CLUBMEN TO RUN STORE

MERCHANTS DONATE LIBERALLY TO CARNIVAL EMPORIUM.

Rehearsals for "When Knighthood Was in Flower" Promise Dazzling Spectacle.

There have been many laughable and interesting country stores at carnivals, but it is safe to say that the "M. A. A. C. Josh Spruceby & Co. General Merchandise House." at Portland's big Fall carnival will eclipse them all. As indicated by val will eclipse them all. As indicated by the name, the store is to be operated by the Multnemah Chib, and the merchants of the city are donating most liberally to the firm, the Studebaker people having given one of their best farm wagons, which will be drawn during the two weeks. Prominent members of the Mult-nomah Club have volunteered to assist in the store and already some very grothe store, and already some very gro-tesque costumes have been ordered by the clerks. Everything from a toothpick to the wagon will be drawn. A postoffice will be operated in connection with the store, and the manager states that there will be a letter for every wir in Portland.

will be a letter for every girl in Portland.

Those in charge of the automobile re-port progress, and from this source the slub expects to realize a handsome sum. Tull & Gibbs yesterday added to the dona-tions by giving an \$80 chair to be disposed of as the club sees fit.

Things at the carnival grounds are assuming a finished appearance. The dozens

of men at work are fast completing their labor, and everything is being placed in tip-top shape. Director-General Bentley stated last night that things were moving nicely for the opening, and that the gates would swing open Monday on the dot. There was another large attendance at the rehearsal of the speciacular produc-tion, "When Knighthood Was in Flower, and those taking part showed wonderful progress. George L. Hutchin, the author of the spectacle for the Jabour Circus & Carnival Company, is delighted with the showing made last night, and feels certain that this one spectacle will be worth the cost of admission to the entire carpival. Mr. Jabour, who was also present at the rehearsal, was loud in his praise of ofessor Krohn, who is instructing. The Melnotte sisters gave their Spanish and Japanese dances and left the floor amidst the plaudits of the large gathering. These charming little dancers have already made many friends since coming to the city. They have gone to the extra expense of buying special new costumes for the Port-land production. Although only 17 years oid, they have appeared in the leading cir-cuits of the country, and have been prime favorites wherever they have danced. A ess rehearsal of the piece will be given turday aftrnoon and probably on Sun-

Owing to the liberality of W. E. Coman, general passenger agent of the Southern Pacific, it is expected that many from outhern Oregon will take advantage of carnival rates and visit the State Fair, Coman has arranged that the excursion tickets for the carnival will be good for stopovers at the State Fair, both going and returning.

An information bureau has been opened at the Multnoman Club in order that whatever assistance possible may be given visitors in securing places to stay while

COMING ATTRACTIONS.

Hoyt's Famous Comedy, "A Texas Steer," at Marquam Tonight.

Tonight at the Marquam Grand Theater the funniest of all the funny farce com-edies, "The Texas Steer," which is from the pen of the gifted Charles Hoyt, will begin an engagement of two perform-ances, this evening and matinee tomorrow at 2:15 o'clock. It is the most interesting laugh-producer in the entire category of funny plays and has achieved a vogue that is not enjoyed by any other comedy that has been produced in recent years. There is a reason for this; it is about the only play of its class that is exclusively original, both in regard to its charac-ter and in the manner of its construc-

The following well-known people will be found in the cast: James R. Devlin, who has been with the Hoyt attractions for years and plays Maverick Branders; the original and only Milt G. Barlow as the Minister from Dahomey; May Bretonne, a charming actress, as Bossy; Will H. Chatterton is the Major Tell; William Marble, Jr., Brassy Gall; the famous Texas Steer quartet, who are still introducing sweet melodies, and there are numerous clever people in the cast. Seats are now selling for both performances.

A team of contortionists, a man and a girl, are among the features of the new bill which the Empire Theater will present for the week beginning on Monday, September 14. The Yerkes, as the duo of human snakes are known, will appear in some entirely new twisted turns, and their act is replete with interest. Another act which has never before been seen in Portland is that of Walter H. Oakes, the bag puncher. To those who imagine that bag-punching has its limits, the work of Oakes is recommended for careful consideration. To slow music and fast, to classic selections and popular tunes, this cleves performer makes the leather bag keep time. He makes the bag dance rag-time, the two-step and the polka. He punches it in the dark and in the light, and its drumming is finally drowned in the applause the act eyokes.

"Burled at Sea."

A dramatic novelty will occupy the stage at Cordray's Theater next week, when "Buried at Sea" will be seen for the first time at the matinee next Sunday. The play is founded on an actual burial at sea, which was witnessed by the author while on his way to England in mid-ocean The scene with its attendant ceremonies so impressed themselves upon his mind that upon his return to New York he ing story upon the event. The play is full of heart interest, and the ceremony is reproduced in the same impressive manner as on board ship. The pathetic and som comedy, and the play is hightly spoken of by the press wherever it has appeared. "The Fatal Wedding," by the same author, Theodore Kremer, was one of the hits

Sale for "The Chaperons" Today, This morning at 16 o'clock the advance sale of sents will open for the big must medy, "The Chaperons," which to the Marquam Grand Theater next Monday night for an engagement of four nights, with a special matinee Wednesday at 2:15 o'clock. The company is one of unusual strength and numbers some of the best-known names in the musical comedy world. In the cast will be John G. Sparks, Mabel Hite, The Whiffen, May Boley, W. V. Strunz, Mae Stebbins, Arthur Earnest and Oscar Ragland. There is a chorus of 50 and a di-tinguished coterie of chic show girls.

Shields' Amateurs Tonight. Tonight is the last amateur night of the senson at Shields' Park. At least four acts will appear after the regular show, and an amusing time is promised. Fine weather is assured for the balance of the week, and large crowds will undoubtedl turn out every night to see the fine programme. The park closes Sunday night. Business has been good all week.

Ear-Marked With Brains. One long roar of laughter marks the appearance of Raymond and Caverly on the Empire Theater's stage this week. These

their work a keen appreciation of the fact that the public cannot be humbugged successfully for long at a time. Consequently they have seen to it that their act contains that type of ludicrous original-ity which is ear-marked with brains. And the result is shown in the riotous applause which follows every joke the duo makes. As they make about a million a minute the audience is kept pretty busy.

Shields' Park Closes Sunday. While the weather may be fine for an-other month, Edward Shields has con-cluded to close his park on Sunday night in order to give him time to finish and equip his new theater at Seventh and Washington streets, Sunday night's bill will be a corker. Several new acts are new in the city waiting to leave on Mon-day's boat for San Francisco and they have been secured to appear Sunday night. Of course Grace Walton Haynle will be the star feature in a new specialty. In fact the entire bill will be new.

"The Legion of Honor." There will be but three more perform ances of "The Legion of Honor" at Cor-dray's Theater, and the play will be sure to please the ladies who attend the mati nee performance tomorrow. The last per-formance of "The Legion of Honor" will be given Saturday night.

TROOPS TO BREAK CAMP

NATIONAL GUARDSMEN WILL RE-TURN TONIGHT.

Governor Chamberlain and Staff Review the Militiamen at Camp Summers.

GEARHART, Or., Sept. 10 .- (Special.)-By tomorrow evening Camp Summers will will be a thing of the past and the Portland companies will be home again. Today the camp was the scene of much life, there being the regular drills, the review at 2 P. M. by Governor Chamberlain and a staff consisting of Adjutant-General Finzer, Colonel David M. Dunne, Colone Houston and Major Baumgartner, assistant Adjutant-General of Oregon, accom-panied by Colonel Huston and Captain Burkhardt, of Vancouver, Wash, and the thorough inspection of the camp by Cap-tain Johnson, inspector of the Nineteenth United States Infantry, assisted by Colonel James Jackson, Inspector-General of

the Oregon State Militia.

All the officers were well pleased with the camp in every respect and were loud in their praises to Colonel Gantenbein. All of the prominent visitors, except Captain Johnson, left on the evening train for Portland. This evening's dress parade was the last to be gone through at this ncampment. Tomorrow the regular rou the will be followed until after the noon mess when the breaking of camp will be commenced. At about 2 P. M. the troops will be loaded on a special train of 15 cars and started for home. From weather indications camp will be pulled in the

Captain T. N. Dunbar, Company B, Portland, is acting as officer of the day; Lieutenant Emil Strupler, Company E, Portland, first officer of the guard; Lieu-tenant Bruce Kaltz, Company H, Portland, junior officer of the guard, and Ser-geant Fred Durban, Company H, Portland. Sergeant of the guard.

Colonel Gantenbeln practiced the troops in battle formation again today, charging the two battalions under Majors Mays and Baker against the second battalion under Major McDonell, which was posted on the top of one of the large sand hills. The battalion under Major Mays charged directly up the hill, but was repulsed. A second effort was made to capture the enemy and reinforcements under Major Baker strengthened the lines so as to enable the attacking force to take the site. Last evening some of the boys in Com-pany H caused a little excitement by placng a guard in front of one of their tents, telling him to notify every one who came near that Thomas Mann, who occupie the tent with Jay .H. Upton, Alfred Groener and Fred K. McCarver was sick with smallpox. McCarver was the only member of the tent who was absent while the fun was going on so he was somewhat surprised when told a little later by one of the members of the hospital corps, Theron Poston, who was hunting Colonel Whiting to ask him to go and quarantine the tent. The Colonel was much put out when he found the report was only a

The officers of the regiment gave a hor last evening in the Gearhart Hotel diningroom in honor of General Fredeick Funs-ton and staff, to which they invited their friends. An orchestra made up from the lighter instruments of the Nineteenth United States Infantry band furnished the music, which was excellent.

Good Scores Made at Roseburg. ROSEBURG, Or., Sept. 19 .- (Special.) Dress parade at Camp Lawton, O. N. G. in West-Roseburg, at 6 o'clock last even ng attracted the largest crowd of spec tators which has yet appeared there dur-ing the encampment. The local band furnished music.

Some good scores are being made on the target range in anticipation of the final try-out for the trophies in Portland in about two weeks. The encampment closes Friday evening.

BRITAIN WANTS THEM BACK American Selzure of Borneo Islands Calls Forth a Protest.

Office is said to have made resentations at Washington regarding the recent seizure of two or three islands off the northeast coast of British North Borned by the United States gunboat Quiros These islands are not connected with those off the coast of Sandaken (capital of British North Borneo), over which the American flag was recently hoisted.

The Quiros is stated to have lately vis-

ited a port on the northeast coast of Borneo, and to have thence steamed to Darvel Bay, an important center in Borneo, 150 miles southward. There the seizure is said to have occurred.

The islands which have been under Brit-

ish administration for the last 25 years were originally infested by pirates, who were driven out by the chartered company of Borneo. The action of the Quiros was brought to the attention of the Foreign Office, which then took up the matter. It is asserted at the Foreign Office that the whole question of the island is now under consideration at London and in Washington, and that when Foreign Sec retary Lansdowne returns, arbitration will be suggested.
