#### SALE OF SEATS TODAY.

Marquam Box-Office Opens for the Schumann-Heink Concert.

Today the sale of seats will open for the Schumann-Heink concert, which will take place Tuesday night, April 19. This great singer's appearance in San Francisco has just provoked immense ex-citement and onthusiasm. Under the heading "Schumann-Heink In Music That Enchants-Wonderful Voice and Technical Mastery of the Great Contralto Is the Rapture and Despair of Musicians," the

Bulletin says:
"Some hint of Schumann-Heink's real dramatic power is given by her rendition of Hugo Wolf's 'Heimweh.' The Americans may have as deep a sense of patriot-ism as any other nation on the globe, ism as any other nation on the globe, but they have no composers and lyric poets to voice their patriotism, and they are tardy in producing singers to carry it home to the hearts of the people. Mme. Schumann-Heink brings out her cry for 'Germany, the heart's land' with a depth of patriotism, a love of home and country, that vibrate through every heart, and give to far-off Germany isself. and give to far-off Germany itself a

amour and fascination.
"So wonderful was the 'Helmweh' that it had to be repeated, and the audience was ready for it half a dozen times." This great song will be given at the Marquam next Tuesday night.
