NEW TODAY. HLUSTRATION NO. 13. The Oldest Trast Company in Oregon. PORTLAND TRUET COMPANY OF OREGON. NO. 100 THIRD STREET. Incorporated April 22, 1887. When we pick up the papers from day to day and read the financial news, we find quotations of Sterling Bills of Exchange. Bankers and merchants buy these bills, which usually run for skryt days, as a means of getting interest for short periods upon their side funds. We issue certificates of deposit, payable upon ten days' call, thirty days' call or nine-ty days' call, with interest at three and one-fourth, three and one-half and four per cent per annum, respectively. You will find these quite as good as Sterling Bills as tem-porary investments. Give us an opportunity of aplaining further to you about these cer-tificates, or send for our book of <u>HUNTRATIONS.</u> DENJ L COHEN proves that a course with us pays. What we have done for young people in the past we can do now-better than ever before, because of improved facilities.

Our school is always spoken of as firstclass in all respects. Superior methods, thorough work, has given it this high ILLUSTRATIONS. standing. Open all the year; students
