged With Doing Away With Religious Work on Jewish Atrocities.

MILWAUKEE, May 20.—Dr. Walter Kemper tonight made the startling statement that a report which he made as a Commissioner of the United States Government appointed to investigate the condition of the Jews in Russia, at the time of the last exodus, in 1881, and ordered printed by the Congress of the United States, was suppressed, and all of the Government edition made away with and destroyed by the Russian representatives in Washington. He said that he had received letters from United States Senators and Representatives and officials of the Government asking him where they could obtain copies of the report, but neither he nor they were ever able to fathom what had become of the Government edition.

United States Cannot Intervene.

WASHINGTON, May 20.—Another large batch of resolutions came to the State Department today, all relating to the Jewish massacre at Kishinef. The department is acknowledging in proper terms the reports of all these, with promises of consideration. As the Russian government appears to have done what it could to restore order in the district, and seems to be punishing the perpetrators of the outrages officially, there is said to be no ground for United States intervention, or even representation, at this time.

Assassinated for Revenge.

UFA European Russia, May 20.—The assassination of Governor Bogdanovitch in the town park here yesterday was apparently an act of revenge growing out of the riot at Stautsk in March last, when 23 persons were killed and 50 others wounded by Guardsmen and troops. Details of the Governor's assassination show that he was walking along among the crowds in the park yesterday when he was approached in a shady lane near the church by two men, one of whom bowed low and handed Bogdanovitch a package. While the Governor was examining it the men drew revolvers and riddled Bogdanovitch with bullets, no less than nine being lodged in his breast and spine. The Governor died on the spot. The church watchman ran to the scene on hearing the firing, but the assassins escaped and threatened to shoot all who barred their way. Bogdanovitch had been Governor of the province for six years, and was generally popular.
