

WOMEN WANT HIM

An Army Officer Is Charged With Plural Marriage.

BRIDE THINKS HE HAS LEFT HER

While She Is Wiring Home to San Francisco for Money, Husband Is Trying to Find Her and Maintain His Innocence.

CHICAGO, June 29.—Lieutenant William McCue, of the United States Army, is confronted with a charge of bigamy. Several days ago he arrived at a Chicago hotel with a bride of two weeks. The bride was Miss Vida Simon, of San Francisco, who was nearly betrothed to another man when she heard that another woman claimed to be the lieutenant's wife.

McCue left the hotel, and the bride, believing that she had been deserted, made arrangements to return to her parents in San Francisco. A few minutes before midnight McCue returned, stating that he had spent the day at Fort Sheridan. The bride in the meantime had left the hotel, and up to a late hour McCue had not been able to find her. He positively denied the charge of bigamy. About the time the lieutenant was bidding his bride good-bye this morning and telling her how he would return to a woman in Cincinnati, who asserts she is his wife, informed the Chief of Police there that he had contracted a bigamous marriage. She said her wedding took place while McCue was an enlisted soldier stationed at Fort Thomas.

The exposure was brought on when Lieutenant McCue asked his new father-in-law to send cards announcing the wedding to the woman in Cincinnati, who now alleges to be his wife. She has been living there under the name of Ida Westcott, and had corresponded regularly with McCue until 1900. McCue and his bride arrived here nine days ago. She said today that he told her they were going to Fort Porter, N. Y., where his regiment had been assigned to duty.

Mrs. McCue said tonight: "When my husband left this morning he said he was going to get his pay and transportation at army headquarters. I waited until noon, but he did not come. General Bates, my husband had not been there, and then I feared the worst."

The deserted bride's father is Sigmund L. Simon, who has been cashier and book president in the Sheriff's office in San Francisco for 25 years. Mr. Simon communicated with Chief of Police O'Neill today through the San Francisco chief, and arrangements are being made to send Mrs. McCue back to San Francisco tomorrow.

When Lieutenant McCue was told the exact nature of the charge against him he made the following statement: "I never was married to Ida Westcott, all reports to the contrary notwithstanding. My courtship of Mrs. McCue was not a hasty one. I met her in San Francisco before I went to the Philippines. I have a 10-day's extension of my term in the Philippines which does not expire until July 1. W. K. McCUE. "First Lieutenant, First Infantry."

First Lieutenant, First Infantry.

CINCINNATI, June 29.—Ida McCue, wife of Lieutenant W. K. McCue, First Infantry, notified the Chief of Police today of the fact that she has been receiving cards announcing the marriage of her husband to a woman in San Francisco. She says she cannot account for this except on the theory that he has become insane through illness. She and McCue were married here while McCue was an enlisted man stationed at Fort Thomas.

Mrs. McCue and her father, Leonard Westcott, requested Chief of Police William H. McLaughlin to communicate with the War Department at Washington and have Lieutenant McCue relieved from active duty and placed in the Government detention hospital. Mrs. McCue says her husband was stricken with malarial fever in the Philippines, and she attributes his present conduct to his mental condition resulting from the disease.

Mrs. McCue is understood to be the affair and says that so far as she knows no divorce has been granted to the lieutenant.

Appeal Must Be Made to Better Side of Nation—Protests Will Avail Nothing.

LONDON, June 29.—Lord Mayor Samuel, in a speech yesterday at the prize distribution of the religion classes at one of London's synagogues, said it was quite useless to bring protests to bear in the hope of influencing Russia in regard to the treatment of the Jews. Their brethren in Australia, animated by the most generous feelings, had sent money, and had passed a resolution which it became his duty to submit to the Foreign Office. In following their wishes he was aware that the result would be. Therefore he was not surprised when assured that this was an internal matter, and that the Foreign Office could do nothing.
