

ONLY THREE FIRSTS

Oregon Team Fares Badly at Washington Track Meet.

SCORE: U. OF W. 88; U. OF O. 34

Moore Takes the Two Short Dashes and Perkins the Half Mile-Joe Pearson is Not Allowed to Enter by the Faculty.

UNIVERSITY OF WASHINGTON, Seattle, May 20.—(Special.)—Washington defeated the University of Oregon today in the annual field and track meet by a score of 88 to 34.

Moore won first in the 100 and the 200-yard dashes and Perkins took first place in the half mile. The home team carried off the honors in the other ten events, taking the first two places in most of the contests.

Joe Pearson, Washington's crack sprinter, was taken out of the meet because of a condition that one of the professors had against him in rhetoric. His events, while closely contested, were won in slow time. The Oregon boys were willing to allow him to enter when they understood just how his college work stood, but the faculty members were determined that Pearson should not run and refused to listen to the entreaties of both teams.

Four university records were broken. Tom McDonald pushed the shot out 42 feet 3/4 inches and threw the hammer 34 feet and 10 inches. McCrory lowered the time in the 100 yard dash, when Sterling Hill made 21 feet 7 inches in the running broad jump.

The noticeable feature of the meet was the friendly feeling that prevailed between the men of the teams. The Oregonians lost by a large score, but fought hard for each point and won the applause of every Washingtonian. The list of events and men winning places were as follows:

One hundred and twenty-yard hurdles—E Hill (W.) first, W. Hill (W.) second, Thayer (O.) third; time, 0:17 1/2.

Relay—Washington; time, 1:26.

A large crowd was in attendance. The events and winners were as follows:
