Rev. George A. Learn is Elected Chairman of State Association—Annual Session is Presided by Rev. W. E. Randall.

OREGON CITY, Oct. 12.—(Special.)—The annual meeting of the Oregon State Baptist Convention was convened at the First Baptist Church in this city tonight. Rev. W. E. Charles Hart, a singing evangelist of Albany, accompanied by a number of the delegates to the convention, conducted an informal service on a prominent street corner this evening prior to the regular service, that was quite a departure from the usual programme that is observed by these religious gatherings. Mr. Hart, accompanying himself on the guitar, led the singing of a number of hymns while a few remarks were offered by visiting delegates. The programme for Wednesday's sessions is as follows:

This afternoon the students have been given a half holiday, which is being utilized to put the college grounds in dress array. Everyone, from senior to sub-prep, is out with a spade or a rake, and the beautiful grounds beneath the hills will be at their best when the distinguished visitors arrive tomorrow.

FIGURING ON WOOD NEEDED. State Institutions Will Probably Require \$200,000.

SALEM, Oct. 12.—(Special.)—Clerk W. N. Gaten, of the Board of Capitol Building Commissioners, is preparing list of the amount of wood that will be needed for fuel at the different state institutions at Salem for the ensuing year. It appears that approximately 8,000 cords will be needed, as follows:

Asylum, 4,000 cords; Asylum Farm, 1,075 cords; Reformatory, 800 cords; State Capitol, 450 cords; State Prison, 1,200 cords; Blind School, 115 cords; Mute School, 200 cords.

It is the purpose of the boards controlling these institutions to receive bids for fuel for all the institutions at one time.

This year wood has been so scarce that it was necessary to import 4,000 cords of slab wood from the Best Kelly lumber mills at Eugene. Even this wood has been difficult to secure because of scarcity of cars for shipping.

SUES FOR HER SHARE. Mrs. Gaffney Says Husband Owe Her \$4000 for Sale of Farm Products.

been in effect ever since. In that length of time it is claimed that produce to the value of \$15,000 has been sold and that there remains due her the sum of \$2,624.

The plaintiff asks that the husband, who has the money on deposit in a local bank, be enjoined from drawing the money out of the present place of deposit, and making other disposition of the same as he threatens to do. As yet neither of the parties has taken steps to secure a divorce.

ISSUED RECEIPTS FOR LICENSES.

Scandal Brewing in Idaho is Relation to Payments to Sheriff.

BOISE, Idaho, Oct. 12.—(Special.)—There is some scandal brewing over the matter of money collected for hunting and fishing licenses. Sheriffs and Justices of the Peace as well as deputies are authorized to issue licenses for the purpose.

When the season opened many of the Justices of the Peace ran out of blanks and issued receipts to be taken up later. It seemed some time ago that it was a pretty good plan, and they have continued issuing receipts, reporting nothing but the licenses issued. In fact, it has been found one officer has about 200 such receipts outstanding. Every officer has plenty of blanks.

Hereafter persons found hunting with receipts instead of licenses will be arrested. They must get the license. As the Game Warden has the names of many receipt-holders in various sections, he is in a position to make things interesting for some of the offenders.

TELLS OF BREAK AT FOLSOM.

Warden Testifies in Trial of Convicts for Murder.

SACRAMENTO, Cal., Oct. 12.—Thomas Wilkinson, warden of the state prison at Folsom, was the principal witness today at the preliminary examination of John Wood and James Murphy, convicted, charged with the murder of Guard William Colter in the break of July last.

The warden gave a graphic description of the assault upon the officers of Captain Murphy. He told how the army was robbed of guns and ammunition and how officers were taken from the prison guards under threat of being killed by convicts armed with knives. He testified that the convicts were very friendly to the officers and that he had been a conspirator, but realized that one had been formed when he saw the armed convicts rush into the Captain's office.

WHITMAN FAIR OPENS.

Perfect Weather Promises Large Crowds at County Exhibition.

COLFAX, Wash., Oct. 12.—(Special.)—The ninth annual Whitman County Fair opened today with every indication of being the best fair in the history of the county. The weather is perfect. Country roads are in fine condition and farmers from all parts of the county are expected. The attractions are clean and of high order.

A best string of race horses ever entered here will contest for heavy purses. This being opening day the attendance was light, but is expected to be in full force each day. The race track is in fine condition and a two mile race was pulled off this afternoon, Pig winning the quarter-mile dash in 23 seconds, and Melville winning the half-mile dash in 52 seconds.

Old Man Falls in Fit on Northern Pacific Track Near Okeana.

CASTLE ROCK, Wash., Oct. 12.—(Special.)—An elderly man by the name of E. B. Rodgers was run over by the 2:30 south-bound train near Okeana yesterday afternoon. His body was brought to the station and taken to the hospital.

He had been visiting a brother and was walking along the track toward the station. It is supposed that he fell in an epileptic fit and the train came upon him just as it passed around a curve.

His legs and part of his head were severed from his body. The remains were taken to the hospital at Catlin, where he has relatives.

TEAM FALLS THROUGH BRIDGE.

Misfortune Follows John Osborn's Steps Very Closely.

ELMA, Wash., Oct. 12.—(Special.)—John Osborn, with his wagon and team, was let through the Clouallum bridge into the water, falling a distance of about 20 feet. One of his horses was killed and the other was badly shaken up that he will probably be laid up for the greater part of the winter.

He was hauling a load of wood, which he had cut, then offered, this being about the first work that he has done since the forest fire a year ago. At that time he had the mumps and in fighting the fire a relapse was brought on, from which he had never recovered.

EPPINGERS ARE EXPELLED.

San Francisco Merchants Exchange Takes Action Against Grainmen.

SAN FRANCISCO, Oct. 12.—(Special.)—The San Francisco Merchants Exchange, Herman Eppinger and B. Eppinger, the three partners composing the defunct grain firm of Eppinger & Co., have been formally expelled from that institution and expelled from that institution by order of the board of directors.

The official notice of expulsion does not state the reason for the act, but it is probably due to alleged frauds committed by the partners, which were investigated by the grand jury, with the result that that body returned true bills of indictment against Jacob and Herman Eppinger.

FEENEY BELIEVED TO BE BANDIT.

Telegram From Sheriff Storey Presents His Release at Everett.

EVERETT, Wash., Oct. 12.—Chief of Police Kraby has received this telegram from Sheriff Storey, of Portland: "Hold Feeney; think he is James, one of the train robbers who was in jail in Seattle, also in Butte."

Feeney was arrested here a week ago. He went peacefully with the officer two blocks and then offered to fight. The officer drew a gun and Feeney started to shoot. The telegram arrived just in time, as Feeney's sentence expired today. The story here is that Storey wants to know if Feeney, believing he might be Morgan.

SALEM, Oct. 12.—(Special.)—Circuit Judge George H. Burnett today dismissed the juryman for the October term without a single case having come up for trial.

C. E. Parsons, formerly an attendant at the State Insane Asylum, was arrested in Portland last night on a charge of stealing blankets and other articles from that institution. He was brought to Salem today and will be arraigned in court tomorrow.

'07 FLAG FLOATS HIGH

WHITMAN FRESHMEN OUTWIT AND OVERPOWER THE SOPHS.

Girls Take Part in a Pious Scrimmage—Faculty Objects When Students Come Through Ceiling.

WHITMAN COLLEGE, Walla Walla, Wash., Oct. 12.—(Special.)—For the first time in the history of Whitman College a class flag floats from the spire of the Memorial building, 120 feet above the ground. Twelve daring freshmen ran ladders up through the tower clock and clear to the peak of the tower. Then they cut a hole in the tin roof and Walle Merritt, of Portland, fastened the banner to the spire. The feat was a perilous one for all concerned and it has been attempted again and again in former years without success. The dauntless dozen that did the deed are: Ralph Niles, Carl Heim, Howard Merritt, Jim Lyman, Walle Merritt, Roy Wolfe, Edward Jamieson, William Ken-

ney, Rollin Dodd, Haylett O'Neill, S. Wilkinson and Allen. The feat was planned and executed admirably. The freshmen assembled promptly at midnight and scaled the steep roof by tying four ladders together. They toiled over five hours and it was 5:15 before the blue and white freshmen flag waved in triumph. Then freshmen joy knew no bounds, but they went tearing over the campus yelling and shrieking. Sophomores have been patrolling the campus for the last two weeks and at night and were much chagrined to see themselves outdone.

The freshmen class outnumbered the sophomores over two to one. They kept a guard in the tower all the morning and no attempt was made until noon to get the flag down. At lunch time the 'Wers assembled, ran a short ladder up the back roof and scaled it, four remaining below on the porch. They had hooks fastened to weights on the end of a long string and unsuccessfully attempted to grapple and tear the banner down, but the distance of over 75 feet made this impracticable. About this time the freshmen made a rush on the guards and tore down the ladder, leaving the sophs imprisoned on the edge of the roof, where they remained for several hours. A large and excited crowd of students watched the doings from the campus. Classes have been out recklessly all day.

The freshmen girls, not to be outdone, floated a pretty blue and white banner over their dormitory, Reynolds Hall, about noon and have kept a guard over it all the afternoon.

About the middle of the afternoon the freshmen remaining below determined to tie the five sophs and three followed one of the hardest tussles ever seen on the college campus. The sophs fought like tigers and covered themselves with glory, although outnumbered two or three to one.

The four prisoners were sentenced to five years' imprisonment and had more than two years' unexpired term to serve. They were set at liberty October 7, when they were landed in this city on the Government steamer General McDowell.

The three signatures forged by the convicts were those of Major E. R. Hills, acting assistant Adjutant-General at Washington; Major Henry M. Morrow, Judge-Advocate of the Department of California, and Major J. R. Williams, assistant Adjutant-General, the Department of California. In addition to these forgeries, official stamps of the Department of California were used.
