Mexicans Are Overwhelmed by the Falling Debris.

ABOUT TO LEAVE THEIR LABOR

Twenty-Four Dead Bodies Have Been Brought to Light—Double That Number Have Broken Limbs and Seared Bodies.

BARRAZOERAN Coahuila, Mexico, June 28.—Twenty-four miners were killed and about 50 others seriously wounded in an explosion of gas Thursday night in Las Esperanzas coal mines, the property of the Mexican Coal and Coke Company.

The men were on the point of quitting work for the day. Probably 100 men were in the mine at the time of the explosion. After the shock of the explosion those who were able to move rushed to the exits, but the falling earth and debris carried many down to death.

TALLYHO IS TURNED OVER.

Californians and Their Guests Are Severely Injured.

SAN DIEGO, Cal., June 28.—By the overturning of a tallyho yesterday afternoon, Lieutenant Mayson, of the French cruiser Protet, now in the harbor here, was severely injured, and A. Blochman and his son, L. A. Blochman, bankers of this city, were also badly hurt.

The party was bound for the Theosophy Society on Point Loma. Just beyond Oldtown the tallyho met an automobile. In turning out for it the horses swerved a little and the wheels went over the dyke and sank in the soft earth.

FOR LAW ENFORCEMENT.

Kentucky Sons of the Revolution Condemn State Lawlessness.

LEXINGTON, Ky., June 28.—The annual session of the Kentucky Sons of the Revolution closed with the adoption of the following resolutions:

"We, the Kentucky Sons of the Sons of the Revolution, descendants of those who staked their lives, their property, their all to win themselves and for us freedom from tyranny and the right to make laws guaranteeing liberty without license, personal security and the rights of property; reverencing the memory of our ancestors, cherishing the institutions they founded and the laws they established; realizing that those institutions can only be preserved by strict obedience to and faithful execution of those laws by all the citizens and officers of the State, which was the first to be admitted to the Union, for the recognition of which they shed their blood, do hereby resolve, That we do most sincerely deplore the condition of lawlessness that has brought reproach on the State we love, and do most severely condemn those officials to whose criminal connivance or inefficiency is due the disregard for the lives and property of citizens."

HANNA WOULD PREACH.

Salvation Army Would Have a Recruit If He Had Time.

CLEVELAND, June 28.—A fine new citizen to be used as headquarters of the Salvation Army in this city and vicinity was dedicated today. Senator Hanna was chairman of the occasion, and made an address of half an hour's duration. He spoke almost entirely of the work done by the Army and praised it. He said that if he had time to preach, he would help the Salvation Army with his voice.

system, is the largest milling concern in the Pacific Northwest, has this season turned out more flour than ever before, and the new Hammond mill has also been a pretty free shipper throughout the year.

Seattle's Breadstuffs Exports.

As the Government does not segregate the shipments in its monthly statement of breadstuffs exports from Puget Sound, and in the three states found a market in Europe, where the European miller will secure the profit on the grinding, and on the other hand, just as he did before the Oriental trade was developed, there will be some opposition to this scheme, and it may prove a difficult matter for the Great Northern magnate to make the Pacific Coast wheatgrowers submit to such discrimination without a protest.
