THE NEW DIRECTORS

Lewis and Clark Board Holds Largely Attended Meeting.

FAIR WILL OPEN FREE OF DEBT

Big Change in Manner in Which Stock Was Represented-Secretary's Report Shows Corporation to Be in Good Condition.

Twenty-one of the 25 old members of the Lewis and Clark Fair board were re-elected by the stockholders yesterday, the places of the other four being filled by places of the other four being filled by new men. Aside from the vacancy caused by the death of President H. W. Corbett, the places filled by new men are those formerly held by O. L. Miller, of Baker City; P. L. Willis, Portland, and J. C. Cooper, of McMinnville. The new members elected are: H. L. Corbett, W. W. Cotton, Dr. K. A. J. Mackenzle and R. Lavingstone. Mr. Corbett is a grandson of the former president of the Exposition board, and is now in the East.

The re-election of W. D. Wheelwright was a compilment to the director. Mr.

was a compliment to the director. Mr. Wheelright left a short time ago for Europe, intending to make a three month's yisht on the Continent. Before leaving he wrote his resignation as a member of the board of directors, and in the letter expoard of directors, and in the letter ex-pressed the desire, in event his name was suggested for re-election, that he be not chosen. Mr. Wheelright urged business ties, and declared he could not give his time to the work. At the suggestion of Paul Wessinger, the resignation was laid on the table, and Mr. Wheelright was re-elected.

elected.

The meeting of stockholders yesterday was the largest the corporation has ever held. Not only is this true of the number of persons in attendance, but the stock holdings voted were greater. Fifty stockholders attended the meeting and \$2.76! shares of stock were voted. This represented a total of \$257.60 of the cap-ital stock that has been paid up, or about \$4 per cent of the total.

64 per cent of the total.

There was a big change in the manner in which stock holdings were represented.

At former meetings H. W. Corbett has represented stock valued at from \$125,000 to \$130,000. This included not only his own stock valued at \$100.000. stock, valued at \$30,000, but the subscriptions made by all the enterprises in which he was interested. The railroads have not been represented at previous meet-

Yesterday the Corbett interests were represented by a number of persons, and the largest number of shares voted by any single person was 51M, which were held by A. L. Mills. Mr. Mills represented many of the Corbett interests, including many of the Corbett interests, including the estate's holdings, the stock owned by the First National Bank, City & Suburban, Security Bank and a number of other stockholders. J. C. Alnsworth, who voted 3000 shares, held the proxies of the General Electric Company, Portland Hotel and Portland Railway Company, Henry Reed represented the Ladd estate, Jacob Kamm the Union Meat Companyand several small holders, voting 400 and several small holders, voting 4031 shares. He also voted the 2000 shares held by the Northern Pacific. Paul Wessinger represented the Weinhard inter-ests, which control 1000 shares; I. N. Fleischner voted 1400 shares held by wholesale houses of Portland; A. L. Moh-ler was present to vote for the O. R. & N. its 1500 shares; R. Koehler represented the Southern Pacific's 1500 shares and his own of 25; Phil Buchner, representing the Eastern & Western Mill Company, had 210

shares. H. W. Scott voted 74 shares and A. H. Devers 388. These are among the largest holdings represented yesterday. The report of H. W. Scott, first vice-president and acting president, showing the advance made in the work, was reviewed by the stockholders with president. ceived by the stockholders with gratifica-tion. The financial showing by Henry Reed, secretary of the corporation, indicates that the Fair Association is in an excellent condition. Mr. Reed's report covered the year ending June 30. It shows \$6772.55 delinquent upon the first assessment made on the stock and \$16.014.30 on the second. Since the first of July, how-ever, about \$900 of the delinquencies have been paid up, fully \$500 being re-ceived yesterday. This leaves the actual amount delinquent at present about \$12. 600. All of this, it is believed, will be collected within a short time

Stockholders Well Pleased.

The meeting yesterday was comparatively short. The reports of the officers were brief, though they fully covered the ground, and the election of the directors did not occupy any length of time. There was no opposition to the list nominated by former director P. L. Willis, and the stockholders appeared well pleased with the result of the meeting and the work on the Exposition thus far.

The new men who were elected to the board of directors yesterday are well known in Portland. W. W. Cotton has for years been the legal representative of the O. R. & N., and is an attorney well known throughout the entire Northwest. It is a coincidence that the election of Mr. Cotton places the attorneys for both the O. R. & N. and the Southern Pacific on the board, for W. D. Fenton, re-elected yesterday, is the Southern Pacific's local

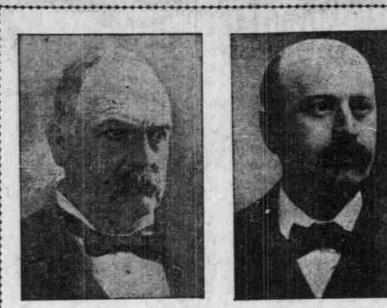

legal representative. H. L. Corbett is a grandson of the late banker and philanthropist, who was the "father" of the Exposition. He is a re-cent graduate of Harvard, and is now visiting in the East. Paul Wessinger, deplaring that the Fair Association owed it the memory of the late H. W. Corbett to perpetuate the name with the Fair, and believing that Mr. Corbett would be a valuable addition to the board, sug-

gested his nomination. Dr. Mackenzie, a prominent Portland physician, and R. Livingstone, president of the Chamber of Commerce, are the

wo other new members. The removal of O. L. Miller, of Baker City, to Olympia made his position as a director vacant. P. L. Willis declared his time too much occupied with other duties to permit him to continue, and it was understood that J. C. Cooper, of Mc-Minnville, desired to be relieved. The new board of directors will meet

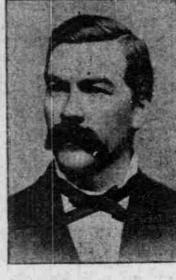

Friday afternoon and organize for the year's work. The election of the new officers will probably be followed at once by the designation of the committees. With so many of the old members remaining on the board, the work of namit may require a say or two's time to prepare the list. The following are the directors who will serve during the coming year; J. C. Ainsworth, George W. Bates, A. Bush, J. M. Church, Samuel Connell, K. A. J. Mackenzie, A. H. Devers, F. Dresser, William D. Fenton, I. N. Fleischner, Leo Friede, Charles E. Ladd, Rufus Mallory, A. L. Mills, John F. O'Shea, James H. Raley, George W. Riddle, H. W. Scott, B. Van Dusen, Paul Wessinger, William D. Wheelwright, R. one, Adolphe Wolfe, W. W. Cot-

Will Open Free of Debt. In calling the meeting to order Acting President H. W. Scott mentioned the importance of the work of preparing the grounds, erecting the buildings and providing for light and power. He predicted that the Fair would open free of debt and complimented the committees upon

OLD GUARD RETIRES.

Lieutenant-Colonel Clem Last Army Officer in Civil War.

Army and Navy Journal. The last of the Army officers who served in the Civil War, with a solitary exception, will be retired within a few Antonio Daily Express notes, will be Lieutenant-Colonel John L. Clem, Chief Quartermaster of the Department of Texas. This officer is due to retire on August 13, 1915. By that time there will be no other man in the United States Army who par-ticipated in the war between the North and South, except Colonel Clem. This peculiar distinction comes about because John L. Clem, according to the investiga-tions by the Historian Lossing, was probably "the youngest person who ever bore arms in battle." "Little Johnny Clem, the Drummer Boy of Chickamauga," also known as "Johnny Shiloh," bore arms in battle at the tender ages of 19, took part as a drummer boy, Il years old, in the Battle of Sbiloh, and later at Chicka-mauga, not yet 12 years old, rode to the firing line on a calsson by the side of an artillery veteran and performed an act of individual bravery and coolness that gave him a lasting name in history. This lad drummed the charge at Shiloh and with his short musket killed the Confederate Colonel who had him surrounded and demanded his surrender at the close of the fearful day at Chickamauga.

"Everybody in San Antonio," the Express adds, "who has come in contact with the Army officers at Fort Sam Houston, has met Colonel Clem and cherishes him in memory as a genial and chivalrous soldier and gentleman. He is vivacious and social, but you have to be intimate with him a long time before you find out from his lips that he ever stirred up a

The war record of Colonel Clem is entertaingly told by W. W. Carter, of Atlants, in a sketch entitled, "Little Johnny Clem, the Drummer Boy of Chickamauga, John L. Clem was born in Newark, O., August 13, 1851, and in May, shortly after the war broke out, offered his services as a drummer. The Twenty-second Mich-igan Regiment declined to muster him in on account of his size and years, but he was allowed to accompany the regiment and beat the "long roll" in front of Shiloh in April, 1862, where his soldierly spirit so won the confidence and admira-tion of the officers of the regiment that in May, 1863, he was enlisted at Coving-ton, Ky., as a drummer. At Chickamauga, having just passed his 12th year, he exchanged the drum for the musket, acting as a "marker," For valor and heroto conduct he was made a Sergeant by Rosecrans, who placed him upon the Roll of Honor and attached him to the headquar-ters of the Army of the Cumberland. At Chattanooga he was captured and held for 63 days until paroled. Later General Thomas made him an orderly Sergeant and attached him to his staff. He was at Perryville. Stone River, Resuca, Kene-saw, Peach Tree Creek, Atlanta, Nashville and other battles with the Army of the Cumberland. He served until the end of the war, when he was honorably mus-tered out. He returned to Newark, O., graduating at the high school in 1870. In 1871, General Grant, who had kept himself nformed of the movements of the "Little Drummer," appointed him a Second Lieu-tenant in the Twenty-fourth Infantry. In 1874 he joined the Artillery School at Fortress Monroe, where he graduated in 1875.

(Colonel Clem was once stationed in Portland as Depot and Purchasing Quartermaster and Chief Quartermaster of the Department of the Columbia. Colonel Clem's son has just been appointed a cadet to West Point Military Academy.)

Strikers Vote to Give Up the Fight. PHILADELPHIA, July 8.—Over 1200 employes of the John & James Dodson carpet mill today voted to return to work. No concessions have been made by the
