NOTICE TO ALL. Greed and envy blinds countless men and women to poverty, drudgery and disease. Man is negative without power or force to do or achieve as long as he is poisoned with the missma of greed and envy. Of the two defects in man, envy is worse than greed. The spiritualist is always progressive; he delights in every new invention or discovery that is good for mankind; he never envies, censures or critises the fortunate and successful men and women of the world; indeed, he enjoys their successfully as much as they do. He has only optimistic joy in his being and it is never tinged with envy, jealousy and pessimism.
