Tribute of Roosevelt to Gordon.
ATLANTA, Ga., Jan. 12.—The following message from President Roosevelt on the death of General Gordon was received today by Clark Howell, editor of the Atlanta Constitution:

"I was greatly shocked and grieved at the report of General Gordon's death. I had the honor to number him among my personal friends, and to have entertained him at my house. A more gallant, generous and fearless gentleman and soldier has not been seen by our country."

and have lined up a strong support for their city as the permanent location. It is possible, however, that this convention will favor going to El Paso next year and serving notice that thereafter Denver will be its fixed home.

Sheep and Cattlemen Work in Harmony.

The absence of any considerable number of the city's prominent citizens in the hotel lobby at the convention hall was remarked yesterday and it is feared that our business and professional men are not taking the personal interest in the convention which its importance should command. There was a large attendance at the magnificent public reception given by the Commercial Club last evening and the visitors were welcomed with the hospitality that is in the hotels and at the public sessions that the city's best people should meet and mingle.

ST. LOUIS GETS CONVENTION

July 6 is the Date Fixed—Chicago Apparently Sure of the Meeting at First, but Political Influences Come to Be Feared.

actions and events to the attention of the people of the United States. The committee furnished a surprise in selecting St. Louis as the place for holding the convention. The date fixed for the convention was Wednesday, July 6, at 11 o'clock. Previous to the meeting of the committee, it seemed a foregone conclusion that Chicago would be selected, but political exigencies entered into the situation and a majority of the committee voted for St. Louis. For some hours previous to the meeting of the committee there was talk in the corridors, and among Democratic leaders that the convention in Chicago might be subject to the influence of a strong movement and a strong newspaper influence in favor of some particular candidate. Mr. Knapp, of the St. Louis Republic, hinted at this in his speech by saying that the convention, if held at St. Louis, would be welcomed by an absolutely fair press.

OREGONIAN NEWS BUREAU

Washington, Jan. 12.—Jefferson Myers, National Democratic committeeman from Oregon, played a master stroke at the meeting of the committee today, which selected St. Louis as the convention city, when he presented and secured the unanimous adoption of the following resolution:

Argument of New York.

The New York claim was presented by Mayor Robert A. Van Wyck, who submitted a statement signed by himself, John Fox, Robert B. Roosevelt, Daniel O'Day, Randolph Guggenheimer and John P. O'Rourke, as a committee of the Democratic Club. This statement said in part:

REYES HAS NO COMMENT TO MAKE.

NEW YORK, Jan. 12.—General Reyes was shown Secretary Root's statement today, but said for the present he did not care to make any response thereto. General Reyes spoke in complimentary terms of the reception extended to him by the Administration. He said he had decided that it was not his place to make public the correspondence he had with Secretary Hay.

COLON, Jan. 12.—It is expected that all the warships will leave Colon tomorrow for the purpose of making a demonstration along the San Blas coast. The vessels will land an attacking force the moment information reaches them that Colombian troops have crossed into Panama territory. The outlook is apparently bleak.

DEMONSTRATION BY WARSHIPS.

COLON, Jan. 12.—United States Naval authorities here appear to be convinced, from the tenor of the reports which are continually brought in, that Colombia is determined to send an army to attack Panama. The Panamanian authorities yesterday received official confirmation of the fact that the Colombian troops at Titumati number at least 4000 men, under the command of Generals Ortiz, Uribe-Uribe, Bustamante and Novoa. These troops are well armed and supplied with ammunition, and have a large supply of steam launches and a large supply of cattle. The district is an unproductive one, and the provisions and other supplies which the troops possess have been brought to them from other places. The Government learned these facts from a reliable informant at Titumati, who contrives to send news of events from that distance to Colon by means of signals and trustworthy messengers.

SECRETARY ROOT SAYS IT IS ALL BOSS TO TALK OF CONFLICT.

WASHINGTON, Jan. 12.—Shortly after the Cabinet meeting today Secretary Root issued the following statement regarding the isthmian policy of the Administration:

NOMINATED TO SUCCEED TAFT AS GOVERNOR OF THE PHILIPPINES

LUKE E. WRIGHT, AT PRESENT LIEUTENANT-GOVERNOR.

Luke E. Wright, nominated for Governor of the Philippines, is a prominent Gold Democrat, and one of the leading citizens of Tennessee prior to his appointment in the Philippine Commission. By profession he is a lawyer. For eight years he was Attorney-General of Tennessee. He was very active in relief measures during the yellow-fever scourge of 1878.
