BLACK MADE CHIEF

Grand Army Elects Illinois Man by Acclamation.

NEXT MEETING TO BE AT BOSTON

General Miles Addresses the Convention and Is Given a Hearty Reception—Today Will End the Business Session.

THE NEW OFFICERS.

Commander-in-Chief—General John C. Black, of Illinois.

Senior Vice-Commander—Colonel C. Mason Kenne, of California.

Junior Vice-Commander—Col. Harry C. Kessler, of Montana.

Surgeon-in-Chief—George A. Harmon, of Ohio.

Chaplain-in-Chief—Winfield Scott, of Arizona.

SAN FRANCISCO, Aug. 20.—(Special.)—The 37th National Encampment of the G. A. R. will likely come to a close tomorrow noon. Officers were elected today and Boston selected as the next place of meeting. The delegates in attendance today were 1400. Oregon, entitled to 34, had 16 present.

The report of Commander-in-Chief Stewart was enthusiastically received. It showed that during the year there were gains in membership of 8183; reinstated, 13,672; loss by death, 9386, leaving the membership at 260,000.

In accordance with the recommendation of the commander-in-chief, the encampment voted to authorize the pension committee to prepare a bill to give all soldiers past 62 a pension of $12 per month.

A touching incident at the close of the commander's report was the presentation of a handsome jeweled badge of the order to General John C. Black. The tribute came from all of the entire Grand Army.

The National officials of the Woman's Relief Corps were presented today and received with cordial greeting; also a representation of army nurses, Mrs. Eleanor C. Ransom, Los Angeles, Cal., who is 88 years old; Mrs. Elizabeth Tarple, Aurora, Ill., aged 75, and Rebecca E. Frick, of Philadelphia, Pa., who is 80. General Nelson A. Miles visited the encampment and was received with great cheering. The General responded by a happy speech.

General Miles was moved to tears by a reception tendered him by the Spanish War veterans. It was a reception and welcome marked by unbounded enthusiasm.

HENRY A. BARDEN.

ELECTION DEVOID OF CONTEST.

Chaplain the Only Office That Required Two Ballots.

SAN FRANCISCO, Aug. 20.—The Grand Army of the Republic today selected Boston as the place in which the encampment of 1904 will be held and elected officers as heretofore given. The only contest in the election of officers was over chaplain, for which two ballots were taken. On the first ballot Bross, of Nebraska, received 288 votes; Scott, of Arizona, 286, and Bradford, of Washington, 25. Bradford withdrew, and Scott was elected on the second ballot.

Boston and Denver were the only places named for the next place of meeting. Before the ballot had proceeded far it became apparent that Denver had no chance, and it was withdrawn. Boston was selected by acclamation.

The remaining officers will be chosen tomorrow, the committee on resolutions will report, and it is expected that the encampment will adjourn at noon.

Receptions and Reunions.

During the afternoon a reception under the auspices of the press committee was held at Mark Hopkins Institute of Art. In the evening there was a reunion and dog watch by the Naval Reserve, which during the day had paid a visit to the Mare Island Navy Yard. The commander-in-chief was received by the ladies of the Grand Army in Union Square Hall and the Woman's Relief Corps, Department of Massachusetts, had a reunion in Golden Gate Hall. All of the social functions were well attended.

Commander-in-Chief Stewart and the officers submitted their reports this forenoon. The first report of the afternoon was that of the flag committee. It recommended the passage of bills through Congress and the different states for the purpose of fostering public sentiment in favor of honoring the national flag. The report of the committee was adopted.

Comrade Kimball, of Washington, D. C., presented a report on the subject of claims for veterans for preference in public service, and a resolution was adopted asking the President to issue an exclusive order granting this preference to veterans, and for the making of an order by him giving preference to veterans on the labor roll of the executive departments.

Delegations were received from the Women's Relief Corps, the Association of Army Nurses and the Ladies of the G. A. R. Several speeches were made by the visitors and appropriate responses by members of the encampment.

Lawler Nominates Black.

General John C. Black, of Illinois, was nominated by Past Department Commander Lawler, of Illinois, for the office of commander-in-chief. The nomination was second by Minton, of Kentucky, and Torrance of Minnesota. Under suspension of the rules General Black was elected by acclamation. He addressed the encampment, saying:

"I shall do in all ways whatever I can as your representative to advance the cause of comrade and country. I know how weak any man is in the presence of the majesty of the American people, but when I speak with your voices I believe that all the people will hear and will accord that which you request."

Miles Makes an Address.

Following the selection of the City of Boston as the place for holding the next encampment, General Miles was called to the stand for a brief address. General Miles said in part:

"This is one of the most enjoyable events of my life. There is no company more dear to me than that of the brave men who served this Nation. It is an inspiration to the people of this country to see their heroes moving from every quarter of this country to this grand reunion, and it has been an inspiration, a revelation and a consolation to you to realize that this is our country, saved by your valor, fortitude and sacrifice. Never was a war so desperately fought, never was a war fought with such sacrifice, and never a war ended so gloriously. When peace came, when the two contending armies had fought it out for the principles they believed to be right, the hands of brave men were clasped and they were brothers again, and henceforth and forever will be one Nation from ocean to ocean and from the Lakes to the Gulf."

At an early hour this morning a large number of the delegates boarded the steamer Unadilla for a visit to Mare Island navy-yard, where an informal reception was tendered the visitors by Commandant McCalla and Captain Tilly, Captain of the navy-yard. The discovery of Miss Sarah Brown, of Santa Clara County, in this state, daughter of John Brown, of Harper's Ferry fame, among the visitors to the encampment, afforded the visiting delegates of the G. A. R. an opportunity to extend their congratulations to the child of their friend, and she received a hearty greeting upon all sides by the old soldiers.

COMMANDER ON THE G. A. R.

General Stewart Recommends Pensions for All Soldiers.

SAN FRANCISCO, Aug. 20.—The report of Commander-in-Chief Stewart, submitted to the G. A. R. convention today, was received with great applause. In part, it was as follows:

"For the second time in its history the Grand Army of the Republic has journeyed to the Pacific Slope to hold its annual encampment. When we met in the City of San Francisco, 17 years ago, the eastern shores of the Pacific Ocean marked the western boundary of the republic. Since that time the foes of other days, the men who wore the blue and gray in the greatest war known in all time, have marched together under the flag of a united country, and carried it forward in the march of civilization and of progress. Today as surviving soldiers of the war for the suppression of the Rebellion and the preservation and continuance of the Union, we rejoice in the added glory of the flag, and the greatness and the power of the Nation, all of which emphasizes the grand results of the war in which we bore a part, and the crowning glory of which was the inestimable blessings conferred on the human race.

"The gains in membership the past year were by muster 8183, transfer 3602, reinstatement 11,672; the losses, by death 8366, honorable discharge 739, transfer 2990, suspension 12,513, dishonorable discharge 76, delinquent reports 3022; net loss 7245.

"The observance of Memorial day was of a character to assure us that the heart of the people of the land is still in sympathy with the beautiful and impressive service. There have been, as there always will be, some who will disregard the obligation that rests upon all the people to pay tribute to those whose valor secured them the blessings and the security which this and future generations will enjoy and share. We cannot but hail with delight the participation in the ceremonies of the school children of the land.

Relief Corps Is Commended.

"The Women's Relief Corps continues with unabated zeal the splendid work to which it is devoted and for which it is organized. The ladies of the Grand Army are none the less earnest and active in the work in which they are so lovingly and loyally engaged. The name Sons of Veterans is full of meaning. They feel that theirs is a heritage of glory—that they stand apart in a measure from the young men of their time. Bring the boys up nearer the post room, nearer the Grand Army, and they will form the new line of Union-loving, patriotic men, whose flag and purpose and altar will be that of their fathers.

"The responses to the general order requesting contributions to aid the comrades in the Southern departments in the work of celebrating Memorial day have been liberal.

"The noble and laudable effort of the Grand Army of the Republic to place love of country and flag prominently before the youth of the land has been eminently successful, and has reached all parts of the republic and its dependencies. The tendency toward the enactment of laws directing patriotic education and reverence for the flag is encouraging and commendable.

"Contributions to a limited extent for the Home at Mountain Springs, Ala., have been received from every part of the country.

"Major Falkner, the chairman of the committee on ways and means, said to the Commander-in-Chief the fraternal feeling and the kind sentiments expressed by the different G. A. R. posts and the individual members thereof throughout the North has touched and softened the hearts of every Confederate soldier in the South.

Favors Pensions for All.

"The administration by the board of pensions of the pension laws, that for so many years had proven so vexatious and unsatisfactory, seems to have been adjusted to a degree of satisfaction. I believe the present commissioner is earnestly endeavoring to discharge the duties of his high and important office honestly, liberally and justly, and yet he is not able to satisfy the many who feel and assert that the Government has not dealt and is not dealing justly with them. The complaints are not so numerous or so vigorous as in the recent past, and yet they are sufficient to warrant our earnest and careful attention and consideration. Complaint will never entirely cease, nor will cases of injustice be entirely eliminated from the administration of such a great trust, but by an honest, fair and liberal administration of the laws we may reach the minimum of complaint and of injustice. Is not the time at hand when wisdom and justice both warrant such an adjustment of the pension laws as will meet the condition that exists by providing for a fixed amount of pension per month? I believe it would be wise to appoint a committee whose duty would be to frame a proper bill and present the same to Congress providing for a pension of not less than $12 per month for all honorably discharged soldiers, sailors or marines who may choose to apply."

The address was received with great applause, the sentiment expressed and the reference to the progress of the auxiliary organizations meeting with much approval.

W. R. C. ELECTS OFFICERS.

Mrs. Sarah Winans, of Ohio, Is the New President

SAN FRANCISCO, Aug. 20.—The Womans' Relief Corps elected the following officers this afternoon and adjourned until tomorrow: National president, Sarah Winans, of Ohio; senior vice-president, Ursala M. Mattison, of Washington.

Golden Gate Hall presented a beautiful appearance today when the convention was called to order. Every seat was occupied and numbers of women were obliged to stand. The different delegations bore aloft the banners of their respective states, and the stage was lavishly decorated with California flowers.

National President Mrs. Ludusky Taylor, of Minnesota, presided, and after welcoming the delegates she introduced to them each of the national officers present. She then proceeded to read her report. It was quite long and went into many details regarding the organization. She told of her personal experiences during her visits to many parts of the Union, from Massachusetts, which she called "the mother of the order," to California.

Among the recommendations made by her was one asking that a committee of three be appointed to formulate rules for the better government of the corps. Another favored the permanent adoption of the present temporary ritual for funeral services. During the reading of the report Mrs. Taylor was frequently vigorously applauded.

Ladies of the G. A. R.

SAN FRANCISCO, Aug. 20.—The Ladies of the Grand Army of the Republic opened their National convention today in Union Square Hall. The attendance was large and the utmost harmony prevailed. The session was opened by National President M. Anna Hall, who, in a few words, told of the plans of the order, which she said had prospered beyond expectations.

A number of new circles have been established during the year and all are prosperous. In referring to the fact that her ten months of service as head of the organization were drawing to a close, Mrs. Hall, feelingly expressed her thanks to all who had assisted her.

SUICIDE IN ODD WAY

Man Puts Mouth Over Faucet and Turns Water On.

HE DIES IN A FEW MINUTES

Salt Lake Waiter Only Grips the Harder With His Teeth When Hospital Nurse Tries to Pull Him From Bathtub.

SALT LAKE, Aug. 20.—Andrew Adams, the waiter, who on last Saturday murderously assaulted and frightfully slashed Mrs. Jennie Gerald with a razor and then cut several gashes in his own throat in an effort at self-destruction, committed suicide in a remarkable manner at the Holy Cross Hospital tonight.

Since he was brought to the hospital he has made several attempts to tear open the self-inflicted wounds in his throat, and a close watch has been kept on him. Tonight, however, he evaded his nurse and went into a bathroom. He got into the tub, and, placing his mouth over the faucet, turned the water on full force. One of the Sisters who was searching for the man attempted to drag him from the tub, but Adams clenched the faucet between his teeth and held on until unconscious. He died within a few minutes.

It is now believed that Mrs. Gerald, who formerly lived in Butte, will recover.

CHOLERA ON TRANSPORT

Transport Sherman, With Tenth Infantry, Delayed at Manila.

MANILA, Aug. 20.—The sailing of the transport Sherman, now out from Manila 12 days homeward bound to San Francisco, was delayed by her having been quarantined owing to the outbreak of cholera on board. There was only one case, however, and that was reported cured when the vessel left. She carries home the Tenth Infantry regiment, with Generals Wood and Craigie.

Ladrones, it is reported, attacked the town of Tarlac recently and fought the inhabitants for an hour, while the majority of the constabulary, acting as garrison, were afield.

The Sheriff proceeded to Burke, seven miles distant, and raided the places mentioned, securing several wagonloads of paraphernalia, which will be burned tomorrow.

The first load reached the city this evening, and has been temporarily stored in the County Jail. Other loads will arrive tomorrow.

STEAMER GOES ASHORE.

Hundreds of People Make Rocky Shores Only in Night Garb.

QUEBEC, Aug. 20.—Word was received here tonight that the steamer Carolina, which left her yesterday for Saguenay, went ashore at midnight in the latter river, six miles from Tadousac. It is expected she will float with calm weather. There are 315 passengers on board, principally Americans, and although some were landed on rocks in the steamer's boats, the majority walked ashore in their night garb and suffered greatly from cold and wind.

This morning a tug took the passengers to Tadousac, many of whom being unable to secure their clothing were wrapped in rugs and blankets.

COLONEL TAYLOR DEAD.

New York Police Begin Investigation in Denver Man's Case.

NEW YORK, Aug. 20.—Colonel C. E. Taylor, of Denver, who was taken to the Hudson-Street Hospital last night from a hotel, suffering from hemorrhage of the stomach, died today. Colonel Taylor was found unconscious in his room. Facts which appeared suspicious caused the police to commence an investigation. Cards were found proving his identity.

New Officers of Army Nurses.

SAN FRANCISCO, Aug. 20.—The National Association of Army Nurses of the Civil War held their annual convention today. There were a large number present and the meeting was largely of a social nature, though held in executive session. The following officers were elected: National president, Mrs. Addie L. PASSED AS ELKINS' SON

YOUNG MAN ARRESTED FOR GIVING WORTHLESS CHECKS.

Believed to Be Same Individual Who, on Senator's Name, Cut a Dash in the West.

NEW YORK, Aug. 20.—Alfred Crosby Owen, 28 years old, who says his home is in Washington, was locked up at police headquarters today, charged with passing two worthless checks at the Waldorf-Astoria. The police believe they have the man who has been spending the last few weeks in the West chartering special trains and posing as the son of Stephen B. Elkins.

Owen took a suite at the Waldorf-Astoria yesterday, and Manager Boldt cashed for him a check for $50 drawn on the Elkins National Bank and signed by S. B. Elkins.

"I am Senator Elkins' son, and I am a little short of ready cash," he said. He went from there to the Fifth Avenue Hotel and engaged a room. The clerk at that hotel cashed a check for $5 to "self," signed by S. B. Elkins, Jr., and drawn on the Elkins Bank.

When arrested, Owen simply said he was well acquainted with Senator Elkins and his son, and he would get out of the trouble all right. The police say that Owen was dismissed from the Navy in December, 1902, on charges of failing to pay debts.

TAYLOR SPEAKS FOR POWERS.

Ex-Governor Says He Was Not In Conspiracy to Kill Goebel.

GEORGETOWN, Ky., Aug. 20.—As evidence in the case of Caleb Powers, his counsel this afternoon filed the deposition of ex-Governor W. S. Taylor, of Kentucky, now located at Indianapolis. The deposition contains a general denial by Taylor of the charges preferred against him in the indictment returned in the Franklin Circuit Court of complicity in the murder of William Goebel; also a denial of any knowledge of the complicity of any of the others indicted for or charged with being in the alleged conspiracy to assassinate Goebel. He denies any participation in, or knowledge of, any attempt to intimidate the members of the Legislature of 1900, or to force them to do aught than just and right in the settlement of the contest for the Governorship. He denies he had any of the incriminating conversations alleged to have been had with him by several commonwealth witnesses.

The deponent denies that the bringing of the armed body of men from the mountains on January 25, 1900, was for other purposes than peacefully to petition the Legislature. He declared that, so far as he knew, they were orderly and well behaved, and they returned home the night of the day of their arrival, for the sole reason that they had accomplished their one purpose to assemble on the steps of the State Capitol and petition the Legislature not to rob the men they had voted for as the nominees of the Republican party.

The deponent takes on himself the responsibility for their coming, saying it was originally his purpose to have about 1000 men visit Frankfort each day for the last few days the contest was pending, not to intimidate the Legislators, but to show them the extent of the feeling out in the state in the matter. He declares Caleb Powers to be innocent, so far as he knows, of any complicity in the murder of Goebel, and says it was for that reason he gave him a pardon.

HELD FOR TRAINROBBERY.

Nevada Sheriff Captures Four Men Believed to Be Old Offenders.

WINNEMUCCA, Nev., Aug. 20.—Sheriff Lamb, of Humboldt County, rounded up four men early today at Lovelock, who, it is alleged, have been operating through this section very successfully for some time past. The four men boarded two freight trains 15 miles east of Lovelock and robbed everybody found riding on the trains, then beat them up and threw them off the swiftly moving cars. Patrick Welsh, of Palisade, Nev., was shot three times after being robbed. He died this evening as the result of his wounds.

The four men are further accused of having been implicated in the stealing of the suit-case grip of Mr. and Mrs. Harvey Murton, of Montreal, Canada, which contained $2000 worth of jewels and $400 in currency, August 13, from a passenger train.

ROBBERS PUT TO FLIGHT.

St. Louis Hotel Clerk Mortally Wounds One Man.

ST. LOUIS, Aug. 20.—The highwaymen who attempted to rob the St. Charles Hotel office early today were put to flight by Clerk Dawson with a revolver, one of them, giving the name of Joseph Wright, being probably mortally wounded. Policeman Cremins, attracted by the shooting, received a bullet in the leg. Twenty minutes later John McAuliffe, a deputy constable, who was driving rapidly several blocks from the St. Charles Hotel, was shot and killed. It is not known who fired the shot.

McAuliffe, the police say, had a criminal record, and they are working on the theory that he was implicated in the attempted robbery. At the hospital the prisoner, Wright, admitted seeing McAuliffe in the vicinity of the hotel earlier in the night.

Men in Thresher Crew Shot in Row.

GUTHRIE, O. T., Aug. 20.—In a quarrel between thresher crews, three men were shot with a single charge from a revolver in Pearl Johnson's saloon at Keel. U. G. Calison was mortally wounded; Dill Calison, his brother, was slightly wounded in the right hand, and B. P. Jordan was grazed on the leg by the same ball fired by Irwin McDowell. The Calisons attacked McDowell, who warned them off and then shot, with the result mentioned.

Senator Found Guilty of Grafting.

JEFFERSON CITY, Mo., Aug. 20.—State Senator William P. Sullivan, accused of soliciting a bribe for three men on the anti-alum bill during the session of the Legislature last Winter, was found guilty by a jury here at 2:35 this afternoon, and his punishment fixed at $100 fine. While this is the maximum for the offense, the penalty could have carried a two months' sentence in jail.
