As Stated Above, This Store Will Be Closed All Day Memorial Day. It is an old custom among the warm-hearted French people for the wayfarer on foot to halt, face toward the road and bare his head when a funeral cortege passes, in respect to the dead, in sympathy with those who mourn. It is with the same spirit that we halt for the day in our business march and close our store to join in strewing flowers upon soldiers' graves and listening to a recital of the principles for which they gave their lives. On this page today are mentions of things you'll need in a hurry for Monday's wear. Being Saturday, we dedicate the day mainly to the children—a feature of the Grand Educational Contest. Read the
