Fusionists Favor Re-election of Mayor.

CONFERENCE TAKES ACTION

Only Two New York Bodies in Opposition.

OHIO DEMOCRATS HOLD RALLY

State Campaign Opens at Akron With Tom Johnson and Hanna as Main Orators and Hanna the Issue.

MAYOR SETH LOW. Born at Brooklyn, January 18, 1859. Graduated by Columbia University, 1879. Clerk and later partner in father's tea importing house. Mayor of Brooklyn 1881-5; elected as independent candidate. Elected president of Columbia University, 1890. Unsuccessful candidate for Mayor of Greater New York, 1897. Chosen fusion Mayor of Greater New York in 1901.

NEW YORK, Sept. 9.—At the fusion conference tonight, the name of Seth Low was indorsed as candidate for Mayor to be presented to the fusion conference of all bodies affiliated with the fusion movement, except the New York Democracy and King's County Democracy. The conference was held at the headquarters of the Citizens' Union. The committee reported the bodies affiliated with the fusion movement were:

The Citizens' Union, Greater New York Democracy, New York Kings, Queens, Richmond Counties Republican committees; Kings County Democracy, German-American Municipal League of Brooklyn, Austro-Hungary anti-Tammany Association, German-American Municipal League of Manhattan and the Italian American League.

MAKE HANNA THE ISSUE.

Ohio Democratic Campaign Opened by Johnson and Clarke.

AKRON, O., Sept. 9.—The Democratic state campaign opening meeting was held in a tent here tonight, addresses being delivered by Tom L. Johnson, candidate for Governor; John F. Clarke, candidate for Senator; and Henry George, Jr., of New York. The crowd at the meeting was estimated at 3000. In his speech Mr. Johnson said in part:

"We have in this campaign three great questions to present to the people of Ohio. These are the questions of home rule, equitable taxation and the destruction of the unholy, if not corrupt, alliance between certain managers of the Republican party and the owners of valuable special privileges.

The City of Cleveland furnishes an excellent illustration of the issues of the Democratic party in this campaign. Cleveland has become known as the most completely ennobled city in Ohio. Since 1876 have been Mayor, its functions have been issued against the city in the interest of the owners of valuable special privileges like the street railroads and the gas and electric companies. And after each election the city in the interest of the same party and the owners of valuable special privileges.

"Senator Hanna, who is financially interested in some of these public corporations, with the aid of Attorney-General Sheets, has been endeavoring to prevent from compelling the public service corporations to pay their just share of the taxes, and has, so far, blocked the establishment of 2-cent fare street railroads to compete with his 5-cent fare monopoly.

Liberty of People at Stake.

"The last injunction issued against Cleveland strikes at the very liberties of the people. Senator Hanna, through this attorney-general, has secured an injunction from the Supreme Court restraining the city of Cleveland from expressing their opinion as to whether they would operate their own electric plant, or allow it to be operated for private profit. The injunction prevented the election.

"The municipal code which was foisted on all the municipalities of the state—Bose Cox's bogus plan of government—by a mere slip, had left in it a provision allowing cities to have their own electric plant if they desired it. It was certainly an oversight. If the men who made the code had only the sense that they would have left us in the same position as we are in respect to street railroads. The state laws are now such as to make it impossible to build a municipal street railway, but it is not impossible to build a municipal electric plant if you are successful enough to dodge the injunctions.

"Senator Hanna is standing for vindication. He stands for the maintenance of that variety of municipality ownership which through the ship subsidy, proposes to pay into the pockets of Mr. Hanna's friends \$100,000 to \$150,000 dollars annually in the form of ship subsidies. He stands as opposed to allowing the people of Cleveland to express their will as to whether they will be satisfied with the vessel at the voters."

Clarke Also Scores Hanna.

Mr. Clarke's address was in part as follows: "Let well enough alone," stand pat," "continue to stand pat," "hands off," "for God's sake keep letting well enough alone." This, in his own language, is the sum of the political wisdom and statesmanship in which Senator Hanna has given counsel to the people of this state and Nation for several years. As if, forsooth, he thought the National life of the Republic and the business of it would stand still, no move, at his command.

"The business of the country has resumed its normal course. It has run riot in speculation such as was never seen before, and now stands upon what all men fear is the verge of collapse and capital and labor halt in daily expectation of a panic—a fear in which the President and Secretary of the Treasury, by their public speeches, show they distinctly share. This condition has been largely brought about by the disturbance of business caused by the high tariff taxes, through which millions of dollars have been taken unnecessarily from the people and the channels of business and locked up into the United States Treasury or loaned out by it to favored banks.

"While Senator Hanna has thus been urging this do-nothing policy, there has been worked out, unrestrained, in our country, the greatest industrial revolution of modern times, which has placed every branch of business and manufactured control of a form of monopoly, which all the

NEW WAR ON LABOR

Catholic Church Throws Down the Gauntlet.

PRINTERS' OATH IS ATTACKED

Father Ward Declares Neither He Nor Any Other Priest Will Give Absolution to Those Who Swear Allegiance to the Union.

MILWAUKEE, Wis., Sept. 9.—The Journal today says: "The promise to be one of the largest contentions of which organized labor is engaged, one with the Catholic church, has been sounded by Father M. J. Ward, of Beloit, who has declared that neither he nor any other priest of the Roman Catholic faith will give absolution to those who have taken the oath of the International Typographical Union. The oath of this union requires that the member allegiance to his union shall have priority over every obligation, religious or otherwise."

Father A. F. Schinner, administrator of the archdiocese, said today that Father Ward was altogether unjust in making such a statement, and that he would himself say the same thing. Father Schinner's name is included in the list forwarded to the pope for a successor to the late Archbishop Keizer.

QUIET AT MINING STRIKE SCENE.

Colorado Properties Resume Work Under Military Guard.

COLORADO SPRINGS, Sept. 9.—A special to the Gazette from Cripple Creek says: "Today has been one of the quietest yet at camp at Camp Goldenfield. This morning guards were extended over to include the Stratton Independent. At present 75 men are working on the independent."

The Last Dollar mine started up this morning, also the Hull City placer property. The Findlay, Ajax and Strong mines increased their forces today, and from the present outlook it will not be many days until the full force of men at work. The Elkhorn mine will resume tomorrow morning.

A member of the executive committee of the Mineworkers' Association said tonight they were highly pleased with the condition of affairs. A statement issued last night is generally construed to mean that the miners will have to withdraw from the Western Federation of Miners before going to work in any of the properties of the district from this time on. From appearances today, the situation stands that no man who professes allegiance to the Western Federation of Miners will be accepted to any of the properties until he renounces his connection with that body.

General Bell tonight dispatched a company of infantry and a troop of cavalry to the Elkhorn mine, and tomorrow another camp will be installed on this property. The district union has issued a statement denying reports that the number of men at work and declaring that no new men are going to work.

GUARD IS ATTACKED AT NIGHT.

Troops Promptly Turn Out, but the Men Make Their Escape.

VICTOR, Colo., Sept. 9.—An attack last night upon a militiaman acting as guard at the Elkhorn mine resulted in the death of the officers commanding the troops, and within a few minutes every available man in the camp was patrolling the hills. Shortly after the guard had been placed on the Elkhorn mine, a man prowling about a building. He ordered the man to halt, which order was not obeyed. The guard fired at the figure and started in pursuit, firing as he ran. As the soldier the officers commanding the troops, and within a few minutes every available man in the camp was patrolling the hills.
