Nervous Women

The relation of the nerves and generative organs in women is as close that existence of the Nervous Prostration, Nervous Delirium, the Blues, Gonorrhea and Nervous Irritability arises from some derangement of the organs which makes her a woman. Pains of Depression or Restlessness and Irritability. Spirits easily affected, so that one moment she laughs, the next moment weeps. Faints in the ovaries and between the shoulders. Loss of voice, nervous dyspepsia. A tendency to cry at the least provocation. All this points to Nervous Prostration. Although you may not know it, in most cases not of ten this is caused by some subtle disorder, and the nervous condition is in and about this organs which make her a woman influence your entire system.

Nothing will relieve this distressing condition and prevent months of procrastination and suffering so soon as

Lydia E. Pinkham's Vegetable Compound.

Will not the volume of letters from women made crying by Lydia E. Pinkham's Vegetable Compound convince all women of the wonderful results you can expect to issue such sick and weak and discouraged, exhausts them, etc., when you can be easily cured as this woman.

"Dear Mrs. Pinkham—While under your advice and care I was only 2 months sick. I was then very weak, had begun many palpitations, and was on the verge of collapse. I had blood in the urine and took Lydia E. Pinkham's Vegetable Compound and now am strong and healthy. I am convinced that no other medicine could have been so successful in my case. I am the more pleased with the same to my husband."

"Dear Mrs. Pinkham—I want to thank you for the good your medicine has done me. I have been suffering with heart disease for some time. I was in the hospital for two weeks. I had the.unwrap of the physician and I was saved of my life. I am now at home and am able to work."

$5000.00 for the benefit of the Philadelphia Homeopathic Hospital.
