SALT LAKE, Nov. 13.—A special to the Tribune from Helper, Utah, says: At a meeting of about 30 miners employed by the Utah Fuel Company, at the Sunnyside mines last night, a vote was taken which resulted in a declaration to go on a strike immediately in sympathy with the Colorado miners.

Force of State Troops Lowered. DENVER, Colo., Nov. 13.—Governor Peabody today ordered that the number of troops in the Cripple Creek district be lowered to 20. The cavalry has all been ordered home, and in a few weeks the guard will be reduced to 50 or 75 men.

NEW YORK, Nov. 13.—Announcement was made today that Kidder, Peabody & Co., of Boston; Baring Bros. & Co., Limited, of London, and Baring, Magoun & Co., of New York, are offering \$7,290,000 of a Great Northern Railway Company two-year 5 per cent loan, secured by \$3,645,000 or \$3,726,000 St. Paul, Minneapolis & Manitoba Pacific extension sterling 4s, due July 1, 1904, deposited with the Bankers' Safe Deposit & Trust Company, of New York.

HANNA URGED TO STAY.

W. Murray Crane Mentioned for Second Place on the Committee. WASHINGTON, Nov. 13.—Stringent efforts are being made by the members of the Republican National Committee to induce Senator Hanna, the present chairman of the committee, to retain active connection with the committee during the next campaign. The call for a meeting of the committee today for December 11 and 12 renewed the efforts in this direction.

LEADING RAILROAD MEN COMING

President Eliot Will Have Company on His Western Trip. ST. PAUL, Nov. 13.—A large party of Northern Pacific officials will accompany President Eliot on his western trip. The special train will leave tomorrow and will proceed through to the Pacific Coast, the reading of the Journal, Livernash, where the greater part of the time will be spent. Among those who will go are Second Vice-President Hannafor, General Manager Cooper, Acting Chief Engineer Pearson, Comptroller Gray, General Superintendent Gilbert, Assistant General Superintendent Richards, Land Commissioner Phelps, Right-of-Way and Tax Commissioner Ferris and others. The train will consist of a number of private cars.

Buggy Blockade Over.

The Astoria train on the A. & C. R. R., after a long delay, got by the Buggy Chutes and reached Portland this morning about 1 o'clock. It was completed on reach the city from Astoria for nearly a week. Superintendent McGuire has a large force of men at work removing the debris, good headway is being made, and the work will probably be completed on Sunday. All of the O. R. & N., Southern Pacific and Northern Pacific trains were delayed by the prevailing storm, and not a train reached the city yesterday on schedule. Soft tracks and snow in the mountains are responsible.

ing the matter at that time, there is a strong belief that the Republican leaders want a general election to be reached before the December meeting disbanded, and the selections are made in the various states of members of the next national committee. The sole business to come before the December committee meeting is the selection of the time and place for the National Convention, but party leaders believe it will be better to leave some sort of an understanding as to Mr. Hanna's plans.

Election Frauds to Be Probed.

HONOLULU, Nov. 13.—Judge George D. Gear, of the Circuit Court, at the request of the Home Rule party, has instructed the territorial Grand Jury to hold an investigation into the reports of election frauds which it is alleged took the form of repeating, voting in the names of dead or absentee persons and perjury. Fifty witnesses will be called, among them being the election officers and the leaders of the political parties.

MINING TIE-UP IS BROKEN.

Northern Colorado Operators Grant an Eight-Hour Day Conditionally. LOUISVILLE, Colo., Nov. 13.—As a result of the concession of an eight-hour day by the operators, all of the striking miners in the Northern coal fields will return to work Monday morning. This was practically determined upon at a conference here this afternoon between the operators and a committee representing all of the unions in the district.

The operators agreed to grant an eight-hour day pending the settlement of the strike in the Southern coal fields, on the condition that, if that strike terminated without granting an eight-hour day for the Southern operators, the men should be put back to work on a nine-hour basis in the Northern fields. The committee of the men received this proposition with favor, and will submit it for a referendum vote tomorrow, when it is believed it will be accepted by the unions, and the miners will return to work Monday.

This eight-hour concession is the result of a conference held in Denver by the operators of the Northern Coal & Coke Company, and John F. Ream, of Colorado, a member of the National Council of the United Mine Workers of America, and National Organizer Chris Evans, of Ohio, representing President John Mitchell. Mr. Ream said the men would agree to a 10 per cent reduction of wages if given the eight-hour day.

Utahns Strike in Sympathy.

SALT LAKE, Nov. 13.—A special to the Tribune from Helper, Utah, says: At a meeting of about 30 miners employed by the Utah Fuel Company, at the Sunnyside mines last night, a vote was taken which resulted in a declaration to go on a strike immediately in sympathy with the Colorado miners. The men who attended the meeting represent about one-third of the number employed at the Sunnyside mines.

The company has posted notices assuring its employees who remain loyal every possible protection, and has employed a number of guards to protect its property from any possible depredation of the strikers.

Operators Make Advances for Peace.

TRINIDAD, Colo., Nov. 13.—For the first time since the coal miners in this district were declared on Monday, J. T. Keeler, general manager of the Colorado Fuel & Iron Company, is said to have made advances to effect a settlement. Today, it is authorized to be stated, he requested the striking miners to appoint a committee of five men to confer with him in his office in Trinidad. This proposition was rejected by the men, who say the United Mine Workers of America must be recognized before any settlement can be made.

Force of State Troops Lowered.

DENVER, Colo., Nov. 13.—Governor Peabody today ordered that the number of troops in the Cripple Creek district be lowered to 20. The cavalry has all been ordered home, and in a few weeks the guard will be reduced to 50 or 75 men.

Railroads Aid Steel Exports.

PITTSBURGH, Nov. 13.—Railroad traffic men have agreed to the propositions of the various steel manufacturers to transport the country for a special rate for all export steel that is to be shipped from the interior to the seaboard, and the new schedule, which is shortly to go into effect, will further aid the export of steel from the American mills to foreign countries. No definite amount was mentioned in an agreement.
