SEATTLE, Wash., Aug. 14.—(Special)—For six innings of good fast ball Seattle and Portland struggled at Recreation Park this afternoon before a man on either side had gone as far as second base.

It was in the seventh that the shower fell. Vanburner hit to Lemley, who made a great run and got his hands on the ball, but could not hold it. Nadeau swung three times and failed to land. Then it was Andy Anderson to the front, and he lined out a two-bagger, bringing in the run that was sufficient to win the game.

Los Angeles Defeats Sacramento. SACRAMENTO, Cal., Aug. 14.—Brown, who pitched for Sacramento, today won the eighth inning, when a two-bagger and a series of bunts caused him to lose his head. He threw the ball wild to Sheehan and three more runs crossed the plate, Wheeler having scored on the bunt. This won the game for Los Angeles.

Oakland Easily Defeats Frisco. SAN FRANCISCO, Aug. 14.—Oakland had no trouble in finding Frisco's bats, aided by San Francisco's errors, won by a score of 7 to 4.

TRACK MEET TODAY. Multnomah and Spokane Are Rivals at Victoria. VICTORIA, B. C., Aug. 14.—(Special)—The Portland team for North Pacific amateur meet tomorrow arrived here this evening in good trim, and while it is impossible to give a full accurate forecast owing to this being the first meet of the kind held here, Multnomah men are likely to be well to the front. Vancouver expects to make a good showing in the relay race, but Portland and Spokane have had the advantage in constant practice that will make their teams probably the chief rivals in most events. Over fifty entries all told have been made.

Spokane has a team of eight men, including Tilley and Pearson in the short races. Dexter and Matthews for the long distances, Murphy for the jumps, and Schuber for weight throwing. Local entries are heavy including many from naval and military men of the garrison here. The track is somewhat slow and there is not much likelihood of record breaking, but enthusiasts here will for the future of the new association.

Larned, the American champion, today, in the final match of the singles on the courts of the Meadow Club. The victory was won in three straight sets by the score of 6-1, 6-2, 6-1. The American's service was very weak.

went to Goss, but Bethel won the fifth, a deuce game, by a hard smash. Bethel's backhand drive was always effective, but his forward stroke almost always sent the ball into the net and lost many a point. Goss lost the ninth game with the score 5-4 on his own service, by failing to kill lob, and a little hard luck. The tenth was hard-fought, Goss finally winning by driving Bethel from the net by lobbing and then dropping one close in. Final score, 6-2, 6-4. Mr. Goss, as a result, is scheduled to meet Freeman in the semi-finals.

MILE IN NEW TIME

Dick Welles Lowers the Record for World at Harlem. GRAND OPERA EASILY BEATEN. Winner Clips a Fifth of a Second Off Alan-a-Dale's Mark of 1:37 3-5 on a Circular Track, Without Being Urged.

CHICAGO, Aug. 14.—Dick Welles won the special match race with R. E. Smatish's Grand Opera today at Harlem, and in doing so set a new world's record for one mile on a circular track. The winner's time was 1:37 2-5, which is one-fifth of a second off the record made by Alan-a-Dale at Washington Park this Spring.

The race did not amount to much as a contest, as Grand Opera was at no time near Dick Welles, the latter winning in a common canter. It was the opinion of horsemen who saw the race that Dick Welles could have run the mile in 1:37 flat had he been extended.

Grand Opera had about a half-length the better of the start, but in three jumps Dick Welles was in front, and took the fall at the first turn. He opened up a gap of two lengths at the far end, and maintained this all the way to the stretch, where he increased the lead to five lengths. From this home he was under a stout pull, and passed under the wire two and a half lengths in front of Grand Opera and only jogging.

The feat is the more remarkable from the fact that the Washington Park track is much faster than the Harlem, in fact considered the fastest in the country, while Dick Welles carried 112 pounds to Alan-a-Dale's 110.

Until the Alan-a-Dale performance the world's record for the mile was held by Brizant, which covered the distance in 1:37 3-5, at Sheephead Bay, on June 23, 1891.

Dick Welles was ridden by T. Knight and Grand Opera by Henderson. The owners of Dick Welles realized \$2500 from the race. The match was made for \$2500, to which sum the Harlem Association added \$1000.
