HARD FOUGHT GAME

Washington Defeats Nevada, Two to Nothing.

ON THE SEATTLE GROUNDS

Northerners Given the Championship of the Coast--Outplayed the Visitors at Every Stage of the Game.

SEATTLE, Wash., Nov. 20.—(Special.)—The University of Washington won the championship of the Pacific Coast today by defeating the star football eleven of the University of Nevada by a score of 2 to 0.

The game was the closest and hardest gridiron battle that has ever been pulled off in Seattle. Although the two teams were most evenly matched, Washington outplayed Nevada at every stage of the game, with the possible exception of the punting.

Treisel, Nevada's left halfback, was undoubtedly the star of the Southern aggregation. His kicking would compare favorably with any of the big elevens of the country, while at carrying the ball he is likely one of the best backs that has ever played on the Pacific Coast. Two of his punts from free kicks each netted 65 yards. Treisel, together with Steckle at right half and Knox at full back, formed the great strength of the Nevada eleven.

Washington's power was due to a line through which it was impossible to gain. Scherer at right guard and Segrist at left tackle distinguished themselves a number of times during the game. Tom McDonald also proved to be a good match for big Ab Steckle. Pullen at left guard and Scrim at center played equally good games at their respective positions.

The safety which gave Washington her two points was made during the first half after 15 minutes of play. Segrist blocked a punt, forcing Treisel to fall on the ball behind the Nevada goal line. Twice Washington had the ball within striking distance for a touchdown, only to lose it to the visitors. Spiedel tried a place kick from the 15-yard line. The ball went squarely between the posts, but about six inches too low.

ALL READY FOR THE FRAY.

University of Oregon Eleven Confident of Victory.

UNIVERSITY OF OREGON, Eugene, Or., Nov. 20.—(Special.)—Everything is in readiness for tomorrow's football game between Oregon and the State Agricultural College, and if present indications count for anything the contest will be witnessed by a record-breaking crowd. The 'varsity eleven will enter the game in a somewhat crippled condition, owing to the absence from the line-up of Center Rush Reid and Right Guard Earl. Reid contracted a severe cold in the Oregon-Washington game last Saturday and has been unable to practice this week. His place will be filled by Carl McLean, a husky substitute. Earl, who was called away from college Monday, by the death of a sister, will be out of the game and his place will be filled by Penloud, the light-weight guard, who did such effective work in the game at Seattle. All the rest of the Oregon men will be found in their regular positions and most of them are in good form. Coach Smith put his men through their final practice this afternoon and expressed himself as being satisfied with their work. In the evening a monster football rally was held on the university campus and the enthusiasm displayed reminded one of the old days when Shattuck, Edmunson and Coleman were the idols of the 'varsity gridiron. Speeches were made by a number of prominent students and graduates.

Previous games between the university and the Agricultural College have resulted as follows:

1894—U. of O.	0	O. A. C.	16
1895—U. of O.	44	O. A. C.	0
1896—U. of O.	8	O. A. C.	4
1897—U. of O.	8	O. A. C.	22
1898—U. of O.	28	O. A. C.	0
1899—U. of O.	28	O. A. C.	0
1902—U. of O.	0	O. A. C.	0
Totals—U. of O.	135	O. A. C.	46

OREGON MEN IN BIG TEAMS.

F. Whalley Watson Writes of Players That Have Won Distinction.

A communication has been received from F. W., better known as Whalley Watson, son of J. Frank Watson, of Portland, now studying mining engineering at Columbia University in New York, regarding Oregon football men in the East:

"Columbia University, N. Y., Nov. 15.—Sporting Editor, Morning Oregonian.—Dear Sir: I have noticed from time to time this season in your columns special notice has been taken of Oregon men playing on the football elevens of Berkeley and Stanford in California. In the same connection it is my purpose to call your attention to a few of the Oregon men in the teams of two larger universities of the East.

"The team of Columbia, which yesterday finished a most successful season by defeating Cornell, and which has only once suffered defeat, and that at the hands of Yale, was captained by Richard S. Smith, of Klamath Falls, well known on the Coast as Dick Smith. He has developed into one of the best defensive backs on the gridiron today, and is looked upon as the surest ground-gainer in the team.

"Chauncey M. Bishop, as left end on the same team, comes from Salem, Or., and is not only an aggressive player in his position but is used to punt, and has a splendid record in this line.

"As field general of the Yale team F. H. Rockwell, of Portland, quarterback, is looked upon as second to none in the country.

"The Oregonians in Eastern colleges are proud of the records these men have made and of the state which has produced them. Yours truly, F. W. WATSON."

SECOND TEAMS SUBSTITUTED.

Willamette University Defeats Albany College 16 to 0.

SALEM, Or., Nov. 20.—(Special.)—Willamette University's second team today defeated the second team of Albany College by a score of 16 to 0. At the last minute, the first-team game, which was to have been played between the two schools, was called off on account of the inability of several of the players and the scrub game substituted. It is probable that the two 'varsity teams will meet here December 5.

In the first half, Willamette Juniors easily demonstrated their superiority by gaining two touchdowns and one goal. In the second half Dupeys, of Albany's first team, was run in, and the Juniors were only able to score once, carrying the ball, however, almost to the line a second time, where it died. The field was wet and the crowd small, but the best of feeling prevailed. The lineup follows:

Albany—Butler, left end; Walt, left tackle; Zumwalt, left guard; Marsters, center; Bean, right guard; Barnes, right tackle; French, right end; McCurcher (c), quarter; Rowel, left half; Bilyeu and Dupeys, right half; Shaw, full. Willamette—Catlin, right end; Shanks, right tackle; Fisher, right guard; Spires, center; Averill, left guard; Knotts, left tackle; Whiteman and Dart, left end; Winslow, quarter; Matthews (c), right half; Jerman, left half; Trammell, full.

Time of halves, 20 minutes each.

WEIGHT VERSUS AGILITY.

Factors in the Yale-Harvard Game Today.

In today's football game with Yale at Cambridge, Harvard is hampered by the disadvantage of having an exceptionally light team, while Yale is rather heavier than usual. The Yale line averages 20 pounds more to the man than their Harvard opponents. The question is, Can Havard's line hold against the Yale plunges? The mere question of weight argues, No. Skill and speed are wonderful aids. Princeton won by them last Saturday, but ordinarily sheer weight and brute force, in spite of the dicta of side-line critics, are the most powerful factors in a football game, and furnish the violent physical struggle that constitutes the charm of the game. With weight on her side, Yale, like the equally heavy Dartmouth team, should defeat Harvard. If Harvard wins she will deserve a like credit with Princeton, which received the applause of the whole country for the wonderfully skillful and initiative game put up against the much heavier Yale eleven.

TO CONTEST AT MT. ANGEL.

Columbia University and Mt. Angel Elevens Play Today.

Columbia University and Mount Angel College, the two largest Catholic educational institutions in Oregon, meet on the football field this afternoon for the first time in their histories. The game takes place at Mount Angel. Both teams have had very successful careers this season, and play a hard, fierce game, but this week they have been only taking light practice for fear that some of their men might be injured. The rivalry that exists over this game is unequaled by any game played this year in Oregon.

A special car for the Columbia team and its supporters leaves the Union Depot for Mount Angel this morning at 8:30, and will wait at Mount Angel until the game is over to return the team to town tonight.

Football Games Today.

The Multnomah football team does not play a game today, but the second eleven meets the second Chemawa at 3 o'clock on Multnomah Field. Both teams are light, but they are the players who will some day be the First Multnomah and First Chemawa, and they play a good fast game about equal to the better academic teams.

At 2 o'clock, just preceding the Indian game, the Bishop Scott and Hill Academies, equally matched light teams, will battle for the cadet honors of the city. At first no game could be arranged between these teams, but the principals of the two academies have decided to allow the game to be played.

The Olympic Club, of East Sixteenth and Overton streets, will meet the Marshall, Wells Company eleven this afternoon at 3 o'clock on Portland Field, Twelfth and Davis.

LONG SHOT CLOSE UP.

Greenock, Thirty to One, Loses by a Head at Oakland.

SAN FRANCISCO, Nov. 20.—The six-furlong handicap was won handily by Schwalbe, the heavily-played favorite from Princess Titania. The best finish of the day was that in the third race, Man of Honor, at 10 to 1, winning by a head from Greenock, a 30-to-1 shot. Summary:

Futurity course, selling—Florinel II won, Pickaway second, Arthur Ray third; time, 1:14½.

Five furlongs—Judge won, Sol Smith second, Military Man third; time, 1:03½.

One mile and 50 yards, selling—Man of Honor won, Greenock second, Lady Kent third; time, 1:49.

Six furlongs—Schwalbe won, Princess Titania second, Albula third; time, 1:16¼.

Futurity course, selling—Albemarle won, Bay Wonder second, Mildred Schultz third; time, 1:13.

One mile, selling—Anvil won, I. O. U. second, Dungannon third; time, 1:46.

At Latonia.

CINCINNATI, O., Nov. 20.—Latonia summary:

One mile—Choice won, Barney Burke second, Moor third; time, 1:44¼.

Five and one-half furlongs—Jim Ferrin won, Trovator second, Rhyme and Reason third; time, 1:10.

Seven furlongs—Jigger won, One More second, Eva's Darling third; time, 1:30½.

Handicap, steeplechase, over short course—Galba won, Volantine second, Faraday Jr. third; time, 3:03.

Five furlongs—Princess Lucille won, Eccentric second, Vallarambia third; time, 1:05¼.

One mile—Lubin won, Drummond second, Kilmorie third; time, 1:44.

Auto Record of World Broken.

LOS ANGELES, Cal., Nov. 20.—Barney Oldfield today broke the world's automobile record for a mile on an oval track, going the distance in 55 seconds flat. The record was made in a speed trial at the Autumn meet of the Southern California Automobile Association, which opened today. In his racing machine Oldfield first covered a mile in 0:55 1-5, and made the second mile in 0:55 flat, breaking the record of 0:55 4-5, made by himself in Yonkers, N. Y.

Pugilists Disregard the Law.

NEW YORK, Nov. 20.—Despite the law, a 15-round prizefight has been brought off in the heart of the city between William Schumacher, of New York, and "Kid" Murphy, featherweights. The former got the decision. A big crowd witnessed the battle, which occurred in a Thirty-third-street hall. It is said a police sergeant officiated as referee.

Governor Puts Stop to Fight.

COLUMBUS, O., Nov. 20.—Upon learning that the promoters of the Finlay prizefight proposed to defy his orders prohibiting the contest, Governor Nash sent George H. Jones, of the Attorney-General's office, to Finlay to see that the law was enforced. A report from Mr. Jones today is that the fight is off.

WEAK EYES HIS DEFENSE.

President of Porter Bros. Says Otherwise He Would Explain Books.

CHICAGO, Nov. 20.—When the hearing in the matter of the Porter Bros' bankruptcy was resumed today, James S. Watson, ex-president of the big California fruithouse, was placed on the stand and subjected to a rigid cross-examination as to what has been done with vast sums of money which had come into his hands.

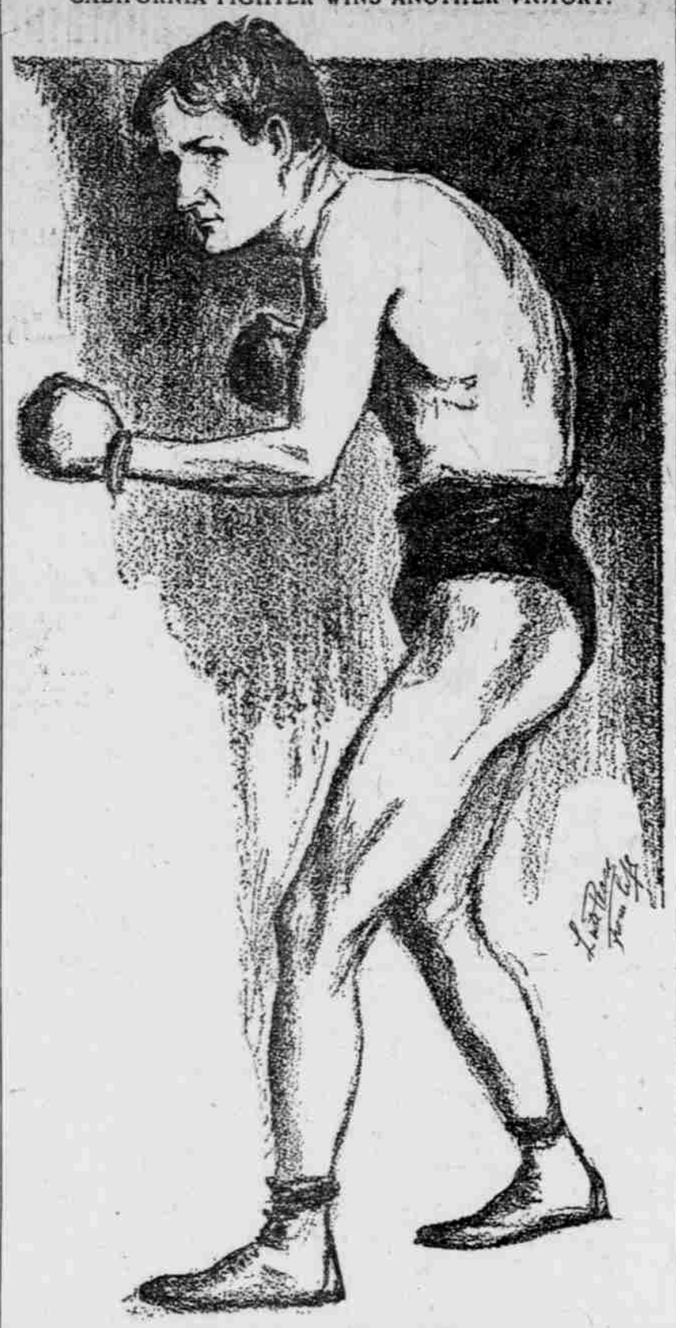
Attorneys Gacu and Greenfield, who represent an Eastern creditor of the bankrupt company, assert that the books of Porter Bros. credit Mr. Watson with $1,800,000 in cash and no explanation is given in the ledger for the entries aggregating this sum. The attorneys further allege that these entries represent profits received in secret from the Fruitgrowers' Express Company as rebates since March 31, 1896.

"Why were not these rebates credited to the account of the Porter Bros' Company?" asked Attorney Bach.

"Because I could not split the checks," replied Mr. Watson. Mr. Watson pleaded that the books of the concern which he alone could understand would furnish the only proof of all his dealings, and he could not present such evidence because of his weak eyes.

It was stated by Attorney Bach that the matter of the rebates had been brought to the attention of the Interstate Commerce Commission.

CALIFORNIA FIGHTER WINS ANOTHER VICTORY.



JAMES BRITT, OF SAN FRANCISCO.

TO BRITT ON POINTS

Canole Loses Lightweight Fight at Bay City.

VICTOR VERY TIRED AT LAST

Rounds Are All in His Favor, but the Twentieth Finds Him Unable to Land a Knockout Blow on His Antagonist.

SAN FRANCISCO, Nov. 20.—James Britt was given the decision over Martin Canole at the end of the 20th round at Colma tonight. The fight was one of the best lightweight fights ever pulled off in this vicinity. Britt had the best of it at long range, but when it came to in-fighting Canole's uppercuts were very effective. Both men were severely punished.

The last rounds were all in Britt's favor but he was too tired to put Canole out.

Queenan and Seiger Fight Draw.

VANCOUVER, B. C., Nov. 20.—Perry Queenan, of Seattle, and Charles Seiger, of New York, fought 20 rounds to a draw tonight before a big crowd. Queenan had the best of the bout most of the rounds, and most sporting men were inclined to think that the decision gave him a shade the worst of it. Seiger was very strong and forced the fighting for the first few rounds. Then Queenan took the heavy end and in the 17th all but had Seiger out of business. But the "iron man" came up pretty fresh in the 18th and was in no danger to the end of the fight.

Thanksgiving Shoot.

EUGENE, Or., Nov. 20.—(Special.)—The Eugene Gun Club has just issued a programme for its annual Thanksgiving shoot. Besides a number of contests for turkeys, it has arranged four good purse events, $75 of added money being put up by the club, which, in addition to the usual purses by way of entries, will make some interesting competition.

MAKE FIGHT ON GOMPERS.

Socialists Name a Man for Head of Labor Federation.

BOSTON, Nov. 20.—Samuel Gompers will be opposed for the presidency of the American Federation of Labor when that organization elects officers tomorrow. The Socialist element in the convention held caucuses today, and decided to name Delegate Ernest Kreft, of the Philadelphia Typographical Union, as a candidate for the presidency of the federation.

The feature of the proceedings today was the acceptance of the report of the executive council's report on the brewery-workers' trouble. The committee's report recommended that the Cincinnati agreement, so-called, be reaffirmed and this was done.

The first business of today was to adopt some plan whereby the problems arising from the relations of the building trades affiliated with the Federation might be effectually settled, either by first enlarging the executive council or creating a special committee which would have extensive powers to deal with the building trades difficulties. Action upon this matter was postponed from yesterday, when the convention was divided as to the proper course to pursue.

Vice-President Duncan stated that President Roosevelt had responded to the appeal of the Federation, repeatedly made to many presidents, and had pardoned Ephriam W. Clark, who has been serving a life sentence for murder as one of the schooner Jefferson Borden mutineers. The announcement was greeted with applause and a vote of thanks was ordered to be telegraphed to the President and congratulations to Clark.

The committee on law reported favorably on a resolution to add two members to the executive council who shall look after all matters pertaining to the building trades.

MINERS END STRIKE BY BALLOT

Northern Colorado Tie-Up Likely to Be Broken Completely.

DENVER, Nov. 20.—As a result of action of the miners in the northern field, the strike is practically settled there. The local union of the coal miners of Louisville, the principal camp of the Northern Colorado coal fields, voted on the revised proposition of the operators, and accepted it by a vote f 119 t 8.

The only change in the revised proposition is that a distinction is made between thick and thin coal in the Louisville district. Six feet is made the dividing line between thin and thick coal, instead of 5½ feet.

This afternoon the Northern Coal & Coke Company was officially notified. The other locals vote on the revised proposition tonight. It is thought the proposition will be generally accepted.

The action of the miners is largely due to the efforts of John F. Ream, the representative of the National organization who advised the settlement in the northern field.

It is not known how the miners in the camps other than Louisville have voted, but tonight a call was issued for a mass meeting of all the miners of the Northern Colorado fields to be held at Louisville tomorrow, at which it is expected the matter will be finally settled.

STATE ORDERS OUT TROOPS.

Seven Hundred Men Will Protect the Miners at Telluride.

DENVER, Nov. 20.—Governor Peabody today ordered a detachment of the National Guard to proceed to Telluride for the purpose of affording protection to men who may be willing to work in the mines and mills. Major Zeph T. Hill will be in command.

Immediately upon receipt of the Governor's instructions, Adjutant-General Sherman M. Bell issued orders to three troops of cavalry, eight companies of infantry and detachments of the signal and medical corps, a total of 700 men, to proceed to Telluride. These troops have but recently been relieved from duty at Cripple Creek, where the force guarding the mines has been reduced to 250 men.

IRON MILLS TO WORK LESS.

Operators Decide to Reduce the Output Fifty Per Cent.

NEW YORK, Nov. 20.—At a meeting just held here of manufacturers of bar iron east of Pittsburg, it has been decided to reduce the output by 50 per cent and to run the mills on part time for an indefinite period, owing to overproduction. The mills affected are: The Reading Iron Company, at Danville, Pa.; Scranton Bolt & Nut Company, Scranton; Boontown Iron & Steel Company, Boontown, Pa.; Diamond Steel Company, Wilmington, Del.; New Haven Iron & Steel Company, New Haven, Conn.; Kinsley Iron & Machine Company, Canton, Mass.; and the West End Rolling Mill Company, Lebanon, Pa.

About 10,000 employes will be affected. Until further notice, four days a week instead of six, and a reduction of 33 1-3 per cent, will be the rule. As the operatives are paid by the ton, the reduction will not affect them as much as if they were paid by the day.

Kitchens Are to Be Unionized.

NEW YORK, Nov. 20.—At an enthusiastic meeting of cooks and their assistants plans have been laid to unionize the kitchens of every hotel, restaurant and club in the city, under the auspices of the New York Culinary Association. There are said to be 2000 members already enrolled, and these include all shades and degrees of chefs from the high-salaried men up town to those who brown wheat cakes on the Bowery. The meeting was addressed in four languages and the enthusiasm grew when a big delegation of German waiters arrived with promises from their union of co-operation with the cooks.

ALL GET WHACK AT IT

Portland Takes a Bracer Down at Los Angeles.

DOES UP SERAPHS 13 TO 11

Gray Annihilated in the First Inning --Shields by No Means Invincible, but Ably Supported--Homer for Spies.

PACIFIC COAST LEAGUE.

Yesterday's Scores.

Portland, 13; Los Angeles, 11.

Standing of the Clubs.

	Won.	Lost.	Pr. ct.
Los Angeles	123	75	.630
Seattle	97	93	.502
Sacramento	99	102	.492
San Francisco	103	106	.492
Portland	92	102	.474
Oakland	84	124	.403

LOS ANGELES, Cal., Nov. 20.—(Special.)—Portland took a wonderful bracer today, and the way the Webfooters smashed the ball around the corral sent the cold chills chasing up and down the spine of the seraph sympathizers. Everybody got a whack at it, some two, some three, and Freeman didn't stop till he had put five to his credit.

It was a weary outfit of top-notchers who took the car from Agricultural Park after the doings. Leg-weary and sore, they hastened from the grounds. They had had enough exercise for a week. Over the fields they chased after the bounding sphere, but it was useless. Gray was annihilated in the first inning, and soon his fielders deserted him. Then he went up in the air. Not a man did he fan. Each batter did something to the ball, and when the ball rolled beyond the pitcher it was juggled.

Shields was by no means invincible, but he had rare support. The infield, which has been playing listless ball all week, was on the alert, and every chance was taken cleanly. The Seraphs found Shields for 13 biffs, and bunched them thicker than mosquitoes in Summer time. Four came in a bunch in the fourth round, the deal was repeated in the sixth, and three were tacked on in the eighth.

Spies was at first today for Los Angeles, and took unto himself a homer. The score:

LOS ANGELES.

First base on errors—Portland, 3.

First base on ball—Off Gray, 3; off Shields, 5.

Double play—Blake to Freeman to Blake.

Struck out—By Shields, 4.

Wild pitch—Gray.

Hit by pitcher—Wheeler.

Time of game—Two hours.

Umpire—Buck Francks.

SIGNED WITH SAN FRANCISCO.

Newton, Champion Pitcher of California, Will Not Play in East.

SAN FRANCISCO, Nov. 20.—(Special.)—A special to the Chronicle from New York says:

"Doc" Newton, champion baseball pitcher of California, will not play with Brooklyn next season, as he has signed a contract to play with the San Francisco club at increased salary. Newton made a great record in the East, and several managers were bidding for his services. Of late he has shown in California that his arm is still with him. What price Harris had to pay his man is not known, but it is safe to say that it is not a great deal below the sum paid Joe Corbett on the Coast.

SPOKANE LOSES PITCHER.

President Herrman Awards Puttmann to New York Americans.

CINCINNATI, Nov. 20.—President Herrman, of the National Baseball Commission, decided today that Pitcher Ambrose Puttmann, who jumped from Spokane to the New York Americans last Fall, belonged to the latter club for next season, but only because the New York club had drafted him this Fall.

He is still subject to the future action of the National Commission in case the Spokane club demands reparation for the breaking of his contract, and his accepting advance money previous to his going with the New York Americans.

FIGHT BLAZE AMONG CORPSES

Firemen Have Hard Time in Subduing Blaze in Medical College.

CHICAGO, Nov. 20.—The law and medical departments of Northwestern University narrowly escaped destruction today. The flames started from a defective electric wire on the fourth floor of the building, which was formerly the Tremont House, and after burning out a lecture-room crept up an elevator shaft to the seventh floor, where a clinic room was destroyed. The loss is $30,000. Amid tables on which lay a score of human bodies, many of which had been disfigured by the students, the firemen fought the blaze, which proved to be a stubborn one. The south wing of the three top floors of the building was destroyed. Interior decorations and furnishings, which cost upward of $150,000, were marred and water-soaked.

Fire Destroys Old Masonic Temple.

LOUISVILLE, Ky., Nov. 20.—Fire early today destroyed the old Masonic Temple, occupying half a block in the heart of the retail business district. The loss is about a quarter of a million dollars, among the largest losers being the Masonic Temple building, $125,000; insurance, $65,000; Hopkins Theater, $30,000; J. W. Fowler Drug Co., $36,000; Rodgers & Krull, jewelers, $40,000.

The fire is supposed to have started in the scenery on the stage of the theater. The losses to the tenants will be heavier than ordinarily owing to the high insurance rate due to the construction of the building, and because it contained a theater. There were seven acts on at the theater this week and the people presenting them lost their effects. The theater is owned by Colonel John D. Hopkins, of St. Louis. The building, which was erected in 1864, is a total loss. At one time it was the principal theater of Louisville.

Fire Destroys Big Clothing Plant.

YORK, Pa., Nov. 20.—The plant of the New Freedom Clothing Company, a short distance from here, was destroyed by fire today. Loss, $75,000, partially insured.

HOPE TO PULL CONCERN OUT.

Prominent Financiers Present Plan to Large Realty Company.

NEW YORK, Nov. 20.—Five prominent financiers interested in the United States Realty & Construction Company have published a card, asking holders of the preferred and common stock of the corporation to deposit their holdings on or before December 15 with the Equitable Trust Company, of this city, with a view of securing radical changes in the administration of the company. The signers of the request are James Stillwell, president of the National City Bank; James Speyer, Augustus J. Dulliard, James H. Hyde and F. P. Olcott. They ask that the stock of the company be deposited under an agreement vesting it and the voting powers thereon in the committee and its successors for three years, unless the committee determines on an earlier dissolution of the agreement. It is stated to be their desire to investigate the causes of the great decline in the price of the securities and to take such steps as would, if possible, restore the property to a higher value.

The company was formed in the Fall of 1902 by the consolidation of the New York Realty Corporation and the George A. Fuller Company, and the purchase of the real estate previously owned by the Central Realty Bond & Trust Company. The company was capitalized at $60,000,000, not all of which was issued. It has outstanding about $27,000,000 preferred stock, about $32,000,000 of combination stock, and no bonds. When the underwriting syndicate was dissolved, September 11, it is said the participants had to pocket a loss of 46 per cent on their commitments, only about 20 per cent of the holdings of common and none of the preferred stock having been sold.

Russian Oil Trust Raises Prices.

MOSCOW, Nov. 20.—The Baku Oil Corporation, engineered by the Nobel and Rothschild interests, has added 15 per cent to the prices of oil throughout Russia. The representatives of the combination claim that the increase in prices has been compelled by the recent labor troubles in Baku and the many fires in the oil fields.

The Moscow Gazette declares the combination is keeping back immense reserves which do not appear in the official report. It is believed here that Russia is threatened with another period of high prices, similar to those prevailing from 1897 to 1900.

Bank Stock Increased by Millions.

BERLIN, Nov. 20.—The Handels Geselleschaft has increased its capital by $2,500,000, making the total $25,000,000. In an announcement issued by the bank officials, it is explained that the increase was made necessary by its "growing business and connections." The latter, it is understood, has reference to the recent acquisition by the bank of an interest in the firm of Hailgarten & Co., of New York.

Monopolizes Tobacco Industry.

NEW YORK, Nov. 20.—The Senate committee has approved, with some trifling modifications, says a Herald dispatch from Lima, Peru, the government's project for increasing the tax on tobacco and acquiring a monopoly of the industry.

Dietrich Starts to Fight Indictment.

WASHINGTON, Nov. 20.—United States Senator Dietrich will start for Omaha tomorrow morning to surrender to the authorities in that city because of his indictment on a charge of conspiracy in connection with postoffice patronage. Senator Dietrich reiterated tonight the assertion that he would demand an immediate hearing.
