FRESNO, Cal., April 14.—(Special).—San Francisco won today in the ninth inning. Gorton came to bat when there were two men out and two on bases, the score standing 1 to 0 in favor of the Websters. The batter cut the first pitched ball for a double, bringing in both runners. Druhot pitched a good game in the first eight innings and was given good support, none of the errors being costly and both of San Francisco's runs being earned. In the ninth, who is a heavy hitter, was called to bat in place of Schmeier, in the hope of bringing in the two runners, and Druhot struck him out. Acting under instructions he shot the first ball to Gorton squarely over the plate and the 'Frisco catcher landed on it.

VICTORIA, B. C., April 14.—(Special).—Lovely weather favored the golfers in the second day's championship competition at Oak Bay links. The Americans again demonstrated their superior ability, each winning his heat and thinning down the field practically to themselves. Harvey Combe, champion of the local club, appears to be the only probable survivor for the finals. Frank Newton, of Seattle, is playing brilliantly and easily disposed of Oliver, a local star. R. L.
