By the World's greatest psychic palmist and clairveyant. Prof. Van Cortiand. An honest proposition—the public to judge. No charge unless satisfactory (you are to be full judge). I do hereby solemnly agree and guarantee to make no charge if I full to give you satisfaction. I promise to teliyeu whether husband or wife or sweetheart is true or false. I will tell you how to gain the love of the one you most desire, even though miles away. In fact, I will tell you every hope, fear or ambition better than you can tell yourself, without you telling me one word, and if you are not absolutely satisfied when reading is over (you to be full judge), then pay not one penny. Is this not honest? I advise you on love, courtelly, marriage, divorce, health, business, lawsuits, speculation and transactions of all kinds; tell when to marry; settle lover's quarrels and family trouble; locate last treasure and absent friends, etc. Full typewriting readings. I positively tell you when and whom you will marry, giving name of person and date of marriage. I recognize none as my superiors, who by any means advise and forcell events arising through cause and effect.
