TRUTHFULNESS

Charles Dickens once said: "There is nothing so strong or safe in any emergency of life as the simple truth." Good advice this, especially good for SOME advertisers. To us this advice would be superfluous. TRUTHFULNESS is a mainstay of this business, and if we were ordering a flag to float over this big "Old Homestead" store tomorrow, on one side would be the word TRUTH, and on the other side OLDS, WORTMAN & KING'S, of course. We do not believe in hippodroming in merchandising. We do not set up a prolonged "howl at the moon" that we are "going to close our store at a certain date," make it an excuse to charge more than ever for our goods, then jump at an excuse of "something doing" in town to prolong the agony, just because the Summer quarters are not ready to move into, for continuance of the jugglery. Neither must you watch the clock here less you be told: "Sorry, but we're just out," or "you're too late, ma'am." Come here, shop at your leisure, comfortably, thoroughly—and we promise you every hour of the day, every day of the week, better bargains in better merchandise than any house in Portland offers. And every one of these bargain sales is in operation from 8 this morning till 6 Saturday night, when we close. No juggling with truth here, but red-hot, honest bargains ALL THE WEEK! AT OLDS, WORTMAN & KING'S. You know what a statement means with this grand name, of a quarter of a century record for TRUTHFULNESS, affixed to it. No wonder our business is doubling—for people like the "Different Store's"

TRUTHFULNESS

TRUE TO OUR PROMISE OF YESTERDAY

We announce this morning a clean-up of the past two weeks' BARGAIN SALE OF GOOD SHOES. It is real genuine economy to buy shoes at the frequent sales held here. There is always a reason for the "sales"—the shoes are sold at somebody's loss—clean-ups of factories or of our own stocks—mighty good shoes but bad merchandise for us to carry because sizes are broken or lots are not to be made or reordered. In addition to lots advertised last week are:

- MISSES' SUMMER TAN SHOES—All the rage today in the Eastern style centers, the usual \$2.50 values, all sizes, 93c. (Compare the above with the "loudly heralded" offer of one of our followers to sell a few sizes, for one hour only, of one day, of a \$2 quality for 95c.) All sizes, all the week, \$2.50 grade, 93c. HERE for... Be fitted properly—take your time, at a courteous store. OTHER BARGAINS—Women's House Slippers, with strap or plain, \$1.50 values, all the week for 98c. Women's \$5 and \$6 Pattern Oxfords, patent kid, Louis heels, the acme of the season's fashion, all week \$3.78. BOYS' VACATION SHOES—Solid Box Calif or Vici Kid: Sizes 11 to 13, values to \$2.00, for... \$1.18. Sizes 13 1/2 to 2, values to \$2.25, for... \$1.38. WOMEN'S EMPRESS \$3.50 SHOES—Five new lots added for this week's sale—Oxfords or high cut—the best \$3.50 shoe made in America for women, all \$2.23 this week. PLIGHT OF THE JEWS

Worse Than Slavery Is Russian Oppression.

FOOTBALL OF ALL FACTIONS

Expert on Immigration Says No Relief Can Come Till Laws Are Changed, or Jews of Russia Extinct—America's Protest.

ATLANTIC CITY, N. J., July 12.—John H. Weber, of Buffalo, N. Y., late Commissioner of Immigration at the Port of New York and chairman of the special commission authorized by Congress in 1888 to investigate in Europe the causes inciting immigration to this country, was a speaker today before the Jewish Chautauqua on the subject of "The Status of the Jew in Russia." In his address, Mr. Weber charged the Russian restrictive laws with being responsible for the misery and persecution of which people read and hear. He stated that there would be no peace, no substantial relief for the sufferers, until the total disappearance from Russia of either the Jew or the special laws directed against him.

THEY WANT DOLE'S SHOES

HONOLULU, July 12.—(By Pacific Cable.)—Although the term of Governor Dole does not expire until next June, campaigning has already commenced in relation to his successor. Reports have been received that Mr. Dole will not be named to succeed himself, and a large crop of candidates is expected early next year. Mr. Dole's friends, however, assert that his administration meets with the approval of President Roosevelt, and they confidently look for his reappointment.

Condition Worse Than Slavery.

"Today he is an alien in the land of his birth, a subject who bears an undue share of the burdens of good government without the privileges of its meanest citizen. Fettered in his movements, handicapped in his vocation, restricted in his educational opportunities, he is unable to protect himself and powerless to successfully invoke the protection of the authorities; a slave without the self-interest of a master to shield him from abuse, he stands helpless, friendless and defenseless against brute force, the irrepressible conflict of the age being government by autocracy and government by the people. The Jew is therefore the sport of the rabble, the spoil of the official, the football of fanaticism, the buffer against which strikes the wrath of bigotry, intolerance and savagery."

Electric Storm Hits Salvationists.

BEAVER CITY, Neb., July 12.—A terrific electric and wind storm prevailed here this afternoon, doing much damage to small buildings and windmills. The wheat crop just ready for harvest was also damaged. The Salvation Army of Kansas and Nebraska, now holding a campmeeting here, suffered much loss. Nine of its tents were blown down, Commander Holland was struck by the falling tent pole and sustained a serious injury, and the camp was flooded.

Panic-Stricken Man Drowned.

NEW YORK, July 12.—The excursion steamer CLIFTON, running around Manhattan Island, was in collision this afternoon with the Fulton ferry-boat New York. During the panic which ensued two deck hands of the CLIFTON jumped overboard, one being drowned. No passengers were injured, and both boats escaped with trifling damage.

LATEST FROM BARKIS

WILLIN' TO TAKE DEMOCRATIC PRESIDENTIAL NOMINATION.

He Wants to Be Shown That This Is His Duty to His Party and the Country.

Special to the Brooklyn Eagle. Buzzard's Bay, Mass.—The ex-President, Grover Cleveland, is occupying his summer residence here. He is hardly settled, for his removal is too recent. That might be the reason why interviewers are not welcome, but it is not. Those who know Mr. Cleveland best know that the ex-President regards his annual visit to Buzzard's Bay as a retirement which he is entitled to enjoy undisturbed. Hence newspaper men seeking to discover the state of his mind on public or political questions are not welcome. There are a number of the craft in the offing, but they have not obtained an entrance to the harbor of Buzzard's Bay, nor are they likely to, if they fly the flag of the press.

NEGROES RAISE A RIOT

ARREST OF BLACK MAN IN NEW YORK RESENTED.

Mob Pelts Police With Bricks and Stones, and Reserves Are Called to Clear the Streets.

NEW YORK, July 12.—A riot which required the services of three police precincts to suppress broke out tonight in the negro settlement in Sixty-second street. The trouble was precipitated by the attempt of Policeman Connor to arrest William Johnson, the leader of a gang of negroes, who were making a disturbance in the street. The policeman secured his prisoner after a sharp fight and was dragging him to the station house when he was assailed by a mob, and volleys of bricks and stones were hurled at him from the roofs of adjoining tenements. Connor opened fire on a negro on a roof, and the shots were returned from windows of the house. Reserves arrived and soon cleared the streets. Then they chased the rioters over the roofs, making several arrests and finally restoring order.

MRS. WOODS SPEAKS UP

Wife of Accused Doctor Denies Guilt of Best's Death.

EASTON, Pa., July 12.—A letter has been received by a local newspaper from Mrs. Woods, wife of Dr. John D. Woods, whose name has been connected recently with the investigation into the death of Colonel Best in California. Mrs. Woods formerly resided in Philadelphia, Pa., across the river from Easton. The letter, which is undated, starts out by saying: "We have not run away. We live quietly out of brokenheartedness. Our attorneys will not permit us to talk. They want the Bests to drive their last nail. Then, if they notify our attorneys, whom they know, in a few hours or minutes they can have us. We have committed no crime. They thought Colonel Best gave us about half a million in stock. He did not. The so-called 'diabolical surgical autopsy' was performed by the County Physician and the Coroner and was ordered by William E. Best, the son of Seattle, Wash. We never treated Colonel Best; no, never. The property they speak of finding with us was a grip only, which Colonel Best had given Kathleen, Colonel Best's daughter, a purely natural death. We are in New Jersey and shall remain until cleared."

NEGROES RAISE A RIOT

ARREST OF BLACK MAN IN NEW YORK RESENTED.

NEW YORK, July 12.—A riot which required the services of three police precincts to suppress broke out tonight in the negro settlement in Sixty-second street. The trouble was precipitated by the attempt of Policeman Connor to arrest William Johnson, the leader of a gang of negroes, who were making a disturbance in the street. The policeman secured his prisoner after a sharp fight and was dragging him to the station house when he was assailed by a mob, and volleys of bricks and stones were hurled at him from the roofs of adjoining tenements. Connor opened fire on a negro on a roof, and the shots were returned from windows of the house. Reserves arrived and soon cleared the streets. Then they chased the rioters over the roofs, making several arrests and finally restoring order.
