lots to satisfy the taxes due, and that the sale of one-tenth of the property should have realized sufficient to satisfy all of the tax claims. The court is asked declare all of the proceedings void, and to restore the property to the plaintiff. Tax suits of this nature against brokers are becoming quite numerous of late.

No Heirs for This Money.

The State of Oregon by District Attor ney John Manning has filed suit in the State Circuit Court against Edward Holman, administrator of the estate of Fritz Spurgarth, deceased, to have \$137, balance in the hands of the administrator placed in the eschew fund. Spurgarth died in 1887. The final report filed by the administrator recently, shows that the receipts were \$602 and the disbursements \$465. There are no heirs so far as known, and the administrator will turn over the money in his possession to the proper authorities as soon as the court makes the necessary order.

SHILLOCK A DEPUTY SHERIFF.

-

His Chief Returns From Fishing Trip and Confirms Appointment.

"All smooth as grease," said Sheriff Storey yesterday in answer to a question concerning the running of the tax department

The Sheriff returned from his fishing trip to Dairy Creek yesterday morning, and must have had good luck, because he was smilling and cheerful when he renched his office, greeting all callers pleasantly. He expressed surprise that any trouble should arise over the discharge by him of David Steele, and said he merely made a change, that was all.

"How does it happen Max Shillock has not gone to work yet?" was asked. "I don't know," responded Mr. Storey.

"I told him to report Monday morning." Mr. Shillock telephoned to the Sheriff yesterday afternoon that he will put in an appearance this forenoon
