

PORTLAND IS OUT

More Discrimination on Freight Bids.

ALL OFFERS ARE THE SAME

San Francisco and Puget Sound Get the Business.

WHAT WAR DEPARTMENT SAYS

Oregon Firm Made a Reservation It Did Not Like, but No Chance for a Change Was Given as in Awards Last Year.

TERMS OF AWARDS.
The freight rate is \$4.25 per ton from either San Francisco or Puget Sound to Manila; officers, \$125 each, with subsistence; soldiers, \$40 to \$50, according to the number of troops; animals, \$110 per head from San Francisco and \$100 per head from Seattle, when substituted by the companies, and \$85 and \$75, respectively, when substitute is furnished by the United States.

OREGONIAN NEWS BUREAU, Wash- ington, May 22.—In passing around contracts for Government transportation to the Philippines, the War Department has again ignored Portland, but accepted proposals from Puget Sound and San Francisco, at the identical rate quoted by Laidlaw & Co., of Portland. In view of past treatment accorded the Oregon metropolis, it would not be surprising to see Portland again made the subject of unjust discrimination. What makes the present apparent discrimination doubly unjust is the fact that much of the freight to be shipped to Manila will have to be purchased in Portland and tributary territory, because it is offered there at a price considerably below that obtaining elsewhere on the Pacific Coast. But the Quartermaster Department recommended that the Laidlaw bid be rejected, and that apparently closed the incident. The Oregonian correspondent asked the acting Quartermaster-General why it was the Portland firm was ignored. "Well, you see," he replied, "the Portland bidders inserted a provision in their proposal requiring that a certain amount of the business be given to their line. The department will not do business on this basis. None of our contracts are guaranteeing any trade whatever to the successful steamship companies. We are reserving the right to ship under these new contracts, just such troops and supplies as we may desire, and to make shipments in such quantities and at such times as best suits our convenience."

"Then if Laidlaw withdraws that provision of his proposal, what will be done?" was asked. "We might then give the matter further consideration," was the reply. The bid of the Harrison Company, which proposed to handle consignments from Portland, was rejected, both because of the requirement of an 8 per cent cargo on each shipment, and because it was proposed to employ only sailing vessels in its business. The early action of the department in awarding the new contracts was unexpected, but it is learned that Colonel Humphrey, the new Quartermaster-General, who will arrive here in a few days, is strongly in favor of continuing the transport service, while the action on recent bids is a move in the opposite direction. Had the awards been held up until the arrival of General Humphrey, there is little question that the Portland bidders would have been advised of the unwillingness of the department to make a contract insuring to any bidder a stipulated amount of business, and they would at least have been given an opportunity to amend their proposal. This action was taken last fall in the case of the Boston Steamship Company at Seattle. In their original bid, they inserted a condition that they be guaranteed a certain amount of business, but upon objection by the department the condition was withdrawn. Laidlaw & Co., however, were given no opportunity to take similar action, at least, not until after contracts had been awarded to two competing lines which propose to carry freight only from their respective ports, while the Laidlaw bid covered all three. As far as Puget Sound is concerned, the contract now in force with the Boston Steamship Company is to be continued for another year from July 1, and that line will carry all freight from Seattle and Tacoma that are not sent by Government transports. It is hardly probable that any troops will go to Manila by the northern route during the next year.

Alaskan Contracts Not Yet Signed.
OREGONIAN NEWS BUREAU, Wash- ington, May 22.—It was stated in these dispatches yesterday that the War Department had made contracts with the Northern Commercial Company and O. J. Humphrey for all Government transportation to Alaska. No contracts have been signed as yet, although the Quartermaster's Department has recommended that the Alaskan business be awarded to the lowest bidder in every case, which is believed to mean that the two firms named will get most of the trade, especially on the Yukon River and to Nome, although some portions of the trade may go to the White Star line. The only thing definitely decided is that no contract will be made with the White Pass and Yukon Railroad for reasons heretofore stated.

ROOSEVELT TO DECIDE.
Navy Will Order No Squadron to Kiel Until Executive Returns.
WASHINGTON, May 22.—The various recent changes in the European squadron have caused a suspension of the plans of the Navy Department respecting the foreign movements of the ships which now comprise it. Yesterday the three protected cruisers—Albatross, Cincinnati and Raleigh—sailed from Villefranche for the

Atlantic station, where, with the New Orleans, they are to form a separate division of the Atlantic fleet. The departure of these three ships decreased the European squadron to the flagship Chicago and the gunboat Machias, last reported at Marsellia. Soon, however, they will be reinforced by the San Francisco, which has sailed from Santiago for Lisbon. Under the changed conditions it will depend on the President's whim whether this squadron will go to Kiel.

Postal Deficit Due in Part, to a Refusal to Obey Orders.
WASHINGTON, May 22.—Captain Henry A. Castle, Auditor of the Postoffice Department, and Controller Tracewell, of the Treasury, had an interview with Postmaster-General Payne today regarding the postoffice investigation. Mr. Tracewell submitted his answer to the Postmaster-General's recent request for supplemental information regarding the Tulloch charges. The answer will be made public tomorrow. Postmaster-General Payne today declined, with some warmth, to say whether the circumstances sur-

rounding the deficit in the free delivery system warranted the removal of Mr. Mächen, the general superintendent, who was relieved recently. Mr. Payne said, that in his opinion, the question was important. He was questioned by the newspaper correspondents regarding the discrepancy between the \$20,000 reported by Mr. Mächen as the deficit and the \$22,800 subsequently reported by the inspectors. Mr. Payne replied that promptly on the receipt of the report from Mr. Mächen that there was a deficit of \$20,000, he gave instructions that this deficit should not be increased, and expenditures should be curtailed so as to eliminate it, if possible, by the end of the fiscal year, July 30, next. "Then I immediately got the report that the deficit was \$22,800. A subordinate official has no authority to create a deficit without the authority of his superior," added the Postmaster-General. "I care not who that subordinate official may be. If he knew on May 1, that there was a \$20,000 deficit and that very day appointed a large number of carriers, which would largely increase the deficit, the action was objectionable."

The Postmaster-General said he had not yet sent any communication to Mr. Mächen. He developed today that on May 3, First Assistant Postmaster-General Wynne, through his chief clerk, John J. Howley, asked Mr. Mächen whether there were under his (Mächen's) division, any other items than that of map work in which the appropriation was likely to be exhausted before the end of the fiscal year. This letter sent also called for a statement of the probable condition of the Mächen then reported a deficiency of \$30,000 in the item of rural free delivery and, it is alleged, indicated that there was a surplus in the city free delivery appropriation. On May 7, by order of the Postmaster-General, a deficiency of \$30,000 in the item of rural free delivery and, it is alleged, indicated that there was a surplus in the city free delivery appropriation. NEGRO MAIL-CARRIER QUILTS.
Payne Decides He Was Unduly Excited and Will Resume Service.
WASHINGTON, May 22.—Postmaster-General Payne has ordered the immediate resumption of service on the suspended free delivery mail route at Gallatin, Mont. The resignation of John C. Allgood, the negro carrier who was intimidated and who refused to resume work, has been accepted, and the Civil Service Commission has been called on to certify a carrier to fill his place.

Postmaster-General Enjoined.
WASHINGTON, May 22.—Justice Hag- ner, of the District Supreme Court, today issued a temporary restraining order requiring the Postmaster-General to continue to record second-class mail privileges, pending further court proceedings.

FAMOUS BARITONE DEAD.
Richman, Who Achieved a Triumph in "The Flying Dutchman."
VIENNA, May 22.—Theodore Richman, the famous baritone of the Vienna Opera House, is dead of apoplexy. He achieved his greatest triumph in New York in "The Flying Dutchman," during the year 1889, and afterward made a tour of the United States.

Prominent Retired Naval Officer.
WASHINGTON, May 22.—Captain William Reinhardt Hoff, United States Navy, retired, died here today, aged 86 years. He was the author of several standard works on naval tactics, some of which have been translated into French, German and Italian.

NEW YORK, May 22.—Rev. George C. Eray, at one time President Arthur's pastor, who in the last 20 years has been prominent in the ministry and in the newspaper world, died today of apoplexy, aged 60 years.

REVISION IS SURE

Presbyterians Take Up Confession of Faith.

COMMITTEE TO CANVASS VOTE

Stated Clerk Reports That the Churches Almost Unanimously Adopted the Eleven Amendments to the Creed.

LOS ANGELES, Cal., May 22.—(Special.)—Pacific Coast interests loomed up in the Presbyterian General Assembly today. This evening a conference of Coast men was held to consider the work of Christian education in the West. Com-

missioners from Oregon, Washington and California were present, and discussed matters pertaining to the colleges and academies of the Coast. A great popular meeting was held tonight in the Emmanuel Church, which was crowded to the doors. The topic was Sabbath school work, and two Oregonians took prominent part. Rev. J. V. Milligan and Dr. Edgar P. Hill. In the course of his address Dr. Hill, to the meriment of the commissioners, gave Oregon and Washington a send-off at the expense of California. Among other things, he said: "You must not think for a moment that you have seen the entire Pacific Coast when you have seen only Southern California. If I were to take you out into the country five miles from the luxuriant palm and pepper trees that line these avenues, you might be ready to listen to me sympathetically when I say that the garden spot of this Coast is not in California, but yonder to the northward in the Willamette Valley. The lordliest river on this continent is the Columbia to the north, and the Presbyterian city of this Coast is not Los Angeles, nor San Francisco, but Portland, Or. You Californians must not get mad at me for saying this. Last year, in New York, I worked as hard as any of you to get this assembly to the Coast. I told of your orange groves, your giant sequoias, and your boundless hospitality, and never said one word about your chaparral bushes, your burning deserts, or your scorching Summer days. I was a Coast man then, but I am an Oregonian tonight, and I want to say to you men from the East that you will get no adequate idea of this Pacific Slope until you have seen Oregon and the country to the north."

CREED REVISION TAKEN UP.

Motion for Committee to Canvass the Vote Carries Without Debate.
LOS ANGELES, Cal., May 22.—The second day's session of the Presbyterian General Assembly was devoted entirely to the hearing of the report and listening to the confession of faith as amended by the assembly. The most important of these reports is that of the committee on evangelistic work. The entire afternoon was given to hearing the report and listening to addresses by several of those engaged in evangelistic work. The report had not been disposed of when the assembly adjourned to 3 o'clock tomorrow morning, at which time there will be further discussion. Late this afternoon the commissioners and their friends were tendered a reception at the Chamber of Commerce building, and tonight a mass meeting in the interest of Sunday school movements was largely attended at Emmanuel Church.

Although the sessions today were more of a business character than on the opening day, and had little of the attractiveness of yesterday's proceedings, there was no abatement of interest. Moderator Coyne called the assembly to order, and after music and prayer, stated the regular order of the assembly to be the report by Stated Clerk Roberts of the vote of the Presbyteries on the amendments to the confession of faith. Dr. Roberts announced that all the presbyteries had adopted the confession of faith as amended by the Presbyteries by an almost unanimous vote. Not a single overtone received less than 15 affirmative votes, nor more than nine negative votes. Three Presbyteries voted against revision as a whole. These are the Presbytery of Huntington, the Presbytery of La Crosse, and the Presbytery of Osnab, Mo. As soon as Dr. Roberts had finished reading the report, Dr. Van Dyke was on his feet and moved its adoption. A second was promptly forthcoming, and before any one had thought of discussing the report, it had been adopted.

Moderator Coyne then appointed a committee of five to canvass the vote of the Presbyteries on this important question, and instructed them to report to the General Assembly next Thursday morning. It is a foregone conclusion that revision will be adopted.

Having temporarily disposed of the confession of faith, the assembly listened to an earnest appeal by Rev. Dr. Fox, of Brooklyn, secretary of the Amer-

ican Bible Society, in behalf of that society's needs in the way of funds for the distribution of Bibles in foreign lands. Rev. Dr. Mather, the venerable missionary, also spoke on this point. Dr. Mather was warmly greeted and listened to with close attention. Dr. Fox's appeal was referred to the committee on bills and overtures.

The report of the committee on Sunday observance, which was the order of business of the day, was read. The report is a strong appeal for Sunday observance, and contained strong arguments against "seven-day" journalism. Rev. Dr. L. W. Hathaway, of New York, and Rev. Dr. Ramsdell, of Washington, made stirring addresses in favor of the committee's recommendation.

Great interest was manifested in the report on evangelistic work. John L. Converse, of Philadelphia, the locomotive manufacturer, chairman of the committee, read the recommendations and resolutions, which were quite voluminous. Mr. Converse asked that Rev. J. W. Chapman, D. D., of Philadelphia, secretary of the committee, be heard in support of the report. He was followed by Rev. John F. Carson, of Philadelphia, an eloquent plea for the committee's recommendations.

The report of the committee on "A Ministry for Hungarians and Other Immigrants" was read, on the Presbyterian building, New York, and the Young People's Societies, which were placed on the order of business as named heretofore, were not taken up. This afternoon's session, instead of following the programme as had been outlined at the morning session, a motion was made and carried to advance the report of the evangelistic committee for consideration, to be reported back to the assembly for final action. The annual report of the secretary, Dr. J. H. Lempink, of Memphis, of the executive committee of the American Board for the Ministry, was read this afternoon.

APPEAL FROM PORTLAND.

Baptists Asked to Move in Behalf of Jews at Kishinef.

BUFFALO, N. Y., May 22.—The Baptist Women's Foreign Mission Society today received a request from Portland, Or., to take some action concerning the outrages on the Jews in Russia. The request was signed by Rev. Alexander Blackburn and a Jewish rabbi. The subject was referred to a committee of other societies and word pictures of evangelistic experiences in foreign lands interested the delegates during the first session. The report of the committee of 15 was read and adopted.

General Assembly at Lexington.

LEXINGTON, Va., May 22.—At today's session of the Presbyterian General Assembly, the ad interim committee of the home mission society reported through Dr. S. L. Morris, secretary. Dr. C. Lilly, secretary of the executive committee of the colored evangelization, followed with the annual report of the committee. The remaining time of the morning session was consumed in reading a large number of bills and overtures of importance from various synods, presbyteries and churches, which were all referred to the proper committee for consideration, to be reported back to the assembly for final action. The annual report of the secretary, Dr. J. H. Lempink, of Memphis, of the executive committee of the American Board for the Ministry, was read this afternoon.

Oregon Man on Council.

NASHVILLE, May 22.—At the second day's session of the general assembly of the Cumberland Presbyterian Church, Moderator Timmon announced his official call, including: Oregon, L. D. Beck; Pacific, T. Z. King.

Hall Elected President.

WASHINGTON, May 22.—The National Association of Master Steam Fitters today elected Henry L. Hall, of New York, president.

RECEIVERS DO NOT MEET

Head of Porter Bros. Too Ill to Attend a Conference.

CHICAGO, May 22.—James S. Watson, president of the Porter Bros. Fruit Company, arrived at Chicago from San Francisco today, but postponed meeting the receivers whom Judge Kohlsaat appointed in Mr. Watson's absence to take charge of the company.

"We have been told," said J. P. Free, attorney for the receivers, "that by not meeting the order Mr. Watson will rest at home and will meet us tomorrow morning."

This information was confirmed at Mr. Watson's house, where it was said tonight that no explanation of the company's financial condition would be given by him until tomorrow, his condition being such as to make rest and absolute quiet imperative. The business of the company is being conducted without change in its organization.

STRANGE FISH CAPTURED AT TILLAMOOK HEAD

WHO CAN NAME IT?

The accompanying is a sketch of a strange fish captured at Tillamook by Mr. Dean, of Portland. It shows the large dorsal fin, the curious body and terrible head. The fish was unknown to the oldest inhabitants of the locality where it was caught. The monster is still at the City Museum. The length was 4 1/2 feet; height of dorsal fin, 8 inches; length of fin, 3 1/2 feet; teeth like a bear's claw.

The Santa Fe report says there is no doubt that a wide stretch of country in the vicinity of Newton was in the path of the storm, as it is impossible to work any of the wires entering there from any direction.

Two Hundred Cattle Killed.

ASHLAND, Kan., May 22.—A cyclone more severe than that of yesterday passed through this country this afternoon. No body was hurt, but much property was destroyed. Fifteen head of horses and 20 cattle were killed. Eight barnhouses and a schoolhouse were demolished.

Train Narrowly Escapes Being Caught in the Storm—Hull Breaks in Corrugated-Iron Roofs at Salina.

TOPEKA, Kan., May 22.—A dispatch from Clay Center says that at 4:30 today a cyclone struck the little town of Bala, in Riley County. Two little girls named Daub were killed. The storm struck part of Clay County, but so far as known nobody was killed. At Bala nearly all the houses in the town were blown away, telegraph wires were blown down, and much other damage done. The cyclone cleared a path 40 rods wide, moving just east of Broughton and west of Gearyville in Clay County. A Union Pacific train at Wakefield narrowly escaped being caught in the storm. Heavy rain followed the cyclone.

Damage by Cloudburst in Ohio.

CINCINNATI, O., May 22.—Reports today show that heavy damage was done last night in different parts of the Ohio Valley by cloud bursts and lightning. No lives were lost and none was seriously injured, but many people were shocked by lightning. The interurban electric lines are still badly disabled. A car on the Mill Creek Valley line was struck by lightning and set on fire at Carthage, and the passenger nearly escaped death. All being uncommodious for a short time. Much damage was done at Delhi, Home City and Fernbank. Many telegraph, telephone and trolley poles are down.

Another Storm in Wyoming.

CHEYENNE, Wyo., May 22.—Another storm has raged all day in the Bitter Creek Valley, where thousands of sheep are ranged. Shepherds are making every effort to protect their flocks, but thousands of head are exposed. The loss in this section this week will aggregate over 3000 head. Along the Oregon Short Line Railway, from McCammon, Idaho, to Opal, Wyo., sheep and lambs can be seen lying dead in the sagebrush.

Be sure to take

Hood's Sarsaparilla

This Spring—it will rid you of that humor that makes you break out, that takes away your appetite and strength and makes you feel sick. Take Hood's Pills, also, if you are bilious or constipated.

E. S. Bertchie, Hannibal, Ohio, says: "I took Hood's Sarsaparilla in the spring and it purified my blood and gave me a good appetite, and made me feel much better."

Maggie Perkins, Yale, Ill., says: "We have used Hood's Sarsaparilla in our family for years and have always found it as represented, a good spring medicine."

Ralph Rust, Willis, Mich., says: "This spring pimples covered my face and troubled me very much about shaving. I took a bottle of Hood's Sarsaparilla and the pimples are all gone."

Mrs. William Howell, Quogue, N. Y., says: "I have been using Hood's Sarsaparilla in my family for years as a spring medicine. Have found none equal to it."

This is the statement of a Portland citizen—

The testimony of a neighbor. You can readily investigate it. The proof should convince you.

Mrs. Gova, of 28 Montgomery street, wife of Captain C. G. Gova, ex-sea captain, who is well known to our readers, says: "I tried Doan's Kidney Pills and they did me more good than any other remedy I ever used for my kidneys. For two or three years, off and on, I suffered from sharp pains across my back, which started with a dull aching, and when I walked or overexerted myself the pain became very acute. Any cold I caught aggravated it and rendered my kidneys weak. I read about Doan's Kidney Pills and got a box at the Lane-Davis Drug Company's store, corner of Yamhill and Third streets, and used them according to directions, with the result that the backache left me and my kidneys were wonderfully strengthened. I am greatly pleased with the results obtained from Doan's Kidney Pills, and I unhesitatingly recommend this valuable remedy to any one suffering from kidney troubles."
