FULTON SHOWS UP INJUSTICE

Let-Up in the Ridiculous Questions Now Asked Entrymen is Also Very Probable as Result of Senator's Action.

Table with columns: PROPOSED OREGON RESERVES, Miles, Acres. Lists various reserves like Wallowa, Joseph, etc.

OREGONIAN NEWS BUREAU, Washington, Nov. 6.—At the solicitation of Senator Fulton, President Roosevelt has interested himself in the public land situation in Oregon, and promises to see to it that there shall be an adjustment of the administration of the forestry bureau and of the Interior Department, which will be satisfactory to the people of Oregon.

During a prolonged conference at the White House today, Senator Fulton fully explained the public land situation in his state, emphasizing the fact that the development of many counties has been materially and needlessly retarded by the reckless withdrawal of lands for forest reserve purposes. He also explained the embarrassment in which hundreds of entrymen have been placed by the over-zealous and unjustifiable methods that have been adopted by the department in requiring proof on timber and even homestead entries made in recent months.

He said that while Oregon, as a whole, indorses the forest reserve policy, its people do not want all the valuable lands included within reserves, nor do they like to have settlers and those seeking to become settlers humiliated by the department when they are attempting to make fraudulent entries, when in fact they are acting in good faith.

After his conference Senator Fulton said he felt confident the prevalent abuses would be remedied, as the President intends to take the matter up with the proper officers and insist upon a return to conservatism, not only in forestry matters, but in regard to all forms of public land entries.

CAN'T FAVOR OREGON SCHOOL

War Department Has No Authority to Allow It Rifles.

OREGONIAN NEWS BUREAU, Washington, Nov. 6.—Senator Fulton has been advised by the War Department, in response to a recent question, that the Government cannot furnish the Pendleton High School with rifles for use of its cadets. The Government furnishes arms only to schools at which an Army officer is detailed as military instructor.

TURNER IS FOR GORMAN.

OREGONIAN NEWS BUREAU, Washington, Nov. 6.—Senator Turner in an interview today declared Gorman is the natural leader of the Democratic party and would be nominated for President if the convention were to be held today. He says Cleveland's nomination is not to be thought of.

DELEGATION CONFERS TODAY.

Oregon Men Will Try to Agree on a New District Attorney.

OREGONIAN NEWS BUREAU, Washington, Nov. 6.—There will be a conference of the Oregon delegation tomorrow at which an attempt will be made to get together on the United States District Attorneyship. Neither Senator has yet shown a disposition to yield to the other, and there is nothing to indicate what direction a compromise, if there be one, will take.

MAY USE FORCE WITH PORTE.

Russia and Austria Are Expected to Send in an Ultimatum.

CONSTANTINOPLE, Nov. 6.—In consequence of the Porte's reply, pleading the superiority of the new reform scheme for Macedonia, on the ground that Turkey is carrying out the proposals previously agreed to, it is believed that Austria and Russia will send an ultimatum giving the Turkish Government a fixed term within which to accept the proposals, and that in the event of another refusal, the two powers will take steps to compel Turkish action.

NATIVES KILL SOLDIERS.

South African Commandant Unable to Get Them to Give Up Arms.

CAPE TOWN, Nov. 6.—A German missionary from Damaraland reports that Lieutenant Jobet, Commandant at Warmbad, ordered the Bondelswarts to deliver up their rifles for registration. A detachment of the natives met the Commandant to discuss the matter and an altercation arose. The Commandant, becoming impatient, shot the Bondelswarts chief, killing him.

More Germans-Slain.

LONDON, Nov. 7.—The Cape Town correspondent of the Daily Mail reports that the Russian policy of giving the natives to discuss the matter and an altercation arose. The Commandant, becoming impatient, shot the Bondelswarts chief, killing him.

CONFLICT WITH RUSSIA SURE

Grand Chinese Consul Urges Viceroy to Raise Troops.

LONDON, Nov. 7.—Specials from China give conflicting reports of China's attitude in the Far Eastern troubles. Telegrams from Shanghai say the Grand Council at Peking has issued a circular to the Viceroy and Governors declaring a rupture with Russia is inevitable, and urging them to raise funds and troops.

Manchurian Step Depreciated.

ST. PETERSBURG, Nov. 7.—The Novoe Vremya depreciates the annexation of Manchuria as the greatest blunder it would not repay the cost, and it adds the Near East is more important to Russia than the Far East.

America Has Entered Claim.

MADRID, Nov. 6.—In the Chamber of Deputies today the Foreign Minister, Count San Bernado, replying to a question, said it was a fact that the United States Government had entered a claim against the Spanish government for a sum amounting to over \$200,000, but he said he was unable at present to give any further information, as the matter was the subject of diplomatic negotiations.

PARKS TAKEN TO SING SING.

NEW YORK, Nov. 6.—Sam Parks was today sentenced to two years and three months in Sing Sing prison. This sentence was passed on the charge of extorting \$50 from the Tiffany Studios.

It was alleged that Parks, as walking delegate of the Housewives' and Bridgemen's Union, forced the Tiffany Studios to pay him \$50 to call off a strike. This was Parks' second sentence for extortion. He was released from Sing Sing on a certificate of reasonable doubt after his first sentence. In imposing sentence today Judge Newburg said he took into consideration the physical condition of Parks, who is said to be suffering from consumption in an advanced stage.

PARKS SAYS FAREWELL.

NEW YORK, Nov. 7.—Before he left his cell here to begin serving his sentence of more than two years in Sing Sing Prison for extortion of money from employers, Samuel Parks, ex-walking delegate of the local Housewives and Bridgemen's Union, called upon him a number of newspaper men to request their assistance in so doing he made the following statement:

Ex-District Attorney Osborne, Parks' counsel, said he would in all probability appeal, but that a certificate of reasonable doubt would be applied for. Parks was taken to Sing Sing prison this afternoon.

"It is only taken a little more than seven years for them to get me here. It has been a hard fight and I've lost; that's all, I'm down and out and I know when I've got enough. I'll be forgotten in less than a year except by some of the boys who thought there was some good in me and I am sorry to see it. Every laboring man in this country should remember me for years to come. I should be a warning to better. I'm the victim of a custom that is older than I am, and that is the habit of having money transactions with employers. That put me here.

Eruptions

Dry, moist, scaly tetter, all forms of eczema or salt rheum, pimples and other cutaneous eruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation.

To treat these eruptions with drying medicines is dangerous. The thing to do is to take Hood's Sarsaparilla and Pills

Which thoroughly cleanse the blood, expelling all humors and building up the whole system. They cure Hood's Sarsaparilla permanently cured J. G. Hines, Frank, Ill., of eczema from which he had suffered for some time, and Miss Alvina Waller, Box 212, Algona, Wis., of pimples on her face and back and chafed skin on her body, by which she had been greatly troubled. There are more testimonials in favor of Hood's than can be published.

Hood's Sarsaparilla promises to cure and keeps the promise.

The "Different Store" Olds, Writman & King

This Store Closes Every Evening Saturday at 6 o'Clock

Every representative retail house in all of the larger American cities, after carefully weighing the matter, and reasons pro and con, has decided to adopt the early-closing system. They have decided that the interests of patrons and salespeople are best served by a 10-hour day. Our experience here in Portland, as her leading representative "Congress Store," tells us that the majority are right, and while here and there occasionally we find a narrow-gauge house, which refuses to look beyond the present, and the few paltry dollars left with them during the evening hours, when tired salespeople should be resting, we are satisfied to continue the course adopted by all modern houses and CLOSE EVENINGS—SATURDAYS INCLUDED—AT 6 O'CLOCK.

TODAY WE WIND UP PORTLAND'S BIGGEST NOVEMBER BARGAIN WEEK WITH A BUDGET OF MATCHLESS SATURDAY SPECIALS.

"COLONIAL" UMBRELLAS—THE BEST IN THE WORLD—BIGGEST LINE IN CITY—\$1.00 UP Ladies' Monarch Gloves at \$2, also Derby at \$1.50 and Mascot at \$1.00 are the best Kid Gloves in the world—sold at the same prices in Portland as at the leading glove shops of New York and Chicago. \$2.50 HATS FOR 39c THAT BIG BARGAIN SALE OF LADIES' UNTRIMMED HATS CONTINUES TODAY

GLORIOUS NEWS FOR THE WOMEN OF PORTLAND!

If we told you that "on account of the rain and inclement weather, the blustery winds and soggy sidewalks, people didn't come out yesterday, so we continue the sale today," we'd be telling an awful untruth—for they did come out—came out and came in and jammed our big Millinery Salon until the walls got ready to move outward. Looked like the throngs around a "Prince o' Pilsen" ticket office, and WE SENT OUT NEARLY 1000 OF THE HATS.

However—we're no picayune buyers, we got this splendid lot of hats because we took a manufacturer's entire stock at a ridiculous price over six weeks ago, had them sent across the continent by slow freight so as to save expense and gave them over to you as we bought 'em, and there's ANOTHER BIG LOT HERE TODAY, the contents of several cases that were delayed in transit, arriving late yesterday, that will be offered today at the same price as ruled yesterday, viz:

\$2.50 Untrimmed Hats for 39c

Every Hat new this season; all leading popular shapes; values up to \$2.50, including satin-edged, scratch felts and French felts. Colors are castor, brown, navy, pearl, red and black.

COLOMBIA CAN MAKE NO WAR

United States Will Allow No Hostile Move Against Panama.

WASHINGTON, Nov. 6.—The events of the day as developed here as to the situation on the isthmus were the recognition of the de facto government, the receipt of dispatches from Commander Hubbard, of the Nashville, the arrival in Washington of Consul-General Guider, of Panama, and the issue of orders to Admiral Coghlan to proceed forthwith to the isthmus with the Consul-General.

The Dixie carries 400 marines.

MORGAN SEES BREAKERS AHEAD

Declares American Act Unjustified, and is Sure War Will Follow.

WASHINGTON, Nov. 6.—According to Senator Morgan, the attitude of this country toward the Panama revolution is not justified by a careful construction of the provisions of the treaty, and is at variance with precedents laid down by the United States. In discussing the situation today, he said: "This is the fourth time the United States has landed troops on the isthmus under cloak of the treaty. Heretofore, it has been for the suppression of the rioting, and for the protection of Colombia. Now that it is against the wish of Co-
