

ABUSED BY ACT

Oregon Senators a Little Wrathful at Hermann.

HE STRADDLED AN ISSUE

All Pick a Postmaster, Then Another Man Was Named.

PETITION MOVED HERMANN

He Commended It to Roosevelt, Who Took It That He Desired Woodford Instead of York Appointed at Medford.

OREGONIAN NEWS BUREAU, Washington, Feb. 5.—Through an effort to straddle an issue, and to be on both sides of the fence at one time, Representative Hermann has inadvertently caused the two Oregon Senators considerable embarrassment. Some time ago Mr. Hermann, in a letter to the Postmaster-General, strongly recommended the appointment of a man named York as Postmaster at Medford. York was acceptable to both Senators Mitchell and Fulton, who expected the appointment would be made.

Before the papers left the department, however, Hermann received a petition from the Grand Army men of Medford urging the appointment of Alonso M. Woodford as Postmaster. The petition had many signatures, and made a pretentious showing. In one of his carefully worded letters, making no recommendation whatsoever, Representative Hermann forwarded this petition to President Roosevelt, and "commended it to his careful consideration."

The President, entirely ignorant of the fact that Hermann had recommended some other man for this office, naturally concluded that he wanted Woodford appointed, and as the recommendation of a Congressman is recognized as final in such appointments, Woodford's nomination was promptly sent to the Senate on January 12. The Senators were astonished when they heard of the appointment, and were at a loss to understand why Hermann's recommendation had been ignored, and it was only recently that they discovered what had really transpired.

President Stands Pat.

It is rumored that the subsequent meeting with the Congressman from the First District was interesting, to put it mildly. The Congressman disclaimed all responsibility, and besought the Senators to intercede with the President and ask him to withdraw Woodford's nomination and appoint York. The embarrassment of the department was explained to the President today, but he flatly declined to reconsider his action, especially when told that Woodford would unquestionably make a good Postmaster. He said the natural inference from Hermann's letter, and the accompanying petition, was that he wished Woodford appointed, otherwise he could see no reason why the petition should have been filed in that manner.

Senator Mitchell was asked this afternoon whether he would oppose Woodford's confirmation.

"That's a matter Fulton and Hermann will decide," said he. "I have nothing to do with it."

Senator Fulton was asked the same question. "That's a matter entirely in Mitchell's hands," said he, and there the matter rests.

Woodford will probably be confirmed.

ATTEMPT TO INFLUENCE JURY

Letters Sent to Men Hearing Postal Frauds Came to Attention of Court.

WASHINGTON, Feb. 5.—In the postal trial today, Mrs. Martha J. Lorenz, of Toledo, denied all knowledge of any transaction in connection with the sale of Groff letter-box fasteners. The four checks which she at different times gave her husband, who induced them over to Maehen, she said she signed solely because her husband requested her to do so, and without inquiring into their purpose. She had absolute faith in him, she said. Mrs. Lorenz was perfectly cool on the stand, and promptly answered the questions put to her by her counsel.

During almost the entire day George Lorenz was under examination. He denied that he ever sought Maehen's influence to further the introduction of the Groff fastener to the postal service.

Just before the afternoon session Justice Pritchard summoned into his private room the jury and counsel on both sides. He announced to them that two jurors had informed him of the receipt of several letters bearing on the case, which represented that they ought to stand by the Government. It was understood that Government counsel disavowed any responsibility for the communications, while counsel for the defense availed themselves of the opportunity to say that the Board of Inspection was sending the battery on the battleship Iowa both guns in the starboard forward eight-inch turret blew off their muzzles. No damage was done except to the guns and one whaleboat.

Philippine Commission Selected.

WASHINGTON, Feb. 5.—The Cabinet meeting today was of short duration. No news has been communicated to the President from the State Department on the Far Eastern situation, and this subject was not discussed at the meeting. Much of the time of the meeting was used in the selection of a commissioner to fill the vacancy on the Philippine Commission caused by the resignation of Governor Taft, and the promotion of Messrs. Wright and Ide. It has been stated that the choice was a prominent person in the United States, but his name is withheld until his acceptance has been received.

Guns on Iowa Blew Off Muzzles.

WASHINGTON, Feb. 5.—Captains Train, president of the Board of Inspection and Survey, telegraphed today to the Navy Department from Fort Monroe that while the Board of Inspection was testing the battery on the battleship Iowa both guns in the starboard forward eight-inch turret blew off their muzzles. No damage was done except to the guns and one whaleboat.

Transport Sails From Cuba.

HAVANA, Feb. 5.—The United States Army transport Summer, having on board

The last American soldiers which have been engaged in the occupation of Cuba, sailed from here today for the United States.

Honolulu Wants Infantry.

HONOLULU, Feb. 5.—The Merchants' Association of this city has memorialized Secretary of War Taft, through Prince Kalanikoupe, the Hawaiian delegate to Congress, asking that a regiment of infantry be stationed at Honolulu.

FUGITIVE ROBBER IS TRAPPED

Albert E. Bell, Who Stole Mail Bags, Is in New Mexico.

DENVER, Feb. 5.—An inspector of the postal service left here today for Ojo Caliente, N. M., to run down a report that Albert E. Bell, the self-confessed mailbag robber and forger, was recuperating his health at a resort in that neighborhood. Bell was arrested here several months ago while occupying quarters in a local hospital and when he had sufficiently recovered his strength started with two United States Marshals for Philadelphia to answer to a charge of stealing a mailbag at the union depot there. As they were approaching the city Bell eluded the guards and escaped from the train and has since been at large.

It is stated that Bell was located in New Mexico through the medium of a confederated cipher message sent from Sharon Springs, Kan., to Mrs. Etta Sharp, the reputed wife of Bell.

Say He Victimized Many Women.

CHICAGO, Feb. 5.—C. W. Thompson, who, the postal authorities assert, has operated a mail-order business under 15 different names, was arrested here today by postal detectives on the charge of misusing the mails. Women in all parts of the country, who believed they would be paid \$50 for copying each 100 letters, are according to the postal officials, victims of Thompson's scheme. Some of the titles used by Thompson in carrying on the schemes were: "Women's Co-operative Club," "Women's Industrial Bureau," "Amazon Advertising Agency," "Occidental Wholesale Company" and the "Occidental Commercial Agency."

Healer Tells of Her Success.

JACKSONVILLE, Fla., Feb. 5.—Mrs. Helen Wilman-Post, on trial in this city charged with using the mails to defraud, took the stand today to testify in her own behalf. Mrs. Post stated that she was 72 years old and had practiced mental treatment since she was 30 years of age. She declared that in her years of practice she had treated more than 10,000 patients, and her records show at least 80 per cent of that number have reported themselves as cured, or greatly improved by her treatment.

Brother Suspected of Murder.

RIVERTON, Neb., Feb. 5.—Dan Barker and his wife have been murdered in their home near here. Barker's brother, Frank, is under arrest. The Barkers are related to Tom Madison, the murderer, who was a fugitive from justice during a long chase in Smith County, Kansas, several weeks ago. Robbery is the supposed motive.

Philippino Agitator to Be Deported.

MANILA, Feb. 5.—Sixto Lopez, the well-known Filipino agitator, whose unfriendly disposition toward American rule in the Philippines was exhibited upon occasion in the past, has arrived here refusing to take the oath of allegiance. He will be promptly deported.

Arguments in Butler Case.

FULTON, Mo., Feb. 5.—Arguments to the jury in the case of Colonel Edward Butler, of St. Louis, on trial on the charge of bribing members of the House of Delegates to secure the passage of the city lighting bill in 1895, were begun today.

A BRILLIANT RECEPTION.

Ambassador and Mrs. McCormick Entertain at St. Petersburg.

ST. PETERSBURG, Feb. 5.—The handsome Leuchtenberg Palace, on the English Quay, the home of the American Embassy, was the scene tonight of the first large reception of the season, given by the United States Army. He is a partner and ejected Milward from the grounds at the point of revolvers. Milward may be expelled.

Only Chinese in American Army.

UNIVERSITY OF CALIFORNIA, Feb. 5.—Samuel Sung Young, a Chinese, who is at the University of California, has just been appointed a Lieutenant in the United States Army. Lieutenant Young is the only Chinese wearing the uniform of an officer of the United States Army. He is a partner and ejected Milward from the grounds at the point of revolvers. Milward may be expelled.

National-Flag Law Invalid.

NEW YORK, Feb. 5.—The law forbidding the desecration, mutilation or improper use of the National flag, passed by the State Legislature last year, was declared unconstitutional today in the appellate division of the Supreme Court, in so far as it relates to the use of the flag in advertising devices and on trade labels. The case grew out of the sale of cigars in boxes bearing labels which included the National flag in the design.

Tides Undermine Noted Castle.

NEW YORK, Feb. 5.—A Danish Castle of Kronborg, famous as the Elsinore of Shakespeare's "Hamlet," is threatened, according to an American dispatch from Berlin, by destruction by the undermining tides of the Kattegat. The foundations are seriously damaged, and the castle may have to be pulled down, together with the terrace on which the ghost of Hamlet's father appeared.

Suit for Libel Dismissed.

CRIPPLE CREEK, Colo., Feb. 5.—The suit for libel against E. Kryen, proprietor of the Victor Daily Record, and several of his employees, brought by two members of the Colorado National Guard, who were referred to in an article published in the Record as scoundrels, was dismissed today on motion of the attorney for the defendants for lack of evidence. The defense offered no testimony.

Court Reinstates Chief Croker.

NEW YORK, Feb. 5.—The reinstatement of Edward F. Croker, as Chief of the Fire Department, was ordered today by the Appellate Division of the Supreme Court. Mr. Croker was removed from office early in the Low administration. He is a nephew of Richard Croker.

FLAG IS INSULTED

Dominican Rebels Fire on an American Craft.

ENGINEER LOSES HIS LIFE

Insurgents Surround Several Cities and Threaten to Open Fire—Marines Are Likely to Be Landed.

SANTO DOMINGO, Monday, Feb. 1.—The insurgents this morning deliberately fired on the launch of the auxiliary cruiser Yankee, killing J. C. Johnston, the engineer. The bullet entered his head above the eye.

United States Minister Powell has directed the Captain of the Yankee to take drastic measures to avenge Johnston's death and the insult to the American flag. The funeral of Mr. Johnston took place this morning instead of Monday afternoon, as had been arranged. The body was escorted to its grave in the Santa Barbara Cemetery by a detachment of marines, bluejackets and officers from the Yankee, headed by the ship's band. There were in all 100 men from the cruiser in the cortege.

Minister Powell, the American Consul and Vice-Consul, and nearly all the diplomatic and consular representatives here went to the funeral. The provisional government sent a detachment of troops to act as an escort. The flags over the government buildings and the various consulates were at half mast.

The coffin was covered with wreaths of flowers, one of which had been sent by the German Legation, the American Consulate, etc. The streets of the city were thronged with people as the funeral procession passed, and there were many expressions of sorrow at Johnston's death.

Great surprise is expressed by the foreigners here, especially by the Americans, that the Commander of the Yankee has not demanded immediate satisfaction for this inexcusable act, and for the firing upon the American flag by the insurgents. There was heavy firing all day all around the city. A German steamer from Europe was obliged to leave the port with her cargo on board because the crews of the lighters refused to work on account of being exposed to the insurgents firing across the river.

News reaching here from the interior is favorable to the government.

MARINES GUARD HIM.

American Force Called to Assistance of German Vice-Consul.

SANTO DOMINGO, Saturday, Jan. 30.—The German Consul here has requested United States Minister Powell to afford protection to Herr Worman, the German Vice-Consul, that he might bring his family into the city, as the insurgents have given Mr. Worman 24 hours to leave where he is, or suffer the consequences. Consequently, Mr. Powell has secured a guard of 50 men from the United States cruiser Columbia, and informed the government that it was the intention of the German Consul and himself to bring Herr Worman's family to the city, and asked the government that its troops not fire upon his party while it was on its mission. He said, if fired upon, this party would protect themselves. The guard started out.

As soon as they passed outside the city, they were covered by the guns of the Columbia. No attack was made, and the Worman family and their belongings were brought back here in safety.

All the houses outside the city walls have been pillaged. The insurgents are desperate, and are destroying foreign property wherever they find it. Mr. Powell has received urgent appeals to protect foreign property against this pillaging, and the Columbia may be compelled to land marines to do so.

The firing around the city continues. The situation is serious. The prices of provisions are very high, and the poor are suffering from want of food.

This is the RELIABLE "DAYLIGHT STORE" that's so much talked of as a recognized leader among the "Big" modern stores of the Pacific Slope. THE ONLY "BIG STORE" in all the Northwest to close its doors when the day is done—every day, Saturday included, at 6 P. M.

WE WANT YOUR ACCOUNT!

Do you run a monthly account with any house that carries lines included among those embraced by this great "Congress Store"? If so, why not let us carry your account? If you've money to deposit you select your bank and bankers carefully, do you not? You should exercise the same caution in selecting a RELIABLE STORE from which to run an account. Stores careless in their methods and using questionable means in conducting their business are apt to prove very unreliable in dealing with their credit patrons (others as well), and where chances occur to err are more apt to do so in their own favor than in yours. And then again, SOME STORES DISCRIMINATE AGAINST THEIR BOOK ACCOUNT PATRONS—NOT SO HERE! Every patron is treated alike, whether they pay spot cash or settle their bill monthly. We sell our merchandise, quality for quality, lower than any other Portland house. We pay no premium for cash—our credit is A 1 in market and we can afford to wait until the month ends for our pay for the merchandise you need—if you've a basis for credit. In fact, we prefer to charge your purchases and send you a bill the first of each month. Why? We can save so much of the salespeople's time that it more than pays for the office work—leaving us ahead of the game; giving you quicker service, facilitating the necessary exchange of goods, and saving you the need of carrying money beyond carfares and enough for a lunch downtown. "But," says some one, "I fear your losses must be reckoned with. Could not a spot-cash store sell cheaper?" Here's the facts: Our credit losses are so small that we never reckon them at all. One year with another the losses run about one-twentieth of one per cent. That's on the credit part of the business—which being approximately half of our business means a general loss of one-fortieth of one per cent, or one cent on \$40.

That loss, charged in with the cost of the office force, and credited by salespeople's time saved, still shows a profit on "charge" business.

Think it over, and you may be sure of receiving every privilege of every sale same as cash customers. Glad to have you open an account today.
